DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information :—

An Ordinance to authorise the imposition and recovery of charges for the use of public aerodromes.

BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title and date of operation.

1 This Ordinance may be cited as the Public Aerodromes Ordinance, No. of 1938, and shall come into operation on such date as the Governor may appoint by Proclamation published in the Gazette.

Tariff of charges at public aerodromes.

2 (1) The Governor may prescribe a tariff of charges for the use of any public aerodrome by aircraft and for services rendered to aircraft at that aerodrome.

(2) Every such tariff shall include charges for landing and length of stay applicable to the aircraft of all countries alike.

Notification and exhibition of tariff of charges.

3 Every tariff of charges prescribed by the Governor shall—

(a) be notified in the Gazette ; and

(b) be exhibited and kept exhibited in a conspicuous place in the public aerodrome to which the tariff relates.

Appointment of Superintendent and other officers.

4 The Governor may for each public aerodrome appoint a Superintendent, one or more Assistant Superintendents, and such other officers and servants as may be necessary.

Nationality of aircraft not to effect right to use public aerodrome.

5 The aircraft of all countries alike shall be entitled to use a public aerodrome to the same extent and upon the same conditions.

Liability of owner of aircraft to pay prescribed charges.

6 Where any aircraft uses any public aerodrome or where any service is rendered or required to be rendered to any aircraft at any public aerodrome, the owner of that aircraft shall be liable to pay the prescribed charge for such use or service to the Superintendent of the Aerodrome on demand.

Recovery of prescribed charges.

7 (1) Where the owner of any aircraft has made default in the payment of any prescribed charge, the Superintendent of the public aerodrome at which that charge was incurred may apply to the Police Court having jurisdiction over the place where the aerodrome is situate for the recovery of such charge ; and, on receipt of the application, the Police Court shall, after giving the owner of the aircraft an opportunity of being heard, and after such inquiry as the court may deem necessary, make order that the owner of the aircraft shall pay such amount as the court may find to be due as charges together with such amount as the court may award as costs.

(2) Any amount which the owner of an aircraft is ordered to pay under sub-section (1), whether as charges or as costs, may be recovered as though it were a fine imposed by the Police Court which made the order, notwithstanding that the amount of such charges or of the costs awarded or of the aggregate of both charges and costs may exceed the amount of a fine which the court may impose in the exercise of its ordinary jurisdiction.

(3) An appeal shall lie to the Supreme Court against an order made by a Police Court under sub-section (1). For the purposes of such appeal, an order under sub-section (1) shall be deemed to be a final order made by a Police Court ; and the provisions of Chapter XXX of the Criminal Procedure Code, 1898, shall apply accordingly.

Power to detain aircraft until prescribed charges are paid.

8 It shall be lawful for the Superintendent to detain any aircraft at any public aerodrome until all prescribed charges due in respect of that aircraft are paid or recovered.

Interpretation.

9 In this Ordinance, unless the context otherwise requires—

“ aerodrome ” means any definite and limited ground or water area in Ceylon intended to be used, either wholly or in part, for the landing or departure of aircraft ;

“ aircraft ” includes all balloons, whether fixed or free, kites, gliders, airships, airplanes, and other flying machines ;

“ Government aerodrome ” means an aerodrome established and maintained by the Governor and under his control ;

“ owner ” includes the hirer of an aircraft and the pilot or other person in charge of an aircraft ;

“ prescribed charge ” means the charge specified in the tariff relating to any public aerodrome for the use of that aerodrome by any aircraft or for any service rendered or to be rendered to any aircraft at that aerodrome ;

“ public aerodrome ” means a Government aerodrome which has been authorised by the Governor to be used by aircraft (including aircraft carrying passengers for hire or reward) as a regular place of landing and departure ;

“ Superintendent ” means the Superintendent of a public aerodrome appointed under section 4 and includes an Assistant Superintendent of that aerodrome.

10 Nothing in this Ordinance shall apply to any aircraft belonging to His Majesty or exclusively employed in the service of His Majesty. Savings.

Objects and Reasons.

Section 8 of the Air Navigation Act, 1920, as applied to Ceylon with necessary modifications by the Air Navigation (Colonies and Protectorates) Order in Council, 1922, empowers the Governor to establish and maintain aerodromes within the Island. The Governor is further empowered by Article 8 of the Air Navigation (Colonies, Protectorates and Mandated Territories) Order, 1927, as amended by the Second Amendment Order in Council of 1936 to licence for public use aerodromes which are established within Ceylon by private enterprise. An aerodrome which is under the control of the Governor may be authorised by him to be used as a regular place of landing and departure by aircraft carrying passengers for hire or reward. This type of aerodrome is referred to in the Bill as a public aerodrome. Though the Order in Council provides for the imposition of charges for the use of private licensed aerodromes, no statutory provision exists for the levy of similar charges at public aerodromes.

2. The object of this Bill is to make provision for the imposition and recovery of charges for the use of public aerodromes and for services rendered to aircraft at such aerodromes.

Provisions of Ordinance to be in addition to and not in substitution of other laws.

Objects and Reasons.

The need for legislation designed to ameliorate the conditions of service of shop assistants has long been recognised in England and elsewhere. In England there exists a large body of legislation, commencing with the Shops Act of 1912, which has generally provided the basis for similar legislation already enacted in other parts of the Empire.

The object of this Bill is to introduce into Ceylon legislation, based on the principles of the English law, for the regulation of the employment of shop assistants and the control of the opening and closing hours of shops.

2. Clause 3 of this Bill prescribes the maximum number of hours during which a person may be employed in a shop on any one day and in any one week. In view of the fact that the conditions obtaining in different trades and businesses vary considerably, exemptions to the general rule will be necessary, and sub-clause (4) of Clause 3 provides, therefore, that regulations made by the Executive Committee of Labour, Industry and Commerce may vary the maximum periods in the case of different trades and businesses. Clause 5 ensures to every employee in a shop one whole holiday and one half-holiday in each week, with full wages. Clause 6 provides that every employee in a shop shall be entitled to a week's holiday with full wages after twelve month's continuous work. It will not be possible for the employee or his employer to "contract out" of this provision of the law. Clause 7 provides for the allowance of proper intervals for meals.

Clauses 9 to 13 deal with the provision in all shops of suitable and sufficient means of lighting and ventilation, adequate living accommodation, facilities for taking meals, and sanitary conveniences and washing facilities. It will be possible, however, for the occupier of a shop in certain circumstances, to obtain for his shop exemption from the requirements regarding sanitary conveniences and washing facilities. (Clauses 12). Clause 8 (1) prohibits altogether the employment in shops of persons under the age of twelve. The employment of women and persons under the age of eighteen years in shops is restricted by clause 8 (2).

3. Clauses 15 to 18 deal with the making of "closing orders" by the Executive Committee. A closing order may prescribe generally the opening and closing hours of shops and also provide that in each week there should be an early closing day and a day on which shops shall not be open at all. Provisions can be inserted in a closing order for the purpose of dealing with the special circumstances and conditions in any particular trade or business or in a particular area (Clause 15 (2)). Before making any closing order the Executive Committee is required by clause 16 to give notice of its intention to make the order and an opportunity will then be afforded to any party interested to make representations against the proposed order. It is further provided in clause 17 that no closing order can have effect until it has been approved by the State Council and ratified by the Governor.

4. For the purpose of carrying out effectively the provisions of the Bill relating to the hours of employment, clauses 19 and 20 cast on the occupier of every shop certain duties with regard to the exhibition of notices and the keeping of books, and by clause 21 powers of entry and inspection are conferred on certain classes of officers to be prescribed by regulations.

5. The provisions of the new law will apply in the case of all premises in which any retail or wholesale trade or business is carried on, including any premises in which the business of a barber or hairdresser or the sale of articles of food and drink is conducted. (Clause 31). Bazaars and sales of work for charity, the hawking of newspapers, and the business of an undertaker will not be affected. (Clause 32). In addition to these exemptions, regulations made by the Executive Committee may exempt from the provisions of the Bill premises in which any particular trade or business is carried on. (Clauses 30, 31, 32).

6. The duty of complying with the provisions of the new law in the case of any shop is cast on the "occupier" of that shop, that is, on the owner of the business of that shop, or the person having the charge or the general management and control of the shop. (Clauses 23 and 31). Where, however, in any particular case, some person other than the occupier is in fact responsible for the contravention of any provision of the law, such other person may be prosecuted and convicted of the offence. (Clauses 27 and 28).

7. The Executive Committee is empowered by clause 30 to make regulations for the purpose of carrying out or giving effect to the provisions of the Bill. Such regulations will, of course, be subject to the approval of the State Council and ratification by the Governor.

Repeal of the First Schedule to the principal Ordinance.

7 The Second Schedule to the principal Ordinance is hereby amended by the substitution, for the title "SECOND SCHEDULE", of the title "SCHEDULE".

Amendment of the Second Schedule to the principal Ordinance.

Objects and Reasons.

The Post Office Security Fund Ordinance, 1931, as its title implies, was intended primarily to provide the machinery and the rules for the administration of the fund made up of the cash security given by the various officers of the Post and Telegraph Department for the due performance of their duties. Under a departmental arrangement in force from 1886, the great majority of the officers had been allowed to furnish the security in instalments, either paid by them at stated intervals or deducted monthly from their salaries until the requisite amount was made up in each case. The practice had not been sanctioned by any law and doubts had arisen as to its legality owing to the absence of any reference to it in the Public Officers' Security Ordinance, which was passed four years later. The opportunity was therefore taken, in 1931, to include in the Post Office Security Fund Ordinance provisions which validated all previous acts and gave legal sanction to the continuance of the practice thereafter.

2. No steps were taken at that time to exclude the officers, or any specified class of the officers, of the Post and Telegraph Department from the operation of the Public Officers' Security Ordinance; but in order to avoid any possible conflict between that Ordinance and the Post Office Security Fund Ordinance, the Public Officers' Security Amendment Ordinance, No. 15 of 1935, brought within the scope of the Ordinance of 1890, the system of furnishing security which continued to be in operation in the Post and Telegraph Department.

3. From 1935, therefore, so far as the officers of the Post and Telegraph Department are concerned, the relevant provisions of the Public Officers' Security Ordinance, 1890, have been supplementary to the provisions of the Post Office Security Fund Ordinance, 1931; but even with this arrangement the law in its actual working has proved to be unsatisfactory. Moreover, two other Departments of the Public service have since disclosed the fact that they too have for many years followed the same unauthorised practice as the Post and Telegraph Department. It has, therefore, been decided that the system of obtaining cash security from public officers in this particular manner should be legalised and made available to all Departments of the public service by the insertion in the Public Officers' Security Ordinance, 1890, of a new section which will enable the necessary provision to be made by rules, and that those parts of the Post Office Security Fund Ordinance, 1931, should be repealed, which now prescribe, solely for the purposes of the Post and Telegraph Department, the method of giving security and the matters incidental thereto.

4. The amendments to be made in the Public Officers' Security Ordinance, 1890, are dealt with in another Bill which is to be introduced immediately before this Bill. This Bill contains the amendments that it is proposed to make in the Post Office Security Fund Ordinance, 1931.

5. The object of Clause 2 is to remove from the definition of the expression "The Fund", in section 2 of the Ordinance, certain words which have now been found to be both misleading and unnecessary.

6. The amendments contained in clause 3 are designed to set out in more precise terms the various matters that are validated by section 3 of the Ordinance.

7. In its present form section 7 of the Ordinance, which deals with the powers and functions of the Board of Management, does not confer on the Board the powers that experience has shown to be actually necessary for the proper administration of the Fund. The amendments proposed in clause 4 are intended to remedy this defect.

8. Clauses 5, 6 and 7 deal with the various amendments connected with the repeal of those provisions of the Ordinance, (that is to say, the regulations in the First Schedule) which prescribe the method of giving security.

- (d) for authorising the crediting of interest on the aggregate amount of the deposits or payments standing to the credit of each officer, until the full amount of the prescribed security is deposited or paid by him, and the payment to such officer of the interest accruing thereafter ; and for prescribing, in any case where no express provision is made by any other written law, the mode of determining the rate and the intervals at which such interest is to be credited or paid, and the form of the interest certificate to be issued to each officer ;
- (e) for authorising, in the case of any department of the public service in respect of which no express provision is made by any other written law, the formation of a Fund to which the deposits or periodical payments made by the officers of that department may be credited ; for providing for the administration of such Fund ; and for prescribing the form or nature of the accounts to be kept in connection therewith and the intervals at which such accounts are to be audited ;
- (f) for prescribing the securities in which, and the conditions subject to which, the whole or any part of any Fund formed under the authority of any rule made under this section, or, where no such Fund has been formed, the whole or any part of the deposits or payments made by the officers, may be invested ;
- (g) for prescribing the circumstances and the manner in which the whole or any part of the deposits or payments and interest standing to the credit of

any officer may be appropriated by order of the head of the department to which the officer belongs, in order to meet any loss incurred by the Crown by reason of any default or omission or any dishonest or negligent act on the part of the officer ;

- (h) for prescribing the circumstances in which the whole or any part of the deposits or payments and interest standing to the credit of any officer may be declared forfeit to the Crown ;
- (i) for prescribing the terms and conditions on which a public officer may be permitted to withdraw the amount of the deposits or payments and interest standing to his credit after his retirement, resignation or dismissal from office ;
- (j) for suspending or modifying the application of such of the provisions of sections 3 to 10, inclusive, as may relate to any of the purposes for which rules are made under this section ; and
- (k) generally for all purposes incidental to or connected with the purposes specifically mentioned in this sub-section.

(2) Every rule made by the Governor under this section shall be published in the Gazette and shall come into operation upon the date of such publication.

Retrospective operation of sections 2 and 3 of this Ordinance.

5 The amendments made in the principal Ordinance by sections 2 and 3 shall be deemed for all purposes to have come into operation on the date on which the principal Ordinance came into operation.

Objects and Reasons.

Although the security required from the officers of the Post and Telegraph Department for the due performance of their duties had from 1886 been given by them in instalments paid at stated intervals or deducted monthly from their salaries, the Public Officers' Security Ordinance which was passed four years later did not recognise this system, which thus remained unauthorised by law until the Post Office Security Fund Ordinance was passed in 1931. The latter Ordinance, however, was primarily meant to provide for the management and use of the moneys collected by way of security from the officers ; and although it contains a Schedule of regulations as to the system of giving security to be followed in the Post and Telegraph Department, it does not deal with the subject comprehensively, nor does it exclude the officers of the Department from the operation of the Ordinance of 1890, which was intended to apply to all public officers. In order to regularise the position the Public Officers' Security Amendment Ordinance, No. 15 of 1935, amended the Ordinance of 1890 by including in it a reference to the system of furnishing security adopted by the Post and Telegraph Department ; but as the method of working the system is not laid down in detail in that Ordinance and has still to be sought for in the Post Office Security Fund Ordinance, some difficulty has been experienced in actual practice in applying two different sets of provisions simultaneously. A further problem has now been created by the discovery that the officers of the Railway and the Public Works Departments have for many years followed a similar extra-legal method of giving security and that in their case too this method has to be authorised by law. It has therefore been decided that the Public Officers' Security Ordinance, 1890, should be further amended by the addition of a new section enabling the Governor to make rules of procedure, applicable to all Departments of the public service generally or to any specified Department, for the purpose of prescribing the details of this method of giving security and the manner in which the fund created out of the cash security collected by each Department should be administered. The proposed section is set out in Clause 4 of this Bill, some preliminary amendments necessary in sections 2 and 3 of the Ordinance being first dealt with in Clauses 2 and 3.

2. Those parts of the Post Office Security Fund Ordinance, 1931, which now make provision for the same matters are to be repealed at the same time. For this purpose a separate Bill to amend that Ordinance will be introduced as a complementary measure immediately after this Bill.
