DRAFT ORDINANCES.

MINUTE.

The following Draft of a proposed Ordinance is published for general information:—

L. D.—O. 76/38

**An Ordinance to validate certain marriages registered under the Muslim Marriage and Divorce Registration Ordinance and for purposes incidental to the matters aforesaid.**

WHEREAS it is provided by section 21 (2) of the Muslim Marriage and Divorce Registration Ordinance, (hereinafter referred to as "the principal Ordinance"), that a Kathi may inquire into and deal with any complaint made against a Wali who unreasonably withholds his consent to the marriage of a woman, and authorise such marriage against the express wishes of the Wali, and that, where a woman has no Wali, a Kathi may authorise the registration of the marriage and dispense with the necessity for the consent of a Wali:

Chapter 99.  
(Volume III.,  
page 176).

And whereas under section 21 (3) of the principal Ordinance all inquiries for the purpose of section 21 (2) must be held as nearly as possible *mutatis mutandis* in accordance with the rules in the Third Schedule to that Ordinance:

And whereas a Kathi holding any such inquiry is required by rule 4 in the said Third Schedule to empanel three Muslim assessors for the purpose of assisting him in the inquiry:

And whereas certain Kathis have by inadvertence omitted to empanel assessors to assist them in inquiries held under

the said section 21 (2) for the purpose of authorising the marriages or the registration of the marriages which are referred to in the Schedule to this Ordinance :

And whereas it is expedient to make provision that the said omission shall not affect the validity of any such marriage or of the registration of any such marriage :

Be it, therefore, enacted by the Governor of Ceylon, with the advice and consent of the State Council thereof, as follows :—

Short title. 1 This Ordinance may be cited as the Muslim Marriages (Validation) Ordinance, No. of 1939.

Validation of the marriages, and of the registration of the marriages, referred to in the Schedule. 2 The fact that any Kathi who authorised any marriage, or the registration of any marriage, which is referred to in the Schedule to this Ordinance, was not assisted by Muslim assessors at any inquiry held by him under section 21 (2) of the principal Ordinance, for the purpose of authorising such marriage or the registration of such marriage, shall not affect or be deemed at any time to have affected the validity of any such marriage or the registration of any such marriage ; but every such marriage and every such registration shall be and be deemed at all times to have been as valid and effectual as if the Kathi who authorised the marriage or the registration after inquiry under section 21 (2) of the principal Ordinance, was, at such inquiry, assisted by three Muslim assessors in accordance with the requirements of the said section read with the rules prescribed in the Third Schedule to the said Ordinance.

Indemnity for failure or omission of Kathis to empanel assessors. 3 Every Kathi who authorised any marriage, or the registration of any marriage, which is referred to in the Schedule to this Ordinance, is hereby indemnified and saved harmless in respect of any failure or omission to empanel Muslim assessors to assist him at any inquiry held by him under section 21 (2) of the principal Ordinance for the purpose of authorising such marriage or the registration of such marriage, and no such Kathi shall be subject personally to any liability, action, claim or demand whatsoever in respect of any such failure or omission.

Saving of rights of Crown, &c. 4 Nothing in this Ordinance contained shall affect or be deemed to affect the rights of His Majesty the King, His heirs and successors, or of any body politic or corporate or of any other persons except such as are mentioned in this Ordinance and those claiming by, from or under them.

Interpretation. 5 In this Ordinance, unless the context otherwise requires, " Kathi " and " Muslim assessor " have respectively the same meaning as in the principal Ordinance.

*Objects and Reasons.*

The combined effect of section 21 (3) of the Muslim Marriage and Divorce Registration Ordinance, read with the rules in the Third Schedule to that Ordinance, is that a Kathi who holds an inquiry under section 21 (2) for the purpose of authorising a marriage must be assisted by three Muslim assessors. This requirement was not observed in the case of the marriages referred to in the Schedule to this Bill.

2. The object of this Bill is to declare that the failure or omission of any Kathi to empanel Muslim assessors to assist him at any inquiry held by him before he authorised any marriage or the registration of any marriage, which is referred to in the Schedule shall not affect the validity of the marriage or of the registration thereof. Clause 3 is intended to indemnify any such Kathi and to save him harmless in respect of such failure or omission.

Minister for Labour, Industry and Commerce.
