1 This Ordinance may be cited as the Municipal Councils Amendment Ordinance, No. of 1939.

Amendment of section 110 of Chapter 193.

2 Section 110 of the Municipal Councils Ordinance, (hereinafter referred to as "the principal Ordinance"), is hereby amended by the addition at the end thereof, of the following new paragraph, which shall have effect as paragraph (25) of that section:—

Repeal and replacement of section 188 of the principal Ordinance

Naming of streets and numbering of houses.

3 Section 188 of the principal Ordinance is hereby repealed and the following new section is substituted therefor:—

188. (1) The Council shall determine the name by which any street shall be known, and may at any time alter the name of any street.

(2) Before any private street is given a name or before the name of any private street is altered, the Council shall cause notice of the proposed name to be posted at either end of such street and to be given to the owners of land abutting such street; and any such owner may, within fifteen days after the posting of the notice or the date on which such notice is given, whichever is the later, object to the proposed name, by sending to the Council a written statement containing the grounds on which his objection is based. The Council shall, after considering the objections, if any, determine the name by which such private street shall be known.

In this sub-section, "private street" means a street over which the public have no right of way.

(3) The Council shall determine the number by which any house or tenement shall be distinguished and may alter such number from time to time as occasion may require.

(4) It shall be lawful for the Council to paint or otherwise mark or exhibit the name of any street or the number of any house or tenement on any private property, and from time to time to alter or renew such inscription of the name or the number, as the case may be, whenever such name or number is altered or the inscription becomes illegible.

(5) Any person who, without the authority of the Council destroys, pulls down, defaces, or alters any inscription of the name of any street or the number of any house or tenement which has lawfully been set up by the Council or sets up in any street any name different from the name lawfully given to such street or sets up in any house or tenement any number other than the number lawfully given to such house or tenement, shall be guilty of an offence.

(6) For the purposes of this section and of section 43 (1) (f) the word "street" includes any road, footway or passage used or intended to be used as a means of access to two or more houses or sites of houses whether the public have a right of way thereover or not, and any side-walk and reservation at the side thereof.

Amendment of section 269 of the principal Ordinance

Chapter 194.

4 Section 269 of the principal Ordinance is hereby amended as follows:—

(a) by the substitution, for the words "this Ordinance" of the words "this Ordinance or the Colombo Municipal Council (Constitution) Ordinance";

(b) by the substitution, for the words "before a Magistrate", of the words "before a District Judge, Magistrate".

*Objects and Reasons.*

The object of this Bill is to amend sections 110, 188, and 269 of the Municipal Councils Ordinance (Chapter 193).

2. The object of the amendment to section 110 proposed in Clause 2 is to enable a Municipal Council to make by-laws for the abatement of nuisances, including the prohibition, regulation and control of the use of gramophones, radio sets and other instruments automatically or mechanically producing or reproducing sound.

3. The purpose of Clause 3 is to repeal section 188 of the principal Ordinance and to substitute in its place a new section which will confer power on a Municipal Council to name all streets (both public and private) within the Municipality, to number houses and tenements, and to paint or exhibit the names of such streets and to affix the numbers of houses and tenements on private property. A name will not be given to a private street until the owners of property abutting on such street have been afforded an opportunity of objecting to the name proposed to be assigned thereto by the Municipality.

4. Sections 17 and 19 of the Colombo Municipal Council (Constitution) Ordinance (Chapter 194) provide that the offences specified in those sections shall be tried by a District Judge in the exercise of a special original jurisdiction; and section 75 of that Ordinance provides that municipal officers and servants who have a direct or indirect concern or interest in any contract of the Council shall, in certain circumstances, be guilty of an offence. Section 269 of the Municipal Councils Ordinance (Chapter 193) has to be read and construed as one with Chapter 194 and provides that prosecutions for offences made cognizable before a Magistrate or Municipal Magistrate must be instituted within three months of the date of the commission of such offence. The object of the amendment proposed in Clause 4 is to make express reference to the Colombo Municipal (Constitution) Ordinance in section 269 and to provide that a similar limitation of time shall apply in the case of offences made cognizable by a District Judge under that Ordinance.
