The following Draft of a proposed Ordinance is published for general information :—

	L. D.—O. 45/36
No. 11 of 1908.	<b>An Ordinance to amend the Ceylon Post Office Ordinance, 1908.</b>
	BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—
Short title.	1 This Ordinance may be cited as the Ceylon Post Office (Amendment) Ordinance, No.      of 1938.
Amendment of section 47 (2) of Ordinance No. 11 of 1908.	2 Section 47 (2) of the Ceylon Post Office Ordinance, 1908, is hereby amended by the addition immediately after paragraph (d) thereof of the following paragraph :— “(e) prescribe the procedure for the recovery of money over-paid or erroneously paid to a banker in respect of any money order and provide for the deduction from any money payable to a banker in respect of any money order of any money paid to that banker in excess of what ought to have been paid to him in respect of any other money order.”

*Objects and Reasons.*

Rules made under section 47 of the Ceylon Post Office Ordinance, 1908, grant special privileges to bankers who present money orders for payment and exempt them from certain formalities insisted on in the case of persons other than bankers. Under the existing law, there is no authority to deduct from any payment due to a banker in respect of any money order any money previously over-paid or erroneously paid to that banker in respect of any other money order.

2. The object of this Bill is to amend the Ceylon Post Office Ordinance so as to enable rules to be made for the recovery of money over-paid or erroneously paid to a banker by the deduction of the amount of such over-payment or erroneous payment from moneys payable to that banker in respect of any other money order. The power proposed to be taken will be in addition to the powers conferred by section 50 of the Ordinance, and the rules proposed to be made will be modelled on the regulations now in force in England in similar cases.

Minister for Communications and Works.

The following Draft of a proposed Ordinance is published for general information :—

	M. L. A.—B. 1396/L. D.—O. 34/36
	<b>An Ordinance to enable the Municipal Council of Galle to make and assess Differential Rates for the Municipal town of Galle, and to validate certain acts of that Council.</b>
	BE it enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—
Short title and date of operation.	1 This Ordinance may be cited as the Galle Municipal Council (Differential Rates) Ordinance, No.      of 1938, and shall come into operation on such date (hereinafter referred to as “the appointed date”) as the Governor may appoint by Proclamation published in the Gazette.
Power of Council to make and assess differential rates.	2 (1) Anything in any written law to the contrary notwithstanding, it shall be lawful for the Council, in making and assessing any rate or rates under section 115 of The Municipal Councils Ordinance, 1910, to make and assess, in respect of any particular area or areas within the town, any rate or rates differing from the rate or rates made and assessed in respect of any other area or areas within the town. (2) Subsection (1) shall cease to be in operation after the thirty-first day of December, 1942.

3 All rates made and assessed by the Council and all rates levied by the Council in purported pursuance of the powers conferred by The Municipal Councils Ordinance, 1910, during the period commencing on the twelfth day of November, nineteen hundred and ten and ending on the appointed date, shall at all times and for all purposes be deemed to be and to have been made, assessed, and levied as if the provisions of section 2 (1) had been in force during that period.

Validation of rates assessed and levied by the Council before the appointed date.

4 In this Ordinance, unless the context otherwise requires—

Interpretation.

“ Council ” means the Municipal Council of Galle ;

“ town ” means the area for the time being within the limits of the Municipality of Galle.

*Objects and Reasons.*

The entire Municipality of Galle does not get the benefit of such services as electric lighting and water. It has been the practice for some time to make and assess different rates in different parts of the town, areas benefited by the electric lighting and water services being assessed at a higher rate than areas not benefited by such services.

2. It was recently pointed out to the Municipality that section 115 of the Municipal Councils Ordinance, 1910, affords no authority for making and assessing different rates in respect of different parts of the town. As the levy of a uniform rate throughout the Municipality is likely to operate harshly on the ratepayers in areas not benefited by the services above mentioned, the Municipality wishes to continue its present practice of levying differential rates.

3. The object of this Bill is to validate all differential rates levied in the past and to provide for a continuance of the practice for a limited period during which the Municipality expects to extend the electric lighting and water services to the entire area not at present benefited by these services.

Minister for Local Administration.

2 (1) Any reference in any written law to the Irish Free State shall be construed as a reference to Eire.

(2) In this section, “ Eire ” means the territory which, in accordance with the provisions of the Irish Free State (Agreement) Act, 1922, and the Irish Free State Constitution Act, 1922; of the Imperial Parliament, was required to be styled and known as the Irish Free State.

Reference in written law to Irish Free State to be construed as reference to Eire.

2. The object of this Bill is to provide that any reference to the Irish Free State in any written law in force in Ceylon shall be construed as a reference to Eire with retrospective effect from the date on which the change of name became effective under the Imperial Act.
