General Meeting.

Wednesday, April 5, 1939, at 3 p.m.

The Council met this day at 3 p.m., pursuant to notice, dated March 29, 1939.

Present :—Dr. V. R. Schokman, the Mayor, presiding; Dr. A. F. J. Casie Chitty; Dr. E. A. Coorey; Mr. R. F. S. de Mel; Mr. Geo. R. de Silva; Mr. J. R. Dharmasena; Mr. C. H. Z. Fernando; Dr. C. W. S. Fernando; Mr. D. S. Fonseka; Mr. A. E. Goonesinha, M.S.C.; Mr. N. M. M. Ishak; Mr. C. G. C. Kerr, C.A.; Mr. Merrill W. Pereira; Dr. A. Ratnapala; Mr. A. R. A. Razik, J.P., M.S.C.; Mr. M. L. M. Reyal; Mr. N. Saravanamuttu; Dr. R. Saravanamuttu, M.B.; Mr. S. Saravanamuttu; Mr. V. R. Somanathan; Mr. J. Tyagaraja; and the Municipal Commissioner.

1. The Minutes of the General Meeting of March 1, 1939, were taken as read and confirmed.

2. Pursuant to notice, Mr. J. R. Dharmasena, M.M.C., presented a petition from the land owners and tenants of 1st Maligakanda lane asking for the provision of water mains and lights and requested the Mayor to refer it to the appropriate Committee for report.

3. Pursuant to notice, Mr. Merrill W. Pereira, M.M.C., presented a petition from Dr. D. F. de S. Gunawardena seeking relief in respect of certain street lines, and requested the Mayor to refer it to the appropriate Committee for report.

4. Mr. R. F. S. de Mel, M.M.C., with the permission of the House, presented a petition from Mr. Harry Pereira of Shorts road, Slave Island, who had been employed as an Acting Playground Instructor for the past 11 years, and requested the Mayor to deal with it.

5. The Mayor replied as follows to the questions of which due notice had been given by Mr. J. R. Dharmasena :—

Q.—Is the Mayor aware of the use by several dealers in the City, specially in the Pettah area, of false weights and measures and thereby swindle the poor ratepayers? If so, will the Mayor please direct the Municipal Treasurer to start a vigorous campaign for the detection of such false weights and measures and the prosecution of such offenders? A.—Since 138 cases were instituted against persons using false and/or unstamped weights and measures resulting in fines amounting to Rs. 6,050 during 1938, the answer must be "Yes". A systematic campaign is carried out every year.

6. The Mayor replied as follows to the questions of which due notice had been given by Mr. J. R. Dharmasena :—

Q.—Will the Mayor please state whether Dematagoda road is a trunk road approved by the Government as such? If so, as there is a large amount of traffic taking this narrow road daily and the severe congestion involved as a result, will the Mayor please communicate with the Government and take early steps to have this road widened? A.—Dematagoda road is a trunk road. The whole question of trunk roads is being reviewed and the question of the widening of the Dematagoda road will also be placed before Government shortly.

7. The Mayor replied as follows to the questions of which due notice had been given by Mr. J. R. Dharmasena :—

Q.—When was the land acquired at Kirillapone as the proposed site for the Colombo South Cemetery? What was the total cost of its acquisition and what is the annual cost of its upkeep up to date? Q.—Is it being used for any Municipal purpose at present and if not, what is the loss to the ratepayers annually by way of interest on the capital sum involved in the acquisition of this property? A.—(a) In 1923 both for a Cemetery and a quarry. (b) Rs. 363,092.71 including filling by unemployed and cost of boundary wall and fencing. (c) The average annual cost of upkeep is Rs. 440. (d) No—but is reserved for use as a cemetery. (e) The land has risen in value and unless sold the question of profit or loss does not arise.

8. The Mayor replied as follows to the questions of which due notice had been given by Mr. J. R. Dharmasena :—

Q.—As auditing is an independent check on accounts of every department, does not the Mayor consider that the Internal Audit Branch at present under the Municipal Treasurer, should be an independent branch under the Municipal Commissioner? If so, will the Mayor kindly direct steps to be taken to give effect to it? A.—The Auditor-General serves as the independent Audit of the Council's finances. What is called the Internal Audit Branch is a specialised checking section of the Treasurer's Department which exercises a detailed check in regard to revenue and store accounts. I am of opinion that it serves a very useful purpose and should continue to function as at present.

9. The Mayor replied as follows to the questions of which due notice had been given by Mr. R. F. S. de Mel :—

Will the Mayor kindly state for the information of the members of this Council :—

(a) Q.—The total number of boutiques and tenements which are contained in the Housing Estate belonging to this Council at Kochchikade? (a) A.—354 tenements and 50 boutiques. (b) Q.—The total number of boutiques and tenements which are vacant to-day and the reasons for their being so vacant? (b) A.—86 tenements and 13 boutiques are vacant at present. The Municipal Treasurer suggests as a possible reason the insistence upon payments of two months' rents as a security deposit prior to occupation. There seems to be no demand for boutiques in addition to the number let. (c) Q.—The monthly rentals which are being charged by the Council for the various boutiques and tenements? (c) A.—Rent of tenement, upstairs, at Rs. 10 each per month; rent of tenement, downstairs, at Rs. 12·50 each per month; rent of tenement, ground floor, at Rs. 13·50 each per month; rent of 2 boutiques, at Rs. 60 each per month; rent of 1 boutique, at Rs. 45 per month; rent of 1 boutique, at Rs. 40 per month; rent of 1 boutique, at Rs. 32 per month (used as Police guardroom); rent of 9 boutiques, at Rs. 30 each per month; rent of 8 boutiques, at Rs. 25 each per month; rent of 28 boutiques, at Rs. 20 each per month; (d) Q.—The monthly income received during 1938 by the Council from the various boutiques and tenements? (d) A.—Rent for 1938 is as follows :—January, Rs. 4,505; February, Rs. 4,549·30; March, Rs. 4,549·55; April, Rs. 4,462; May, Rs. 4,344·35; June, Rs. 4,241·5; July, Rs. 4,226·75; August, Rs. 4,209·75; September, Rs. 4,305·25; October, Rs. 4,188; November, Rs. 4,074·25; December, Rs. 4,158·88. (e) Q.—The cost of maintenance of the Kochchikade tenements in the year 1938? (e) A.—Rs. 13,190·17 including insurance charges.

11. Pursuant to notice, Mr. Geo. R. de Silva, M.M.C., moved :—“ That His Excellency the Governor be requested through the Minister of Local Government to lend the services of the Commission that is investigating the Salaries and Cadre of the Government Service to report on the Salaries and Cadre of the Municipal Service ” and spoke on the necessity for an independent expert body to go into the question of salaries and cadres of the Municipal Services.
