## CADETSHIPS IN THE CEYLON CIVIL SERVICE.

J 83/39

## Open Competition, 1940.

ARRANGEMENTS are in contemplation for the holding of an Open Competitive Examination for Cadetships in the Ceylon Civil Service. To enable the authorities concerned to decide whether these arrangements can be made, it is necessary for intending candidates in Ceylon and England to make their applications at an early date. The examination will, it is hoped, be held concurrently in London and Colombo before the end of 1940. The actual dates will be notified later.

2. The number of vacancies and the fees to be paid will be notified later.
3. Candidates for this examination must be natural born male British subjects either of Ceylonese descent on both sides or of mixed European and Ceylonese descent. The Governor may, however, grant a candidate who is a natural born male British subject, normally resident in Ceylon and whose family connections and interests are in Ceylon, permission to sit for the examination. Candidates successful in the competition may be called upon to satisfy the Secretary of State for the Colonies that they fulfil the above requirements as regard descent.
4. Candidates must have attained the age of 22 and must not have attained the age of 24 on August 1, 1940.
5. Candidates are hereby required to declare their intention and to fill in the form of application asking for nomination and stating their subjects. These applications should reach the Chief Secretary on or before May 1, 1940. Applications from intending candidates in England should reach the Chief Secretary on or before June 15, 1940. Forms can be obtained by them from the Secretary of State for the Colonies. Local candidates can obtain the forms from the Chief Secretary's Office.
6. Candidates must satisfy the Chief Secretary that they are duly qualified in respect of health and character. They must be of sound constitution, possessed of good sight and physically qualified for service in tropical climates and they will be called upon to undergo a strict medical examination to test these points.
7. A married candidate will not be eligible for appointment to a Ceylon Cadetship without the special consent of the Governor.
8. Nominations to candidates sitting in Colombo will be limited to those who have passed the Honours or Pass Degree Examination of the University of London or any other public examination which may be deemed to be of an equally high standard.
9. No allegation that an application form or a letter respecting such form has been lost or delayed in the post can be considered. Candidates who delay their applications until the last days will do so at their own risk.
10. Acknowledgments of application forms are sent and any candidate who has filled up and returned the printed application form but has not received an acknowledgment of it within a reasonable time should at once write to the Chief Secretary, Colombo. Failure to comply with this provision will deprive the candidate of any claim to consideration.
11. *This notice is preliminary and conditional. It does not bind the Government in any way to hold an examination.*

If it is decided to hold an examination candidates will be notified of the dates and place fixed for their *viva voce* test, the time table of the written part of the examination will be sent to the address given on the form of application and will contain instructions as to the time and place at which candidates are to attend.

*Note.*—Information as to the salary and conditions of service on which these appointments will be made can be obtained on application to the Chief Secretary's Office.

By His Excellency's command,

Chief Secretary's Office,  
Colombo, April 2, 1940.M. M. WEDDERBURN,  
Chief Secretary.
