7. Section 276 of the Municipal Councils Ordinance (which prescribes that certain sections of the principal Ordinance shall apply to the towns of Kandy and Galle) is hereby amended, in sub-section (1) of that section, by the substitution, for the figures "18, 19, 20," of the figures "18, 19, 19A, 20,"

Amendment of section 276 of Chapter 193.

*Objects and Reasons.*

The object of this Bill is to amend the Colombo Municipal Council Waterworks Ordinance (Chapter 161) so as—

- (a) to provide for the licensing of plumbers qualified to undertake the execution of waterworks and the repair, extension or alteration of such works,
- (b) to provide for the revision of the apportionment of the cost of laying, enlarging or extending a water-main along a private street after the date of the completion of the work, and
- (c) to authorise the levy of fees for the supply of water, through external taps, for horses or cattle or for washing vehicles.

2. The purpose of Clause 3 of the Bill is to amend section 11 of the principal Ordinance so as to provide that waterworks and repairs, extensions and alterations of such works shall be executed either by the Waterworks Engineer or by qualified plumbers licensed by the Municipal Council and working under the orders of the Waterworks Engineer. Clause 6 of the Bill extends the power to make regulations, so as to include power to make regulations for the licensing of plumbers, the levy of fees for such licences, the cancellation of such licences, &c.

3. Clause 4 of the Bill enables the Council to revise the apportionment, made under section 16 (1), of the cost of laying, enlarging or extending a water-main along a private street. The power to revise an apportionment will not include power to increase the sum which the owner of any premises is liable to pay under the original apportionment.

4. The use of water for horses or cattle or for washing vehicles which are not kept for sale or hire is, under the existing law, a use of water for domestic purposes. The purpose of Clause 5 is to add to the principal Ordinance a new section which will enable the Municipal Council to recover a special charge where water used for such domestic purposes is supplied through an external tap.

5. The consequential amendment of section 276 of the Municipal Councils Ordinance (Chapter 193) which is dealt with in Clause 7 will extend the provisions of the new law to the Municipalities of Kandy and Galle.

Minister for Local Administration.
