The Chairman then moved that Mr. B. B. J. Mendis be appointed to the post of Inspector of Works on the terms and conditions as stated in the notice calling for applications. The motion was put to the Meeting and carried by 9 votes to 1, Mr. W. Dahanayake being against.

After some discussion on the matter the Chairman moved that Mr. V. B. Sathe be confirmed in his appointment as Municipal Engineer.—Carried unanimously.

4. To confirm the appointment of Mr. A. V. Chinniah as Superintendent of the Electricity Department.

The Chairman read out to Council in Committee a minute recently made by him against Mr. Chinniah and brought it to the notice of the Members that Mr. Chinniah had shown a complete lack of co-operation with the Acting Accountant in matters pertaining to accounts. He was, therefore, he said, unable to recommend the confirmation of this officer and was of opinion that the question should be deferred for some time. After a discussion on the matter Mr. A. C. Mohammado moved that the question of confirming Mr. Chinniah in his appointment as Superintendent of the Electricity Department be deferred for a period of six months. The Chairman seconded. The motion was put to the Meeting and carried by 7 votes to 4.

(8) To approve the payment of a sum of Rs. 10.70 to the Acting Inspector of Works being the expenditure incurred in travelling to and staying at Hiyare for the purpose of taking levels in connection with the Madola Augmentation Scheme.—Recommended that the payment be approved.

(9) To approve the appointment of a temporary clerk in connection with the revision of the lists of voters and Councillors for 1939, in terms of section 21 (b) of Ordinance No. 60 of 1935.—Recommended that a temporary clerk be appointed for a period of two months on a salary of Re. 1 per working day.

(10) Considered whether the cost of fixing water meters at premises should be recovered from the owner or occupier of the premises in terms of Water Works Regulation No. 36.—Recommended that the cost of fixing water meters be paid by the Council in all cases where meters are installed under Water Works By-law No. 20. Recommended, further, that the amounts already recovered in such cases be refunded to the payers.

(11) Considered the following matters in connection with the accounting of the Electricity Department :—(a) the purchase of Stores and Materials from an advance account instead of from expenditure votes ; (b) the "Reserve for Renewal" fund ; (c) the question of having a separate banking account for the Electricity Department ; (d) the question of recovering rates from the Electricity Department on all its buildings :—With regard to (a) the Chairman stated that the advance account system had been introduced from January 1, 1939, and was now in force. This was accordingly approved. With regard to (d) it was recommended that assessment rates be recovered from the Electricity Department on all its buildings with effect from 1940. With regard to (b) and (c) it was recommended that these matters be left to the new Council to decide.

(12) Considered an application from Messrs. Fentons, Ltd., to insert an advertisement on the Council's Electricity bills.—Recommended that tenders be called for, by public notice, for the right to advertise on the Council's electricity bills.

Resolution.

With regard to item (12) it was resolved by 9 votes to 2 that the recommendation of the Standing Committee be not adopted as the Council does not approve of advertisements appearing on its electricity bills.

The recommendations of the Standing Committee with regard to the remaining items were adopted.

9. The following motion which stood in the name of Mr. Thomas Amarasuriya was, with the permission of Council, withdrawn by the Member in view of letter No. E. 784 of May 25, 1939, from the Commissioner of Local Government :— "That the services of the Government Town Planner be obtained to advise this Council on a Town Planning Scheme."

10. Pursuant to notice Mr. A. I. H. A. Wahab moved :—"This Council is of opinion that offers of less than Rupees Five thousand should not be considered for ex-Shroff Jamaldeen's property now vested in the Council." Mr. W. Dahanayake in seconding suggested that the motion be amended by substituting "Rs. 5,225" for "Rs. 5,000" in view of the fact that the property was purchased by the Council for the former amount. The mover agreed to the suggestion and the motion, as amended, was then put to the Meeting and carried by 7 votes to 1.

11. Considered papers relating to the construction of a "V" shaped drain along the eastern side of Hirimbure road :—The Chairman explained that on March 15, 1939, the Council resolved to accept the tender of Y. L. George Silva for Rs. 525.08 and the work was accordingly entrusted to him. The Municipal Engineer had now pointed out that in reporting on the tenders he had made a mistake in calculating the amount of the accepted tender which should be Rs. 636.10 and not Rs. 525.08. The lowest tender in that case would have been the one submitted by R. B. de Silva for Rs. 592.91. Y. L. George Silva, however, was now prepared to accept payment according to the rates quoted by the lowest tenderer. It was, therefore, resolved that payment be made to him accordingly.

12. Considered an application from Dr. G. H. Arndt, Medical Officer of Health, for a loan of three and a half months salary to purchase a new car :—Resolved that a loan of 3½ months salary be granted, repayable in not more than 24 monthly instalments and with interest at 2½ per cent. on the amount outstanding.

13. At the conclusion of the business of the Meeting Mr. A. C. Mohammado moved a vote of appreciation of the services of the Chairman who, he said, had conducted their meetings in a very efficient manner and had done much for the improvement of the town.

Mr. W. Dahanayake associated himself with the remarks made by Mr. Mohammado and said that he appreciated the Chairman's fine sense of fairplay and justice which was characteristic of the best traditions of the Ceylon Civil Service.

The Chairman in reply thanked the Members for their kind references to him and said that the services he had been able to render had been made easy for him by a very loyal staff to whom he wished to pay a tribute.

Mr. F. Magdon Ismail spoke in appreciation of the services of the elected members who had not been returned to the new Council, and Messrs. Thomas Amarasuriya, E. M. Karunaratne, and J. E. Perera returned their thanks.

14. The following documents were laid on the table :—
