(c) with a boat which forms part of the equipment of any other registered madela or hanadela or with any part of any other madela or hanadela.
16. The registration of any madela or hanadela shall be liable to cancellation if such madela or hanadela is not produced for inspection before the headman in accordance with the following provisions:—
(1) The Mudaliyar may, either of his own motion or on the application of any person who deposits with the Mudaliyar security in cash of such amount not exceeding ten rupees as the Mudaliyar may fix, order the registering headman of any area to appoint a place at which and a date on which every registered madela or hanadela in that area is to be produced for inspection before such headman.
(2) The headman shall give notice by beat of tom-tom of the appointed place and date, but such notice shall not be longer than is reasonably necessary to enable the madel or hanadel to be produced at such place on such date.
(3) The headman shall report to the Mudaliyar the registration number of every madela or hanadela which is not produced before him on the day appointed under paragraph (1), and shall give written notice to the owner of such madela or hanadela that his registration will be cancelled unless sufficient cause against such cancellation is shown to the Mudaliyar within 14 days.
(4) Where no cause or no satisfactory cause is shown within the time specified in paragraph (3), the registration of the madela or hanadela, as the case may be, shall be cancelled: Provided that if good cause is shown after the time specified in paragraph (3) and a satisfactory explanation of the delay is given, the Mudaliyar may, with the approval of the Assistant Government Agent, revoke any such cancellation.

- (5) When the Mudaliyar is of opinion that any application under paragraph (1) was made in bad faith or on frivolous or insufficient grounds, he may declare the deposit paid under that paragraph by that applicant to be forfeited, and in all other cases the deposit shall be refunded to the applicant.

17. All madel or hanadel registered for use in any waraya shall be cast according to the turns set out in the Second Schedule hereto.

18. The turn of each madela or hanadela shall terminate either upon its being drawn ashore or at the hour fixed for the commencement of the next turn, whichever is earlier: Provided that on each madela or hanadela being drawn ashore, the madela or hanadela which is next in turn may be cast although its turn has not arrived, and its turn shall be deemed to terminate either upon its being drawn ashore or at the end of the turn next succeeding the time at which the first mentioned madela or hanadela is drawn ashore.

19. After both ends of any madela or hanadela are drawn ashore, no person shall cast any other net within that madela or hanadela.

20. (1) The Assistant Government Agent may, by written order published in such places within the district and in such manner as to him may seem necessary or suitable, suspend for any period specified in such order the operation of regulation 9 (1), regulation 12 (2), or regulation 15 (c) in any waraya.

(2) The order referred to in paragraph (1) shall be filed in the register for the waraya to which such order applies.

(3) Where any order is made under paragraph (1) suspending the operation of regulation 15 (c) the headman shall note against each madela or hanadela in the register, the number of the additional boat or each of the additional boats with which such madela or hanadela may be used.

23. The hempen portion of the ihata of any net used in any of the warayas enumerated in column 1 of the Third Schedule hereto shall in no case be less than the measurement specified for that waraya in the corresponding item of column 2 of that Schedule.
