I may also state that I have in view a proposal to form a Municipal Town Guard to assist, in case of emergency, in the evacuation of the surplus or unwanted population in the City.

The Mayor stated that he meant to vary the usual procedure with regard to the consideration of the Budget by inviting a general discussion on the Budget before the Council goes into Committee.

Sir Mohamed Macan Markar stated that in his opinion the procedure adopted with regard to the consideration of the Budget in the first instance by the Five Standing Committees was wrong. The Budget should be considered by the Standing Committees severally at least in as much as it concerned each Committee. He also felt that owing to the new developments in the War it would not be wise to carry out the Extraordinary Works already budgetted for as a matter of course. Each item should be brought up before the Council for a decision of the Standing Committee it should be put into effect.

as to whether it should be put into effect.

Mr. J. R. Jayawardene agreed with Sir Mohamed Macan Markar and added that the Budget should have been considered even by Committee which was composed of the Chairmen of the Standing Committees. He suggested that this procedure should be followed in future.

Mr. Gilbert Perera also supported the remarks of Sir Mohamed Macan Markar

The Mayor explained the present procedure which he said was the most practical. He also explained why Mr. J. R. Jayawardene's suggestion was not practicable, the Standing Committees and their Chairmen not being constituted in the same manner as those of the State Council. He however undertook to bring the question of Budget Procedure before the House later when a decision within the Law can be made. With regard to the suggestion regarding Extraordinary Works he stated that the detailed estime's for all works will be submitted to Council before work is put in hand. The Council can then decide finally whether such work is the proceeded with or not. Ordinary maintenance expenditure will proceed as usual.

The Mayor moved that the Council do resolve itself into a Committee of the whole Council to consider the Budget for 1942.

Mr. B. E. S. de Mel seconded — Carried

Mr. R. F. S. de Mel seconded.—Carried.

Council in Committee-

A Budget for 1942 containing:—(a) An estimate of available Municipal Income. (b) Detail of proposed expenditure for 1942 which were circulated among the Councillors and submitted to the Council according to the provisions of section 97 (1) and after compliance with section 96, respectively, of the Municipal Councils Ordinance (Chapter 193), were finally considered by the Council in terms of section 98

Mr. Geo. R. de Silva inquired whether it was necessary to budget for a deficit judging from the statement of expenditure up to the end of October, 1941. Previous experience showed that though a deficit was budgeted for no deficit resulted.

The Mayor explained that though that was the experience it would be safer to budget for a deficit.

ESTIMATED REVENUE.

D. Markets.-Mr. Gilbert inquired whether the increase in market rents recently passed by the Council was taken into account in this Estimate. The Mayor replied in the negative.

Page 3. B. 21 Advocates', Proctors', and Notaries' Certificates.—Mr. J. R. Jayawardene inquired why only Rs. 11 was collected for 8 months of 1941. The Mayor replied that the amount of these fees is collected by the Central Government and one cheque for the whole amount is sent, usually in September of each year.

Page 4. H. 56 Boutiques, Gasworks street and 5th Cross street.—Mr. K. Adamaly inquired whether action was being taken to increase the rents. The Mayor explained that he had asked for lists to be prepared of all Council's properties in accordance with the decision of the Council on the recommendations of the Special Committee on rents; and the matter will come up before the Council.

Page 5. L. 87 Trumbroads.—Mr. N. Saravanamuttu inquired why the Government vote had been reduced again this year and stated that the Council should consider handing back the trunk roads to Government for maintenance by them. The Mayor stated that if that was the wish of the House it could be done but he would not advise such a step as Government might spend less and give us worse roads.

ESTIMATED EXPENDITURE.

Sir Mohamed Macan Markar moved that a cut of 10 per cent. be made on all maintenance and recurrent expenditure except salaries allowances and wages. Mr. J. R. Toussaint seconded.—Carried.

Page 7. A. 3-1940 Contribution to Duke of Gloucester Fund.—Mr. N. Saravanamuttu moved that the vote of Rs. 200,000 for this see be restored in the Budget for 1942. Dr. E. A. Coorey seconded.

Mr. P. Givendrasingha opposed the motion and moved as an amendment that the money be voted for local defence purposes. Mr. J. R. Jayawardene seconded.

R. Jayawardene seconded.

Mr. Gilbert Perera opposed the motion and supported the amendment.

Dr. A. P. de Zoysa opposed the amendment and suggested that the money might be set apart for War Emergencies.

Mr. S. Saravanamuttu and Mr. M. L. M. Reyal supported the motion.

Dr. E. A. Coorey suggested that if the law permutted it the money should be voted to the War Purposes Fund for the purchase of 'Planes or Tanks.

The Mayor explained that it would be possible at the discretion of the Governor. Sir Mohamed Macan Markar moved as an amendment that the money be voted to the War Purposes Fund to be used at the Governor's Dr. E. A. Coorey seconded.

Mr. N. Saravanamuttu replied and agreed to accept the amendment of Sir Mohamed Macan Markar.

The amendment of Mr. P. Givendrasingha was put to the House and lost.

The amendment of Sir Mohamed Macan Markar was then put to the House as the substantive motion and carried.

Page 8. D. 32 Volunteer Band for Public Performances.—Mr. Justin Kotelawala moved that the vote be set apart for the purchase of wireless sets, loudspeakers, chairs, &c., and to provide music in the Playgrounds instead of for the Volunteer Band. Mr. J. R. Jayawardene seconded

Mr. P. Givendrasingha and Mr. S Saravanamuttu opposed the motion.

Mr. Justin Kotelawala replied.

The motion of Mr. Justin Kotelawala was put to the House and lost.

Page 8. D. 36 War Allowance to Municipal Employees.—Mr. J. R. Jayawardene moved that this vote be increased. The Mayor explained that certain facts and figures were being prepared to be submitted to Council. He expected that these would be ready to enable the question to be brought up in January, 1942.

Page 14. I. (k) Extraordinary (Road Improvements).—Mr. M. F. Ghany moved that a sum of Rs. 30,000 be provided for the widening of Sameera's lane. The Mayor explained that this was against the policy laid down by the Council recently that road widening should be from loan funds. He also urged that such projects might wait till better conditions prevailed.

The motion was put to the House and carried.

Mr. M. L. M. Reyal stated that he too wanted provision made for the improvement of a road in his Ward.

Mr. Gilbert Perera moved that provision be made for the extension of Davidson road. Mr. J. R. Jayawardene seconded.

The Mayor moved that the following amendments which had to be made in the Budget since it was considered by the Five Standing Committees be passed.— Committees be passed :-

Special Budget Meeting.

Ø

Wednesday, December 17, 1941, at 3 p.m.

The adjourned meeting of the Council on December 10, 1941, was held this day at 3 P.M. pursuant to notice, dated December 11, 1941.

Present:—Dr. R. Saravanamuttu, M.B., Mayor, presiding; Mr. Geo. R. de Silva, Deputy Mayor; Mr. F. A. Bond; Dr. A. F. J. Casie Chitty; Dr. E. A. Coorey; Mr. R. A. de Mel; Mr. R. F. S. de Mel; Mr. J. R. Dharmasena; Dr. S. D. Fernando; Mr. D. S. Fonseka; Mr. M. F. Ghany; Mr. P. Givendrasingha; Mr. J. R. Jayawardene; Mr. Justin Kotelawala; Sir Mohamed Macan Markar; Dr. A. Ratnapala; Mr. M. L. M. Reyal; Mr. N. Saravanamuttu; and Mr. J. R. Toussamt.

The Acting Municipal Commissioner, the Municipal Engineer, and the Municipal Treasurer were present.

The Mayor explained to the House the exact financial position of the Council detailing the distribution of funds among the various heads of expenditure. He also pointed out that the 10 per cent. cut on all Maintenance and Recurrent Expenditure they had passed at the previous meeting would bring in Rs. 200,000 which was equal to the sum they had voted to the War Purposes Fund. He asked the Members to pass the Budget as presented with the addition of the Rs. 200,000 voted to the War Purposes Fund. If they now interfered with the draft Budget they might not be able to balance the Budget. He informed the House that all the new items would be brought before them for further consideration before the work was taken in hand.

- Mr. R. A. de Mel proposed that the Budget as presented be passed with the amendment suggested by the Mayor. Mr. N. Saravanamuttu seconded.
- Mr. J. R. Dharmasena suggested that provision be also made for the items sent in by Members, the same policy as for other new items being adopted.

The Mayor explained the difficulties that would arise and urged that the Budget be left as it is.

- Mr. M. L. M. Reyal stated that at present only a section of the Council's employees received a War Allowance. The other section too was affected by the increased cost of living. He therefore suggested that those who now drew an allowance be given an increase of 50 per cent. on their present allowances and those who get no allowance be given a flat rate of Rs. 20 a month.
 - Mr. P. Givendrasingha inquired whether every labourer in the Council's employ was receiving a War Allowance.

The Mayor stated that every labourer was in receipt of Rs. 3·50 per month as allowance. He also assured the House that the matter would be considered by the Finance Committee in January and a scheme submitted to Council.

Mr. R. F. S. de Mel asked for the provision of Rs. 500 for the printing of maps for the Report on Re-housing and Slum Clearance.

The Mayor stated that if the matter was urgent he would sanction the payment pending Council's sanction.

Mr. N. Saravanamuttu asked the Mayor to consult the Petrol Controller on the question of the effect of rationing on the Municipal vehicles used for sanitation purposes which cannot be curtailed.

The Mayor explained that he was taking action in the matter.

- Mr. M. L. M. Reyal suggested that the Municipal Rice Depots should be open to the Public from 8 A.M. to 7 P.M.
- Dr. E. A. Coorey agreed and said that the depots should be kept open particularly in the evening.
- Mr. D. S. Fonseka complained that the Sundry Boutique Keeper was unable to get rice from the Dealer at the control prices and asked the Mayor to help them in the matter.
 - Mr. P. Givendrasingha suggested that there should be more Depots run by the Council.
 - . Sir Mohamed Macan Markar stated that there should be more Depots run by the Council irrespective of the cost.

The Mayor explained the present procedure adopted by the Council and the Council's position in the matter which prevented their interference with the dealers or boutique keepers.

He however undertook to do whatever he could in the matter and informed the House that it it was their wish that the Council should run more Depots even at additional expense to the Council he was prepared to take necessary action to do so.

The motion that the Budget should be passed was put to the House and carried.

The Mayor moved that the Council do resume. Mr. R. F. S. de Mel seconded.—Carried.

Council resumed.

The Mayor formally moved in Council that the Budget for 1941, with the following amendments made in Committee, be adopted:—A cut of 10 per cent. on all Maintenance and Recurrent Expenditure except Salaries, Allowances and Wages; the addition of a sum of Rs. 200,000 as a contribution to the War Purposes Fund; The amendments shown in the list submitted by the Municipal Treasurer and embodied in the minutes of the meeting of December 10, 1941. Mr. R. F. S. de Mel seconded.—Carried.
