8. Where any return or information as to the extent of any land is found by the assessors to be false or incorrect the assessors may certify to the Chairman the correct extent of that land as ascertained by them.

9. The Chairman shall cause the extent of each cultivated land, as verified or amended and certified by the assessors, to be entered in a book to be known as the Acreage Register.

Notice of Assessment, Objections, and Appeal.

10. Upon the completion of the Registers referred to in the foregoing rules the Chairman shall cause a notice to be published in the village area that the registers are open for inspection to all owners of buildings and lands within built up localities and to owners of cultivated lands, as the case may be, and to the authorised agents of such owners, and that any such owner who is aggrieved by any finding of the assessors as to the annual value of any building or land or the extent of any cultivated land owned by him may file or cause to be filed, written objections against such findings at the Office of the Committee on or before a date not later than one month from the date of such notice.

20. If any person shall fail to pay the tax due from him either at the Office of the Village Committee as soon as may be after the tax becomes payable, or to a collector authorised by the Chairman in writing under his hand upon demand made by such collector, it shall be lawful for the Chairman and he is hereby thereunto authorised—

27. In the event of the sale of any property seized for non-payment of tax, the Chairman shall, after deducting the amount due on account of such tax, restore any surplus of the proceeds of such sale, to the owner of the property sold.

28. General Manager's Office,
Colombo, August 23, 1939. W. G. HILLS,
Acting General Manager.

TENDERS are hereby invited for supplying transport, labour, conservancy, scavenging, &c., for the Ceylon Defence Force, at the camp of exercise at Diyatalawa, from October 1, 1939, to September 30, 1942.

2. All tenders must be in duplicate, sealed and addressed to the Chairman of the Tender Board, General Treasury, Colombo, and must either be sent through the post (in which case they must be registered) or deposited in a box provided for that purpose in the Treasury. Any tender which is brought before the Board through any other channel will not be taken into consideration.

3. Tenders should be marked "Tender for transport, &c., of the Ceylon Defence Force", in the left hand top corner of the envelope, and should reach the office of the Chairman, Tender Board, General Treasury, Colombo, not later than midday on September 12, 1939.

4. Tenders are to be made in forms which will be supplied on application at the Ceylon Defence Force Headquarters, Slave Island, and no tender will be considered unless it is on the recognized form.

5. A deposit of Rs. 50 only, will be required to be made either at the Treasury or Kachcheri, and a receipt produced for the same before any form of tender is issued. Should any person decline to enter into the contract and bond, or fail to furnish approved security within ten days of receiving notice in writing from the Head of the Department, or his duly authorized representative that his tender has been accepted, such deposit will be forfeited to the Crown and the defaulter will render himself liable to be included in the list of Crown Defaulting Contractors precluded from having any concern in a Government contract. All other deposits will be returned upon signature of a contract.

6. Each tender must be accompanied by a letter signed by two responsible persons whose addresses must be given engaging to become security for the due fulfilment of the contract.

7. Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of security required will be Rs. 150. All other necessary information can be ascertained on application at the office referred to in section 4 above.

8. No tender will be considered unless in respect of it all the conditions above laid down have been strictly fulfilled.

9. The contractor's obligations and rights under this contract shall not be assigned or otherwise transferred or sub-let without the consent and authority of the Deputy Financial Secretary. The contractor shall not be a person whose name is on the list of Crown Defaulting Contractors, nor shall he issue a power of attorney to any person whose name is on such list for carrying on work under the contract. Any breach of this article of agreement shall render the agreement liable to cancellation without any compensation to the contractor.

(a) No contract shall be entered into with any person whose name is on the list of Crown Defaulting Contractors either individually or jointly with any other person nor shall the contractor employ any person whose name is on the list of Crown Defaulting Contractors or any other person to whom the Staff Captain, Ceylon Defence Force, for reasons which appear to him sufficient, objects after giving due notice of his objection in writing.

(b) Tenderers who have not previously held Government contracts, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving their full names and permanent addresses, stating in which district or districts they owned landed property or other interests. The extent of landed property and the nature and extent of other interests should also be given. In the case of persons who have carried out contracts with the Ceylon Defence Force Department, but not in the division or district concerned in the notice calling for tenders, they should state in which division or district or divisions or districts they held contracts. In the case of persons who have carried out Government contracts with departments other than the Ceylon Defence Force Department, the name of such department and the district in which the service was rendered should be stated.

10. The successful tenderer will except as stated below be required to employ only Ceylonese labour in carrying out the work tendered for. If for any reason the tenderer is unable to employ only Ceylonese labour for the work, he shall state in his tender the maximum percentage of non-Ceylonese labour which he proposes to employ on the work. The Tender Board (or the Head of Department, as the case may be) will give preference, other things being equal, to the tenderer who undertakes to employ only Ceylonese labour and failing that to the tenderer who specifies the lowest percentage of non-Ceylonese labour which he proposes to employ for the work, and will normally reject the tenders of tenderers who specify a percentage of

non-Ceylonese labour which he proposes to employ for the work which appears to the Tender Board or the Head of Department to be unnecessarily high.

The employment of Ceylonese labour only to carry out the work tendered for or the employment of a definite percentage only of non-Ceylonese labour for such work will be made a condition of the contract, and the failure on the part of the successful tenderer to fulfil this condition will be treated as a breach of the terms of the contract and will render the contractor liable to have the contract cancelled, and in addition to pay a penalty of one Rupee a day for each non-Ceylonese labourer employed by him on work or for each non-Ceylonese labourer employed by him over and above the percentage of non-Ceylonese labour which he is permitted to employ on the work in terms of his contract. The word "Ceylonese" shall mean and include all persons born in Ceylon and no others.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

Staff Captain, Ceylon Defence Force.

3. Tenders should be marked "Tender for washing blankets, &c., of the Ceylon Defence Force," in the left hand top corner of the envelope and should reach the office of the Chairman, Tender Board, General Treasury, Colombo, not later than mid-day on September 12, 1939.

In the case of persons who have carried out Government contracts with departments other than the Ceylon Defence Force Department, the name of such department and the district in which the service was rendered should be stated.

10. The successful tenderer will except as stated below be required to employ only Ceylonese labour in carrying out the work tendered for. If for any reason the tenderer is unable to employ only Ceylonese labour for the work, he shall state in his tender the maximum percentage of non-Ceylonese labour which he proposes to employ on the work. The Tender Board (or the Head of Department, as the case may be) will give preference, other things being equal, to the tenderer who undertakes to employ only Ceylonese labour and failing that to the tenderer who specifies the lowest percentage of non-Ceylonese labour which he proposes to employ for the work, and will normally reject the tenders of tenderers who specify a percentage of non-Ceylonese labour which he proposes to employ for the work, which appears to the Tender Board or the Head of Department to be unnecessarily high.

The employment of Ceylonese labour only to carry out the work tendered for or the employment of a definite percentage only of non-Ceylonese labour for such work will be made a condition of the contract, and the failure on the part of the successful tenderer to fulfil this condition will be treated as a breach of the terms of the contract and will render the contractor liable to have the contract cancelled, and in addition to pay a penalty of one Rupee a day for each non-Ceylonese labourer employed by him on work or for each non-Ceylonese labourer employed by him over and above the percentage of non-Ceylonese labour which he is permitted to employ on the work in terms of his contract. The word "Ceylonese" shall mean and include all persons born in Ceylon and no others.

11. The Government reserves to itself the right, without question, of rejecting any or all tenders and the right of accepting any portion of a tender.

J. H. SMITH, Captain,
Staff Captain, Ceylon Defence Force.

Ceylon Defence Force Headquarters,
Slave Island, August 22, 1939.

5. The tenders must be on forms, which will be supplied upon application at the Kachcheri and no tender will be considered unless it is on the prescribed form.

6. All alterations and erasures in tenders must be initialled by the tenderers.

7. A deposit of Rs. 2 will be required to be made at the Kachcheri and a receipt produced for the same before any form of tender is issued. Should any tenderer decline or fail to enter into a contract or fail to furnish security within four days of receiving notice in writing that his tender has been accepted, his deposit of Rs. 2 will be forfeited to the Crown. Notice of acceptance of the tender will be deemed to have been received by the tenderer if it has been sent by post addressed to him or left at the address given by him. The security to be furnished shall be not less than Rs. 25.

The successful tenderer will except as stated below be required to employ only Ceylonese labour in carrying out the work tendered for. If for any reason the tenderer is unable to employ only Ceylonese labour for the work, he shall state in his tender the maximum percentage of non-Ceylonese labour which he proposes to employ on the work and preference will be given to the tenderer who undertakes to employ only Ceylonese labour and failing that to the tenderer who specifies the lowest percentage of non-Ceylonese labour which he proposes to employ for the work. A tenderer who specifies a percentage of non-Ceylonese labour which he proposes to employ for the work, which appears to the Assistant Government Agent to be unnecessarily high, will normally be rejected.

The employment of Ceylonese labour only to carry out the work tendered for or the employment of a definite percentage only of non-Ceylonese labour for such work will be made a condition of the contract, and the failure on the part of the successful tenderer to fulfil this condition will be treated as a breach of the terms of the contract and will render the contractor liable to have the contract cancelled, and in addition to pay a penalty of Rs. 5 a day for each non-Ceylonese labour employed by him on work or for each non-Ceylonese labour employed by him over and above the percentage of non-Ceylonese labour which he is permitted to employ on the work in terms of his contract. The word "Ceylonese" shall mean and include all persons born in Ceylon and no others.

8. The Assistant Government Agent, Mannar, reserves to himself the right without question of rejecting any or all tenders.

9. The Assistant Government Agent, Mannar, may, for reasons which appear to him sufficient give notice in writing of his objection to the employment by the contractor of any person specified in such notice and no such person shall be employed by the contractor.
