Interest to resident holders will be paid without deduction of Income Tax, but resident holders liable to Income Tax must include such interest in their income tax returns. Deduction of tax at source will be made from holdings by non-residents, other than Empire Governments. (Current rate of income tax is 15 per cent in the case of non-resident individuals and 18 per cent in the case of non-resident companies.) Persons who are exempt from Ceylon Income Tax will be entitled to repayment of the tax deducted. Holdings of Charities and Governments of Empire countries are exempt from Ceylon Income Tax.

Repayment.—(a) The loan will be repayable at the General Treasury, Colombo, at the rate of Rs 101 for each Rs 100 nominal value, plus any interest accrued but unpaid, ten years from the date of purchase, when interest will cease.

(b) Repayment of the loan at par, plus any interest accrued but unpaid, may be obtained on six months' notice given by the stockholder in writing, at any date, to the Registrar, Public Debt Office.

(c) In a case of private emergency a stockholder desiring repayment without such notice may apply to the Registrar, Public Debt Office, who on being satisfied of the need will repay the loan at par, with accrued interest to date of application, less a deduction equal to six months' interest.

Transfers.—The loan will be transferable in units of Rs. 100. The onus of seeing that a transfer does not increase a transferee's holding above the maximum holding of Rs 15,000 will rest on the transferee. (Please see in this connection paragraph under heading "Limit of Holding".)

Application Forms.—Application forms may be obtained at the Public Debt Office, General Treasury, Colombo, or at any Kachcheri, or at any Post Office, or at any of the Banks mentioned above.

Capitation tax.

Exemption.

1. The following classes of persons are hereby exempted from the liability to pay the capitation tax.—

- accredited priests or ministers of any religious denomination,
- members of the Ceylon Defence Force;
- railway telegraph linesmen, and
- persons over 55 years of age.

Preparation of lists.

2. The person or persons authorised in that behalf in writing by the Chairman shall, on or before December 1 in each year, prepare, in such form as may be specified by the Chairman, a list of all persons resident within the village area who are liable to pay the capitation tax for the next succeeding year.

3. The chief occupier of every house shall, whenever required by the Chairman or by any duly authorised person, fill in to the best of his knowledge any form supplied to him for the purposes of the preparation of the list, or furnish all such information, written or oral, as may be required, relating to the number of persons resident in the house (including the house-holder himself), and the name, age, race, and other particulars of each such person.

4. The list prepared in each year shall be kept at the office of the Committee or at any other suitable place appointed by the Chairman and shall be open for inspection to the public from December 1 to 31 of that year.

5. Any person whose name is included in the list may by a written statement, addressed to the Chairman on or before January 31 next succeeding, object to the inclusion of his name in the list on the ground that he is not a voter, or that he has ceased to be resident in the village, or that he is exempted by by-law 1 from the liability to pay the capitation tax. The Chairman shall, after holding such inquiry as he may consider necessary, make such order as may seem to him just.

6. Any person not already exempted under by-law 1 may, on or before February 15, make a written application to the Chairman for exemption from the liability to pay the capitation tax for that year. The Chairman may exempt such person from such liability for that year, or for life, or for such other period as he may think fit, on the ground that such person is by reason of bodily infirmity or disease, incapable of performing labour.

7. The list shall be revised in accordance with the orders made by the Chairman under by-law 5, and with the exemptions granted under by-law 6, and shall be certified under the hand of the Chairman on or before March 1, as the final list of the persons liable to pay the capitation tax for that year.

- (a) prepare a programme of all the items of work which have to be constructed or maintained during that year,
- (b) determine the number of days for which each person included in the final list should be called upon to perform labour for that year in payment of the capitation tax due from him,
- (c) determine the rate, not exceeding 50 cents in respect of each day, at which the labour due from any person may be commuted by payment of money.

(2) Notice of the matters determined by the Committee under paragraph (1) shall be published by the Chairman as soon as may be, by beat of tom-tom in the village area and by the exhibition of written notices in conspicuous places in that area.

9. In the case of any item of work not included in the programme referred to in by-law 8 (1), any person included in the final list may be called upon to contribute labour for an additional period, but so, however, that the total period for which any one person may be called upon to perform labour in any year does not exceed ten days.

Commutation of tax.

10. Any person whose name is in the final list prepared for any year may commute his liability to perform labour for that year by making payment of money, at the rate determined by the Committee under by-law 8 (1), on or before March 31 or such later date in that year as the Committee may fix with the approval of the Executive Committee of Local Administration.

11. Not less than one week before the date appointed by the Chairman for the commencement of any item of work, information shall be given in the village area by beat of tom-tom, and by the exhibition of written notices under the hand of the Chairman, specifying the place at which the work is to be done, the persons who are required to perform the labour necessary, the number of days for which each person has to contribute labour and the hours of work on each such day. The persons required to contribute labour may be described in the notice either by name or as inhabitants of any specified village or part of a village or group of villages.

12. (1) Every person who elects to commute his liability to perform labour by making payment of money shall pay the money to such officer and at such place as may for the time being be appointed by the Committee.

(2) A written receipt in such form as may be provided for the purpose by the Committee shall be issued under the hand of the officer to whom such payment is made.

Performance of labour

13. Every person whose name appears in the final list referred to in by-law 7 and who has not commuted his liability to perform labour shall attend with such implements and tools as may be necessary and perform labour on the days and at the time and place specified in such notice as may be issued, exhibited or published by the Chairman in that behalf.

Performance or commutation of double labour.

14. Every person who fails to perform labour on any day on which he is required to do so by by-law 13 shall be deemed to be in default on that day and shall be liable to perform double labour, that is to say, labour for two days in respect of each day on which he is in default.

15. Any person who is liable to perform double labour may commute his liability to perform such double labour by making payment of money at the rate determined under by-law 8 (1).

Provided that no person shall be permitted to make payment of money in commutation of the liability to perform such double labour after the expiry of a period of one month from the earliest day in respect of which he is in default.

16. Every person who is liable to perform double labour under by-law 14 and has not made payment in commutation thereof under by-law 15 shall attend with such implements and tools as may be necessary and perform labour on such days and at such time and place as may be specified in a notice which shall be issued by the Chairman. Such notice shall not require any person to perform labour for any period exceeding in length the total number of days for which such person is liable to perform labour under by-law 14.
