(2) Where the cost of supplying a part only of the educational needs of any area is to be borne by the Municipal Council, District Council or Village Committee constituted for that area, such part shall be defined in the Proclamation issued under sub-section (1) in respect of that area and may thereafter be redefined from time to time by further Proclamations issued in that behalf.

18 (1) Every local education scheme shall provide for the delegation, by the urban or rural education authority, to a committee to be known as the local education committee whether with or without any conditions or limitations as that authority thinks fit, of all the powers, duties or functions conferred or imposed on or vested in such authority by the provisions of this Part and by the local education scheme, save only the power of voting or providing money or levying a rate or borrowing money or appointing officers or keeping and auditing accounts.

(2) The power to borrow moneys conferred by sub-section (1) shall be subject always to any limitation imposed for the time being by any other written law relating to the constitution of Municipal Councils, District Councils or Village Committees, as the case may be, upon the powers of any such Council or Committee to borrow moneys for the purposes of such other law.

Cap. 203.

23 Any private land or building which may be required by an urban or rural education authority for the purposes of this Part may be acquired by the Crown for such purposes under the provisions of the Land Acquisition Ordinance, or of any other Ordinance for the time being in force providing for the acquisition of private land or buildings for public purposes. When the urban or rural education authority has paid the compensation awarded, the Governor may transfer such land to the urban or rural education authority by a writing under the hand of the prescribed officer to the effect that the same has been transferred to the urban or rural education authority and any such land or building when no longer required for the purposes of this Ordinance may be dealt with by the urban or rural education authority in like manner as any other land or building the title to which is vested in that authority.

authority under this Part; and those accounts shall be made up in like manner and subject to the same provisions as in the case of a Municipality or District Council or Village Committee, as the case may be, and shall be audited by the Auditor-General or an officer authorised by him (hereinafter referred to as the auditor).

(2) Any member or officer of an urban or rural education authority, local education committee or local education sub-committee or any officer concerned or employed in carrying the provisions of this Ordinance into execution who being liable to account refuses to allow any such auditor, when so authorised or required to make the inspection, or obstructs him in his inspection or conceals any such account or book for the purpose of preventing inspection thereof, shall be guilty of an offence and shall be liable on conviction after summary trial before a Magistrate to a fine not exceeding one hundred rupees.

25 (1) Every auditor of a local education fund created under this Ordinance, acting in pursuance of the powers conferred upon him by this or any other Ordinance, shall disallow every item of expenditure which is contrary to law, and surcharge the same on the person making or authorising the making of the illegal payment, and shall charge against any person the amount of any deficiency or loss incurred by the negligence or misconduct of that person and any amount which ought to have been, but is not, brought into account by that person, and shall in each case certify the amount due from such person and communicate his decision in writing to such person through the Chairman of the urban or rural education authority, provided that no expenses paid by the urban or rural education authority shall be disallowed by any such auditor if such expenses have been sanctioned by the Executive Committee.

(2) Before making any disallowance or surcharge against any person, the auditor shall afford an opportunity to such person to be heard or to make any representation with regard to the matter which he may think fit, and shall in the event of his making such disallowance or surcharge furnish such person in writing, on application being made to him for that purpose, with the reasons for his decision in respect of such disallowance or surcharge.

(3) Any person aggrieved by any such disallowance or surcharge may, within fourteen days after the date of the decision of the auditor being communicated to him, appeal therefrom to the Financial Secretary :

Provided that no such appeal shall be entertained in any case in which the appellant has failed or neglected to make any representation with regard to the matter of such disallowance or surcharge after an opportunity to do so has been afforded to him by the auditor in accordance with the provisions of sub-section (2).

(4) Any such appeal shall be decided by the Financial Secretary according to the merits of the case and the Financial Secretary may, by order, direct the recovery from the appellant of the whole or any portion of the amount disallowed or surcharged, if he thinks fit to do so; and if he finds that any disallowance or surcharge has been lawfully made, but that the subject-matter thereof was incurred in such circumstances as to make it fair and equitable, that the disallowance or surcharge should be remitted, the Financial Secretary may, by order direct that the same shall be remitted, but that the amount of the costs and expenses which may have been incurred by the auditor in the enforcing of such disallowance or surcharge or any portion thereof, shall be recovered from such person.

(5) Any amount directed to be recovered from any such person by any order made by the Financial Secretary under this section may forthwith be recovered by the urban or rural education authority in the same manner as any sum certified to be due by an auditor is recoverable under the provisions of this section.

(6) Every sum certified to be due from any person by any auditor as aforesaid shall be paid by such person to the urban or rural education authority within fourteen days after the decision of the auditor has been communicated to such person, unless there is an appeal against the decision and if such sum is not so paid and there is no such appeal, it shall be the duty of the urban or rural education authority to recover the same from such person, and any sum so certified, together with all costs and expenses incurred in connection with the enforcement thereof, may, on application to a Magistrate having local jurisdiction, be recovered in the same manner as if it were a fine imposed by such Magistrate.

(4) The Director may for the breach of any of the provisions of this section withhold or refuse to pay any grants from the public funds.

31 (1) Upon the recommendation of the proprietor of an Assisted school, the Director may from time to time appoint any person to be the manager of that school and may suspend or remove from office any manager so appointed.

(2) The Director may, for reasons to be stated by him in writing and communicated to the proprietor of an Assisted school, refuse to appoint as the manager of that school the person recommended by the proprietor and may require the proprietor to recommend some other person as manager.

(3) In the event of the proprietor of an Assisted school refusing or neglecting or being unable to recommend for appointment as manager of that school a person who appears to the Director to be suitable, it shall be lawful for the Director in his discretion to appoint a suitable person as manager.
