THE Governor has, under section 18 of the Excise Ordinance, directed that the grant of the exclusive privilege of selling arrack by retail within any local area during the period commencing on October 1, 1943, and ending on September 30, 1944, and subsequent periods, shall until further orders be subject—

- (1) to the General Conditions for the time being in force and applicable to all Excise licences;
- (2) to the Defence (Restriction of Arrack Supplies) Regulations published in *Gazette Extraordinary* No. 9,032 of November 10, 1942; and
- (3) to the Special Conditions set out hereunder.

The Ministry of Home Affairs,  
Colombo, 6th May, 1943.

A. MAHADEVA,  
Minister for Home Affairs.

**SPECIAL CONDITIONS.**

1. **Granting of Exclusive Privilege, subject to Sale by Holder of Foreign Liquor Licence (see also condition 23).**—The privilege will be exclusive, subject to the right of any holder of a foreign liquor licence in the same area, to whom the Excise Commissioner may have given special permission in that behalf, to sell on his licensed premises arrack bought exclusively from the grantee of the privilege, in bulk or in sealed bottles, as the case may be.

2. (1) **Period of Privilege.**—The privilege will be granted for the period commencing on October 1 of any one year and ending on September 30 of the next succeeding year on application by way of tender in the form, or by auction in the manner prescribed in these conditions.

(2) **Areas for which Privilege granted.**—The privilege may be granted for the local area of an individual tavern, or for the respective local areas of each tavern in a group of taverns, as the Government Agent may decide.

3. **Tender Form.**—Every tender shall be made in the form set out hereunder. Forms may be obtained from the offices indicated in the sale notice.

4. **Tender Deposit.**—(1) The Government Agent may, if he considers it necessary, require the deposit of a sum not exceeding Rupees One thousand (Rs. 1,000) by the tenderer in respect of each tender.

(2) Every tender shall be accompanied by a Treasury or Kacheheri receipt, acknowledging the deposit of the sum required by the Government Agent under the foregoing paragraph of this condition, and the number and date of the receipt shall be entered on the face of the tender form.

5. **Prohibition of Tenders by Agents or of more than one Tender by any Person.**—(1) Every tender or bid shall be made by the tenderer or bidder in his own name. No tender or bid, made through an agent, will be accepted.

(2) No person shall send in more than one tender for any one tavern, or group of taverns.

6. **Disqualifications against Acceptance of Tenders; Acceptance under Ignorance null and void.**—(1) No tender will be accepted from any person—

- (a) whose name appears on the list of defaulting contractors, or on the list of defaulters in respect of any kind of Excise licences or of toll rents, or on the list of persons precluded for other reasons from having any concern in any Government rent or contract; or
- (b) whose name is on the Excise register of offenders; or
- (c) who is a registered criminal within the meaning of the Prevention of Crimes Ordinance, or who has been convicted of any grave crime or of any Excise offence; or
- (d) who at any time held a licence which has been cancelled under section 26 of the Excise Ordinance; or
- (e) who holds a contract with Government for the bottling of arrack.

(2) If any tender of any such person has been accepted in ignorance of the existence of any such disqualification, the Government Agent may in his sole discretion cancel the acceptance within a period of 30 days from the date of such acceptance, and shall communicate his order of cancellation to the grantee. On the making of any such order of cancellation, the original acceptance shall become null and void.

No such order of cancellation shall however be made in pursuance of this condition after the commencement of the period of the privilege.

7. **Delivery of Tenders.**—(1) Every tender shall be placed in a sealed envelope on the top left hand corner of which shall be clearly marked the name of the tavern in respect of which the tender is made and its number on the list of sanctioned taverns, or the designation of the group of taverns in respect of which the tender is made as given in the notice calling for tenders, as the case may be.

(2) Every sealed envelope containing a tender shall—

- (a) be deposited in the Kacheheri Tender Box; or
- (b) be handed to the Government Agent or to his Assistant; or
- (c) be sent by registered post addressed to the Government Agent so as to reach the Kacheheri, before the time fixed for closing the tenders.

8. (1) **Power of Rejection of Tender.**—The Government Agent may in his discretion reject any or all of the tenders received; and in the event of his so rejecting all tenders, he may call for tenders again or put up the privilege either at once or after further notice for sale by auction.

(2) **Restriction of Bidding at Auction.**—At such auction no person shall be allowed to bid, unless he shall have either—

- (a) submitted a tender accompanied by the Treasury or Kacheheri receipt prescribed in condition 4, whether such tender be for the particular privilege to be auctioned or for any other privilege; or
- (b) produced the receipt prescribed in condition 4, notwithstanding his failure to submit a tender for the particular privilege to be auctioned or for any other privilege.

Provided that no person, who is duly declared the purchaser of any privilege, whether by way of tender or of auction, shall use or be permitted to use the same receipt for the purpose of a tender or a bid for any other privilege, until he has completed in respect of the privilege already granted to him the steps prescribed hereinafter in condition 9 (1) (a).

(3) **Power of Rejection of Bid.**—The privilege shall be granted to the highest bidder at such auction: Provided that the Government Agent may in his discretion reject any or all of the bids made at such auction.

(4) **Procedure after Rejection of all Bids.**—In the event of the rejection of all bids as aforesaid, the Government Agent may in his discretion—

- (a) call for further tenders for the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any tenders so received, and thereafter, put up for sale by auction the privilege for any single tavern or sub-groups or combinations as aforesaid for which the further tenders were rejected, either at once or after further notice, and accept or reject all or any bids so received; or
- (b) put up for sale by auction the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any bids so received; or
- (c) grant the privilege for the tavern or group, or any single tavern or sub-group of two or more taverns included in a group or for any combination of parts of groups or of whole groups of taverns to any person, who is approved by the Government Agent, and who agrees to pay by way of rent such amount as the Government Agent may fix.

(5) **Procedure after Rejection of further Bids.**—In the event of the rejection of the bids received under paragraphs 4 (a) and 4 (b) of this condition, the Government Agent may in his discretion take action under paragraph 4 (c).

9. (1) (a) **Security Deposit.**—The grantee shall, immediately on being declared to be the purchaser of the privilege, sign these conditions and pay to the Government Agent a deposit of a sum equivalent to two months' rent payable for that privilege, as a security for the due performance of these conditions.

(b) **Signing of Bond.**—The grantee shall also within fourteen days of his being declared to be the purchaser of the privilege enter into a bond with the Government Agent for the full amount for which he has purchased it, and he shall specially hypothecate by such bond the said security deposit.

(c) **Consequences of Breach of Condition of Bond.**—The said security deposit shall be liable to be confiscated, either in whole or in part, by the Government Agent, at his sole discretion and without any process of law, for breach of any of these conditions or of any of the conditions of the licence or licences referred to in condition 12 (2) below, or for non-payment of any instalment, and such confiscation shall be in addition to any other penalty prescribed by these conditions for such breach or non-payment, and to any other amount which the Crown may have the right to claim and recover by due process of law.

(2) **Banking of Security Deposit.**—Security money so paid will be deposited in a bank only on the grantee's application and only at his risk and when such deposit is made, no withdrawal will be allowed till the date of maturity.

(3) **Warrant or Power of Attorney to Confess Judgment.**—If the highest bid or tender under condition 8 exceeds the sum of Rs. 2,000, the grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a warrant or power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of the privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such warrant or power of attorney a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(4) **Registered Postal Address.**—The grantee shall, on signing these conditions, elect and signify under his hand a post office or postal address to which all notices and processes whatever in connection with the privilege may be addressed under registered cover, and all such notices or processes, so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and be as effectual for all purposes, as if they had been served upon the grantee in person upon the day on which any such notice or process was so posted.

10. **Failure to complete Purchase of Privilege.**—If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale, or fails to furnish the security prescribed in condition 9 (1) (a) when called upon to do so, the deposit made under condition 4 will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise licences. Subject to this exception, the deposits of all tenderers or bidders will be returned after the conditions of sale have been signed and the aforesaid security given by the successful tenderer or bidder.

11. **Grantee to have no Interests in Toddy and Foreign Liquor Sales and in Arrack Estate Canteens.**—The grantee shall not acquire or hold any share or any interest, whether direct or indirect, (a) in the sale of fermented toddy, or (b) in the purchase of any privilege of selling toddy, or (c) in the sale of foreign liquor, or (d) in the purchase of any privilege of selling foreign liquor, or (e) in any arrack estate canteen, within the local area to which the privileges of selling arrack relates, or (f) in any contract with Government for the bottling of arrack.

11A. **Additional Security Deposit for Bottles ; Issues against Return of Empty Bottles, &c.**—(1) The bottles in which arrack is issued at any Government Warehouse to any grantee shall be deemed to be the property of Government, and the grantee shall be liable to replace at the time of the next issue such number of empty bottles as represents wholly or partly the gallonage of bottled arrack issued to him. White bottles shall be replaceable only by white bottles, but not necessarily of the same size or shape as the white bottles issued. Bottles other than white shall be replaceable by bottles of any colour, size or shape. Bottles having a capacity of less than 3 3/7 drams will not be accepted as replacements.

For the purposes of calculating the number of empty bottles which represent any gallonage of bottled arrack—

- (a) a bottle capable of holding more than 8 drams neck capacity shall be reckoned as an eight-dram bottle (i.e., 6 bottles to a gallon);
- (b) a bottle capable of holding less than 8 drams, but more than 6 drams neck capacity shall be reckoned as a six-dram bottle (i.e., 8 bottles to a gallon); and
- (c) a bottle holding less than 6 drams, but more than 3 3/7 drams neck capacity shall be reckoned as a four-dram bottle (i.e., 12 bottles to a gallon).

Provided that the Warehouse Officer in charge of the warehouse of issue may in his discretion reject any bottle—

- (a) which bears a registered trade mark, e.g., Sun Flower brand, the proprietor of which has not given his consent in writing for the use of such bottles for filling with arrack; or
- (b) which is cracked or broken; or
- (c) which is for any reason not suitable for filling it with arrack, e.g., if in the opinion of the said Officer the bottle has been used for keeping tar, varnish, oil or any other substance which may make it difficult to clean the bottle adequately by the usual methods employed at the warehouse concerned,

but the grantee shall have the right of appeal to the Superintendent in charge of the warehouse, whose order on such appeal shall be final and conclusive, and binding on the grantee.

(2) To provide against failure at the termination of the privilege to replace white and other bottles equivalent to the full gallonage of bottled arrack issued during the period of the privilege, the grantee shall, before the licence referred to in condition 12 (2) below is issued to him, pay to the Government Agent as an additional security deposit the sum set out in column 3 of Schedule AA against the name of the tavern or group of taverns in column 2 of the said Schedule, the privilege in respect of which tavern or group has been granted to him. Such additional security deposit will represent the value of the bottles outstanding at all times in the hands of the grantee at the fixed rates of Rs. 3 per gallon capacity of white bottles and Rs. 2 per gallon capacity of bottles other than white, irrespective of their size or shape, and the value of any deficit in the return of bottles at the end of the period of privilege shall be liable to be set off at the Excise Commissioner's discretion at the rates above mentioned against the said additional security deposit, and shall be liable to be recovered from it as a pre-estimate of the damage caused by the loss of bottles to Government, without any process of law, on a certificate from the Superintendent of Excise in charge of the warehouse of issue that specified numbers of white and other bottles are outstanding, such certificate being final and conclusive, and binding on the grantee.

(3) A separate Kacheheri receipt for the said additional security deposit shall be produced at the warehouse of issue at the same time as the Kacheheri receipt for the payment of the value of the arrack in the first consignment to be issued, and both receipts will be left in the custody of the said Warehouse Officer. No arrack will be issued for such first consignment, if both the receipts are not so produced.

(4) The number, date, amount and the name of the Kacheheri on the receipt will be noted in a Register to be kept at the warehouse of issue, and shall be signed by the grantee or his agent as an acknowledgement of the correctness of the entries. The gallonages of bottled arrack in (a) white and (b) other bottles, issued from time to time against the said additional security deposit, the gallonages of the respective kinds of empty bottles (calculated as in paragraph (1) above) returned on the dates of all subsequent issues, and the balance gallonages (calculated as in paragraph (1) above) of the respective kinds of bottles left in the hands of the grantee at every issue will also be entered in the said Register, and shall also be signed by the grantee or his agent for the like purpose.

(5) If, as a consequence of shortage of bottles owing to war conditions, it is not possible to supply in full a grantee's demand for arrack in sealed bottles, the stock of arrack in sealed bottles available from time to time at the warehouse of issue will be rationed at a variable percentage, to be fixed from time to time, of the total issues from the warehouse in the pre-war rent year of 1938-1939. The proportion of the percentage as between one tavern and another will be based, save in exceptional circumstances and in the discretion of the Superintendent in charge of the warehouse, approximately on the issues of arrack in sealed bottles to each tavern during the said year of 1938-1939, for the Ordinary and Special Qualities, and the years 1938-1939 and 1939-1940 for the Extra Special Quality.

(6) The second and subsequent issues of arrack in sealed bottles will be conditional on the grantee bringing back, in entirety or in part, the balance gallonages (as calculated in paragraph (1) above) of white and other bottles, outstanding in his hands, but if the ration of bottled arrack due to him for any issue is less than the gallonage of empty bottles (as calculated in paragraph (1) above) returned by him, any excess of returned bottles over the ration will not be accepted by the Warehouse Officer. Such excess may however be disposed of, if the grantee so desires, by private agreement between the grantee and the Bottling Contractor to Government at or for the warehouse of issue.

(7) If, however, the ration so due is more than the gallonage of empty bottles (as calculated in paragraph (1) above) returned, the Warehouse Officer may in his discretion issue only so much of the ration due as is equivalent to the said gallonage, and may also in his discretion reserve the unissued balances of the ration for subsequent issue against return of empty bottles, or he may decide to issue the full ration, acting if necessary under condition 20 below.

(8) In the event of the gallonage of bottles (as calculated in paragraph (1) above) returned being less than the ration due, and of the Warehouse Officer deciding in the exercise of his discretion to issue nevertheless the full ration due, if such issue is likely to increase the balance gallonage of bottles (as calculated in paragraph (1) above) in the hands of the grantee to such an extent that its value at the rate set out in paragraph (2) above will not be covered by the additional security deposit already made, the Warehouse Officer may call upon the grantee to pay a further sum to increase the sum already paid as the additional security deposit to the extent required before issuing the full ration, and such further sum shall be held on the same terms and conditions as the additional security deposit.

If such further sum is not paid within 24 hours of the demand having been made, the Warehouse Officer shall be entitled to refuse to issue to the grantee any arrack, whether in bottles or in bulk or in both.

(9) The exercise of the discretion of the Warehouse Officer in pursuance of the powers vested in him under paragraphs (7) and (8) of this condition will be liable to appeal to the Superintendent of Excise in charge of the warehouse, and the Superintendent's decision shall be final and conclusive, and binding on the grantee.

(10) At the end of the period of the privilege the said additional security deposit together with the further sum deposited, if any, will be refunded in full, or in part after the deduction of the value at the rate set out in paragraph (2) above of the balance gallonages of the respective kinds of bottles shown in the Register referred to in paragraph (4) above as left in the hands of the grantee.

(11) The additional security and the further sum, if any, so paid by the grantee as deposit will be dealt with as in condition 9 (2) above, and the grantee shall also enter into a bond with the Government Agent, hypothecating it as security for deficit in or loss of bottles.

(12) The Excise Commissioner reserves to himself the right—(a) not to put the scheme under this condition into operation at all during the period of the privilege, or (b) to commence its operation at any time during the period of the privilege, or (c) to stop its operation, temporarily or permanently, or (d) if temporarily stopped, to resume its operation at any time during the period of the privilege.

12. (1) **Opening of Tavern on due Date, and Approval of Site.**—(a) The grantee shall open the tavern or taverns on the day on which the privilege commences to run.

(b) The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site.

(c) The grantee shall not open a tavern on any site otherwise than with the approval of the Government Agent, such approval being obtained from the Government Agent at least fourteen days before the privilege commences to run.

(2) **Obtaining of Licences for Sale of Arrack.**—The grantee shall, not less than five days before the date on which the privilege commences to run, obtain from the Government Agent a licence or licences for the sale by retail of arrack at the tavern or taverns within the local area covered by this privilege.

13. **Taking over of Balance Arrack by Incoming Grantee by Mutual Agreement.**—The grantee shall take over from the outgoing grantee and pay to him an amount, which may be agreed on, in respect of the cost of—

- (a) the balance of arrack, in bulk and in bottles, remaining in a tavern, after the closing hour of the date of expiry of the privilege of the outgoing grantee, and
- (b) transport, wastage, and other miscellaneous charges.

14. In default of Agreement, **Outgoing Grantee to deliver Balance Arrack at nearest Warehouse.**—(1) Where the incoming and outgoing grantees cannot agree with regard to the sum to be paid as aforesaid, the outgoing grantee shall forthwith remove the balance of arrack of a strength not below 29° underproof in the case of the special and extra special qualities, and not below 34° underproof in the case of the ordinary quality on a permit, to the nearest Excise Warehouse, and deliver it to the Warehouse Officer in charge thereof, and obtain a receipt.

(2) The outgoing grantee shall present such receipt to the Excise Commissioner, who shall pay to such grantee the value of the arrack as delivered at the rates of duty, cost price, and additional cost price, of bottled arrack, if any, at which such grantee purchased such arrack.

(3) If the sum payable as duty, cost price, and additional cost price, if any, by the incoming grantee at the time the arrack is so taken over by him, is higher than the sum actually paid for the said arrack by the outgoing grantee, the incoming grantee shall, within fourteen days of the commencement of his privilege pay the difference to the nearest Kacheheri.

15. (1) **Payment of Rent.**—The grantee shall pay the purchase money or rent to the Government Agent in twelve equal monthly instalments.

(2) **Due Date of Instalment.**—The first instalment of the rent shall be deemed to be due and payable on the last day of the month preceding the commencement of the privilege, and succeeding instalments shall be deemed to be severally due and payable on the last day of each succeeding month:

Provided that if such last day be a Public Holiday, the due date for payment shall be the last working day before the holiday or holidays immediately preceding it, and provided further that all payments shall be tendered at the Kacheheri Shroff's counter before 3 p.m. on any week day excepting Saturday, when the time shall be 12 noon.

(3) **Interest and Penalty.**—Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears of rent.

The payment of interest shall not be deemed to prejudice or affect the powers which may be exercised by the Government Agent under section 53 of the Ordinance in any case in which the licence issued to the grantee is liable to be cancelled under section 26.

16. **Duty, Cost Price, and Additional Cost Price Payable. Issue Strengths.**—In addition to the rent the grantee shall pay to the Government Agent in respect of every gallon of arrack issued and removed from a Government Warehouse the duty, cost price, and additional cost price at the rates set out in Schedule A.

The strength of arrack issued from a Government Warehouse will be between 27° and 29° underproof in the case of the Special and Extra Special qualities, and between 32° and 34° underproof in the case of the Ordinary quality.

17. (1) **Payments not valid without Kacheheri Receipt.**—No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee produces a Kacheheri receipt in respect thereof.

(2) **Money left with Officers not reckoned as Money Paid.**—No money which, for his own convenience, the grantee may think fit to leave in the hands of any Shroff or any other officer of any Kacheheri shall be deemed to be money paid under this contract.

18. (1) **Purchase of Arrack from Warehouse ; Minimum Quantity.**—The grantee shall purchase arrack only from the Government Warehouse, specified in Schedule B hereto in respect of the district within which the tavern is situated, and in quantities not less than those prescribed in the said schedule.

(3) **Issues from Negombo, Badulla, and Jaffna Warehouses.**—Arrack will be issued from the Warehouses at Negombo, Badulla, and Jaffna only between the hours of 8.30 A.M. and 12 noon.

(4) **Transport Passes.**—Where arrack is transported by road from a warehouse to a tavern, the Warehouse Officer will not issue a transport pass available for use at a later hour than 6.30 p.m. on the date of issue.

19. **Grantee to accept such Arrack as is available ; Loose Capsules or Broken Seals on Bottles.**—(a) Where bottles of the sizes referred to in Schedule A are not available at the Government Warehouse from which the grantee is required to purchase arrack, the grantee shall be bound to accept the quantity of arrack he requires either in bulk, or in bottles of such other size as may be available at the Warehouse.

(b) The grantee shall take steps to ensure that the capsule on each bottle issued to him is firmly fixed, or that the seal on the cork of such bottle is intact and bears a clear impression of the seal of the Excise Department. If any capsule is not firmly fixed, or if any seal is not intact or does not bear a clear impression of such seal, he shall refuse to accept such bottle.

20. **Proportion of Sealed Bottles to Bulk.**—The grantee shall draw such proportion of each consignment drawn by him, as the Warehouse Officer or Superintendent of Excise in charge of the warehouse may require, in sealed bottles of each description.

21. **No Compensation for Failure to deliver Full Quantity.**—The grantee shall have no claim against the Crown for compensation (beyond a proportionate refund of the amount paid under Condition 16 above in respect of any failure by the Crown for any reason whatsoever to deliver the quality and quantity of arrack, whether in bottles or in bulk or both, for which the grantee has made payment at the Kacheheri as aforesaid).

22. **Limit of Sale and Transport.**—The limit of sale by retail with respect to the whole Island and as regards purchasers generally shall be one-third of an imperial gallon, and no arrack in excess of that quantity may be removed at any one time from the tavern by any person without a valid permit or pass.

23. **Exclusive Right to supply Arrack for Sale at Foreign Liquor Premises ; Allocation of such Premises to Grantee.**—(1) The grantee of every tavern or group of taverns specified in column 1 of Schedule C hereto shall have the exclusive right of supplying for sale in each of the foreign liquor premises specified against such tavern or group in column 2 of that schedule arrack (in bulk only or in sealed bottles only, as the case may be) in quantities not less than those prescribed from time to time by the Excise Commissioner, on payment at rates to be mutually agreed upon between the grantee and the licensee of such foreign liquor premises, but not exceeding the prices fixed for the sale of bottled arrack at the taverns, and not below the minimum price fixed for the sale of bulk arrack at the tavern, and on production of a valid transport pass issued by the Superintendent of Excise in that behalf.

(2) Where the grantee so supplies arrack to any foreign liquor premises, he will, for the protection of his exclusive privilege, have the supervisory rights provided for in the conditions of the special licence to sell arrack issued to such foreign liquor premises.

(3) **Special Licences to sell arrack in sealed (or unopened) bottles only** will be issued by the Excise Commissioner at his discretion only to the Foreign Liquor Retail (Off) Licensees mentioned in Schedule C below, and such licensees shall buy the arrack only from the grantee and only in bottles. Likewise, special licences to sell arrack in bulk only, will be issued to all foreign liquor licensees mentioned in Schedule C below other than the Foreign Liquor Retail (Off) Licensees, and such licensees shall buy the arrack only from the grantee and only in bulk.

(4) The grantee shall supply arrack of all the three qualities, in bulk or in sealed bottles as the case may be, to such Foreign Liquor Licensees, and where the grantee does not have in stock at his tavern any particular quality of arrack required by any such licensee, he shall obtain from the Government Warehouse the quality required by such licensee.

24. **Grantee to account for Arrack : Wastage Allowance.**—The grantee shall account for all arrack purchased by him from time to time. The allowance made on account of wastage will in no circumstances exceed two per centum of the total quantity purchased since the last date of stocktaking.

25. **Grantee responsible for Agent's Acts.**—The grantee shall be responsible for all acts of his agents and employees in relation to the privilege.

26. **Non-transferability of Privilege.**—The privilege shall not be transferable otherwise than with the sanction of the Excise Commissioner first had and obtained.

27. (1) (a) **Cancellation of Licence and Privilege for Non-payment of Rent, &c.**—If any instalment or part of any instalment of the purchase money or rent, or further sum demanded as additional security for bottles, or any fee, duty, cost price, additional cost price, composition fee or other sum due to the Crown from the grantee, in respect of the grant or of the licence issued to him, remains unpaid after the date on which it becomes due and payable, the grantee shall be deemed to have committed a breach of these conditions and of the conditions of the licence issued to him, and the Government Agent shall accordingly have power, without further process of law, either (i.) to suspend or cancel the licence or licences issued to the grantee in pursuance of the provisions of section 26 of the Excise Ordinance, or (ii.) to take the licence or grant under management at the risk of the grantee, or to declare the licence or grant forfeited and reissue or resell it at the risk and loss of the grantee in pursuance of the provisions of section 30 of the said Ordinance. This condition does not in any way affect the Government Agent's powers to confiscate the security deposit in pursuance of the provisions of condition 9 above.

(b) **Intimation or Notice of Cancellation, &c.**—Intimation of any order of suspension or cancellation, under the said section 26, or the statutory notice or order under the said section 30 may be served personally on the grantee, or addressed under registered cover to the post office or postal address elected and signified under condition 9 (4), and duly posted, as the Government Agent thinks fit.

(2) **Regrant of Privilege between Cancellation and Resale.**—In the event of the cancellation of a licence, the Government Agent shall have power to grant the privilege to any person approved by him for any period intervening between such cancellation and the resale of the privilege, and for this purpose may issue to such approved person a temporary licence upon such terms as he may think fit.

(3) **No Remission of Rent.**—No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having over-estimated the value of any tavern or on any other ground.

(4) **No Compensation for Losses.**—The grantee shall not have or make any claim to any reduction, or to the remission of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

- (a) whether on account of any closing of the tavern or taverns during the passage of troops, or during the encampment of troops in the vicinity of the tavern or taverns, or during the holding of any poll ; or
- (b) whether on account of the opening of any new toddy or foreign liquor tavern or estate canteen for arrack or toddy or foreign liquor, or any new foreign or country liquor premises of any other description and licensed after the sale of the privilege under these conditions ; or
- (c) whether on account of the manufacture and drawing of fermented toddy on special licences issued by the Assistant Commissioner for *bona fide* domestic consumption on medical grounds, and not for sale ; or
- (d) whether on account of the manufacture and drawing of fermented toddy within the area or areas of the privilege hereby granted for supply to licensed manufactories in which toddy is used in the process of manufacture ; or

- (e) whether on account of the issue of licences for the bottling and wholesale sale of bottled toddy and of the retail sale of such bottled toddy at toddy taverns; or  
 (f) whether on account of the unrestricted tapping, manufacture and drawing of sweet toddy without any licence or permit; or  
 (g) whether on account of the refusal of the Excise Commissioner to issue special arrack licences in terms of condition 23 above; or  
 (h) through any other cause whatsoever.

- (a) the General Conditions for the time being in force and applicable to all Excise licences ;
- (b) the Arrack Rent Sale Conditions, under which the exclusive privilege of selling arrack by retail at the said premises was granted, and which the said licensee (s) by agreement bound himself/himself to observe ;
- (c) the Defence (Restriction of Arrack Supplies) Regulations, published in *Gazette Extraordinary* No. 9,032 of November 10, 1942, and
- (d) the following special conditions applicable to this licence :—

1. **Selling Prices of Arrack.**—The licensee/licensees—

- (a) shall affix in a prominent place in the tavern, so as to be clearly visible to and legible by the customers at the bar, lists printed in bold letters and figures in English, Sinhalese, and Tamil of the selling price of all kinds of arrack offered for sale, by the dram and by sealed bottles.
- (b) shall not sell arrack in sealed bottles at any other rates than the following except to licensees of foreign liquor premises holding a special arrack permit :—

Provided that where, owing to shortage of stocks of bottled arrack in any size or quality, the licensee/licensees is/are obliged to sell arrack in bulk instead of in a sealed bottle to any customer who produces his own bottle or other receptacle, then, if the quantity so sold or demanded exceeds 3 drams at a time, the licensee/licensees shall measure the quantity in standardized bottles (condition 7 below), and shall sell such arrack in bulk, not at the rate fixed by him/them for bulk arrack, but at the same rates as are chargeable for arrack in sealed bottles, namely—

- (d) shall not circumvent the above conditions as to rates of sale by recovering the correct rates at the tavern and by giving rebates or discounts by means of secret or open return at the tavern or any other place, of any portion of the rate so charged, either in cash, or in kind, or by coupons or in any other manner whatsoever.

- (e) may in his/their discretion, anything to the contrary notwithstanding in condition 15 of the General Conditions applicable to all Excise Licences, refuse to sell arrack in sealed bottles even on tender of cash to any customer who does not bring an equivalent gallonage of empty bottle or bottles (calculated in the manner set out in Arrack Rent Sale Condition 11A) in replacement of the gallonage of arrack to be purchased by him in sealed bottles, but if it is nevertheless decided to sell arrack in sealed bottles to such customer, the licensee/licensees shall on no account charge such customer any sum in excess of the rates above prescribed as the cost of the bottle sold in the absence of its replacement in kind. Such customer shall however have the right to purchase, on tender of cash, bulk arrack in his own bottle or other receptacle, if bulk stocks are available.

Provided that where, for any reason, bottles of the sizes or colours described in paragraph (b) are not available the Excise Commissioner may issue arrack in sealed bottles of any other size, shape, colour or capacity, and charge the licensee therefor at the rates set out in Schedule A to the said Arrack Rent Sale Conditions, and fix the selling price thereof under paragraph (b) so as not to leave to the licensee a smaller margin of gross profit than would have been left to him if the arrack had been issued in the three kinds of bottles above mentioned. Such new selling price shall have the same validity as if it had been prescribed under paragraph (b).

2. **Sealed Bottle Sales and Stocks.**—(a) All arrack sold by the bottle on this licence shall be sold in sealed bottles bearing intact the capsule or seal of the Excise Department.

The licensee/licensees shall not keep in a tavern any sealed bottles other than those bearing the capsule or seal and label of the Excise Department. He/they shall put aside any bottle bearing a damaged or obliterated capsule or seal and label, report the facts forthwith in writing to the Inspector in charge of the tavern, and shall show it to the Inspecting Officer on his next visit, and any such bottle shall, if so ordered by the Assistant Commissioner of Excise for the division, be exchanged for a fresh bottle.

(b) The licensee/licensees shall at all times keep at least one dozen sealed bottles or such quantity as may be prescribed as the minimum by the Superintendent of Excise under the provisions of the General Conditions for the time being in force and applicable to all Excise licences, whichever is the lesser quantity, of each kind of bottled arrack on a shelf or rack hung on a wall of the tavern prominently in view of customers at the bar.

(c) No arrack shall be bottled in any tavern, provided however that the filling of a customer's own bottle from the cask of arrack, kept in bulk shall be exempt from this prohibition. No corks, capsules, labels, sealing wax, seal or implement for making a seal impression or other appliances used in bottling arrack, shall be kept in the tavern.

(d) Sealed bottles of arrack shall be supplied by the licensee/licensees on demand and tender of cash.

(e) No sealed bottles shall be opened by the licensee/licensees and the arrack in them poured into casks or sold by the glass.

3. **Stocks of Bulk Arrack of Ordinary, Special and Extra Special Qualities.**—(a) The licensee/licensees shall at all times keep and maintain such stocks of arrack in bulk of the Ordinary quality as are sufficient to meet local requirements, and shall mark on the cask or receptacle, in English, Sinhalese and Tamil, the quality of the arrack stocked therein.

(b) It shall be lawful for the Superintendent, by written notice served on the licensee/licensees of any arrack tavern, to require the licensee/licensees, within 7 days of the service of such notice to stock and maintain stocks of arrack in bulk of the Special and/or Extra Special qualities in a cask or other suitable receptacle, and to mark on each such cask or receptacle, in English, Sinhalese and Tamil the quality of the arrack stocked therein. Casks or receptacles, to comply with such notice shall at all times be kept ready and clean.

(c) Any licensee/licensees, on whom a notice is served, shall comply with the requirements of the notice within the time specified therein.

(d) Casks or other receptacles for bulk arrack shall not be painted.

4. **Strength of Arrack : Prohibition against Adulteration of Arrack and keeping of other Liquors.**—All arrack exposed or kept for sale in a tavern shall be of a strength not below 29° underproof in the case of the Special and Extra Special qualities, and not below 34° underproof in the case of the Ordinary quality as tested in compliance with Excise Notification No. 178 published in *Gazette* No. 7,654 of July 13, 1928. No water and no colouring, flavouring, or other matter whatsoever shall be added thereto.

No liquor other than arrack issued from a Government Warehouse to the licensee/licensees shall be kept in the tavern.

5. (a) **Furniture, &c., in Taverns to be kept clean.**—The licensee/licensees shall cause all tables and chairs provided for the use of Inspecting Officers, Rent Managers, and Accountants, to be kept scrupulously clean, and shall cause the tops of all such tables to be covered at all times with clean paper.

(b) **Prohibition of other than Prescribed Articles in Taverns.**—The licensee/licensees shall not, except as hereinafter in sub-clause (e) provided, and except with the written sanction of an Excise Officer not below the rank of Inspector, permit the introduction into his/their tavern of any articles other than—

- (i.) The storage vessels and stands,
- (ii.) The drinking vessels,
- (iii.) Two tables,
- (iv.) Two chairs,
- (v.) Authorised account books, inspection notebooks, and writing materials,
- (vi.) Cash, and receptacles for its safe-keeping,
- (vii.) Frames or notice boards on which the licence, the general conditions applicable to all Excise licences, and such other notices as the Excise Commissioner may require, may be exhibited,
- (viii.) One receptacle for disinfectants,
- (ix.) One stool for each authorised employee, and
- (x.) Separate receptacles for clean and for dirty water for use as prescribed in General Condition No. 25 (4).

(c) **Provision of Spittoons in Taverns.**—The licensee/licensees will provide in his/their tavern at least three spittoons, which shall be kept in a scrupulously clean and sanitary condition, and be washed daily with disinfectants.

6. **Special Measuring Taps, if required.**—All sales from bulk shall, if the Excise Commissioner at any time so directs by writing under his hand addressed to the licensee/licensees, be made by means of special measuring taps of a pattern to be approved by him.

7. **Standard Measures and Standardized Bottles to be kept.**—Standard measures approved by the Excise Commissioner, viz., 1½ drams, 1 dram, ¾ dram, ½ dram, and ¼ dram shall be kept in every tavern and shall on demand by any customer be used in measuring the arrack he has purchased.

At least two sets of two standardized white reputed quarts (of 8 drams neck capacity) with the contents of 8 drams and 6 drams respectively marked on each set, and at least two standardized white reputed pints (of 4 drams neck capacity) with the contents of 4 drams marked on each of them, correctly indicated on the bottles by straight red lines horizontally cut into the glass at least 2 inches round the circumference of such bottle, with the respective quantities marked in bold red figures immediately above the centre of the cut red line aforesaid, shall at all times be kept at the tavern, and shall be used for the measurement of bulk arrack in the said quantities to be sold at the rates for bottled arrack (proviso to condition 1 (c) above).

8. **Drinking Vessels to be of transparent material and to be marked.**—Every drinking vessel used or kept at a tavern other than the standard measures referred to in condition 7 shall be made of glass or of some other transparent material and shall have clearly marked on it in coloured figures its capacity and the current authorized price for that quantity. The quantity shall further be indicated by a horizontal line, coloured red, cut at least 2 inches round the circumference of such vessel and not less than one-half of an inch below the top of the vessel. The price shall be marked in bold red figures immediately above the centre of the cut red line aforesaid and the quantity shall be marked on the opposite side, i.e., on the exterior side of the vessel furthest from the price. No arrack shall be served for consumption on the premises otherwise than in a drinking vessel marked as hereinbefore prescribed and filled up to such mark.

9. **Inspection by Excise Officers.**—All arrack kept or exposed for sale in a tavern shall at all times be made available for inspection and test by officers of the Excise Department.

10. **Accounting of Arrack.**—(a) (i.) The licensee/licensees shall account for all arrack in the prescribed form of tavern register He/they shall also keep separate accounts on Form Excise C. S. 1 in respect of arrack in bulk and of arrack in bottles.

(ii.) The arrack sold in bulk in quantities not exceeding 3 drams for consumption on the premises, and the arrack sold in bulk in quantities exceeding 3 drams in customer's bottles shall be shown in separate columns. For this purpose there shall be added in Form Excise C. S. 1 a new column under the heading "bulk in customer's bottles" adjoining the column under the heading "bulk". The new column shall be provided by means of a slip being pasted alongside the column under the heading "bulk".

(b) The total wastage at every tavern shall be written off at the end of each month and the actual balance in hand of each kind of arrack brought forward on the 1st of the month following.

(c) He/they shall keep a separate account of the sales, if any, to foreign liquor licensees.

I/We \_\_\_\_\_, the afore-mentioned licensee (s) for myself/ourselves, hereby agree with the Government Agent that I/We will well and truly observe and perform the terms and conditions contained in the licence (of which this is a counterfoil) to sell arrack by retail at the premises more fully described above during the official year ending September 30, 19\_\_\_\_, subject to the following conditions to be observed by me/us the said licensee(s), viz. :—

- (a) the General Conditions for the time being in force and applicable to all Excise licences;
- (b) the Arrack Rent Sale Conditions, under which the exclusive privilege of selling arrack by retail at the said premises was granted, and which the said licensee(s) by agreement bound himself/themselves to observe; and
- (c) The following special conditions applicable to this licence :—

1. **Selling Price of Arrack.**—The licensee/licensees—

- (a) shall affix in a prominent place in the tavern, so as to be clearly visible to and legible by the customers at the bar, lists printed in bold letters and figures in English, Sinhalese, and Tamil of the selling price of all kinds of arrack offered for sale, by the dram and by sealed bottles.
- (b) shall not sell arrack in sealed bottles at any other rates than the following except to licensees of foreign liquor premises holding a special arrack permit :—

27°-29° u. p.	.. Extra Spécial	4 0 ..	24 0 ..	3 0 ..	24 0 ..	2 0 ..	24 0 ..

(c) shall not sell arrack by the dram or glass to any person, including a licensee of foreign liquor premises holding a special arrack permit, at a lower rate than the following:—

Quality.	Per Gallon.		Per Dram.	
	(1)	(2)	(3)	(4)
(i.) Ordinary arrack .. .. .	.. .. .	16 80	0 35	} at the strength at which it was issued from the warehouse.
(ii.) Special quality arrack .. .. .	.. .. .	18 0	0 37½	
(iii.) Extra special quality arrack .. .. .	.. .. .	24 0	0 60	

Provided that where, owing to shortage of stocks of bottled arrack in any size or quality, the licensee/licensees is/are obliged to sell arrack in bulk instead of in a bottle to any customer who produces his own bottle or other receptacle, then, if the quantity so sold or demanded exceeds 3 drams at a time, the licensee/licensees shall measure the quantity in standardized bottles (condition 7 below), and shall sell such arrack in bulk, not at the rate fixed by him/them for bulk arrack, but at the same rates as are chargeable for arrack in sealed bottles, namely—

Strength.	Quality.	Per Dram.		Per 4 Drams.		Per 6 Drams.		Per 8 Drams.

27°—29° u.p. .. .. .	Extra Special	0 50	2 0	3 0	4 0				

(d) shall not circumvent the above conditions as to rates of sale by recovering the correct rates at the tavern and by giving rebates or discounts by means of secret or open return at the tavern or any other place, of any portion of the rate so charged, either in cash, or in kind, or by coupons or in any other manner whatsoever.

(e) may in his/their discretion, anything to the contrary notwithstanding in condition 15 of the General Conditions applicable to all Excise Licences, refuse to sell arrack in sealed bottles even on tender of cash to any customer who does not bring an equivalent gallonage of empty bottle or bottles (calculated in the manner set out in Arrack Rent Sale Condition 11A (1)) in replacement of the gallonage of arrack to be purchased by him in sealed bottles, but if it is nevertheless decided to sell arrack in sealed bottles to such customer, the licensee/licensees shall on no account charge such customer any sum in excess of the rates above prescribed as the cost of the bottles sold in the absence of its replacement in kind. Such customer shall however have the right to purchase, on tender of cash, bulk arrack in his own bottle or other receptacle, if bulk stocks are available.

Provided that where, for any reason, bottles of the sizes or colours described in paragraph (b) are not available, the Excise Commissioner may issue arrack in sealed bottles of any other size, shape, colour or capacity, and charge the licensee therefor at the rates set out in Schedule A to the said Arrack Rent Sale Conditions, and fix the selling price thereof under paragraph (b) so as not to leave to the licensee a smaller margin of gross profit than would have been left to him if the arrack had been issued in the three kinds of bottles above mentioned. Such new selling price shall have the same validity as if it had been prescribed under paragraph (b).

2. **Sealed Bottle Sales and Stocks.**—(a) All arrack sold by the bottle on this licence shall be sold in sealed bottles bearing intact the capsule or seal of the Excise Department.

The licensee/licensees shall not keep in a tavern any sealed bottles other than those bearing the capsule or seal and label of the Excise Department. He/they shall put aside any bottle bearing a damaged or obliterated capsule or seal and label, report the facts forthwith in writing to the Inspector in charge of the tavern, and shall show it to the Inspecting Officer on his next visit, and any such bottle shall, if so ordered by the Assistant Commissioner of Excise for the division, be exchanged for a fresh bottle.

(b) The licensee/licensees shall at all times keep at least one dozen sealed bottles or such quantity as may be prescribed as the minimum by the Superintendent of Excise under the provisions of the General Conditions for the time being in force and applicable to all Excise licences, whichever is the lesser quantity, of each kind of bottled arrack on a shelf or rack hung on a wall of the tavern prominently in view of customers at the bar.

(c) No arrack shall be bottled in any tavern, provided however that the filling of a customer's own bottle from the cask of arrack kept in bulk shall be exempt from this prohibition. No corks, capsules, labels, sealing wax, seal or implement for making a seal impression, or other appliances used in bottling arrack shall be kept in the tavern.

(d) Sealed bottles of arrack shall be supplied by the licensee/licensees on demand and tender of cash.

(e) No sealed bottles shall be opened by the licensee/licensees and the arrack in them poured into casks or sold by the glass.

3. **Stocks of Bulk Arrack of Ordinary, Special and Extra Special Qualities.**—(a) The licensee/licensees shall at all times keep and maintain such stocks of arrack in bulk of the Ordinary quality as are sufficient to meet local requirements, and shall mark on the cask or receptacle, in English, Sinhalese and Tamil, the quality of the arrack stocked therein.

(b) It shall be lawful for the Superintendent, by written notice served on the licensee/licensees of any arrack tavern, to require the licensee/licensees, within 7 days of the service of such notice to stock and maintain stocks of arrack in bulk of the Special and/or Extra Special qualities in a cask or other suitable receptacle, and to mark on each such cask or receptacle in English, Sinhalese and Tamil the quality of the arrack stocked therein. Casks or receptacles to comply with such notice shall at all times be kept ready and clean.

(c) Any licensee/licensees, on whom a notice is served, shall comply with the requirements of the notice within the time specified therein.

(d) Casks or other receptacles for bulk arrack shall not be painted.

4. **Strength of Arrack: Prohibition against Adulteration of Arrack and keeping of other Liquors.**—All arrack exposed or kept for sale in a tavern shall be of a strength not below 29° underproof in the case of the Special and Extra Special qualities, and not below 34° underproof in the case of the Ordinary quality as tested in compliance with Excise Notification No. 178 published in Gazette No. 7,654 of July 13, 1928. No water and no colouring, flavouring, or other matter whatsoever shall be added thereto.

No liquor other than arrack issued from a Government Warehouse to the licensee/licensees shall be kept in the tavern.

5. (a) **Furniture, &c., in Taverns to be kept clean.**—The licensee/licensees shall cause all tables and chairs provided for the use of Inspecting Officers, Rent Managers, and Accountants, to be kept scrupulously clean, and shall cause the tops of all such tables to be covered at all times with clean paper.

(b) **Prohibition of other than prescribed Articles in Taverns.**—The licensee/licensees shall not, except as hereinafter in sub-clause (c) provided, and except with the written sanction of an Excise Officer not below the rank of Inspector, permit the introduction into his/their tavern of any articles other than—

- (i.) The storage vessels and stands,
- (ii.) The drinking vessels,
- (iii.) Two tables,
- (iv.) Two chairs,
- (v.) Authorised account books, inspection note-books, and writing materials,
- (vi.) Cash, and receptacles for its safe-keeping,

- (ix.) One stool for each authorised employee, and
- (x.) Separate receptacles for clean and for dirty water for use as prescribed in General Condition No. 25 (4).

(c) **Provision of Spittoons in Taverns.**—The licensee/licensees shall provide in his/their tavern at least three spittoons, which shall be kept in a scrupulously clean and sanitary condition, and be washed daily with disinfectants.

6. **Special Measuring Taps, if required.**—All sales from bulk shall, if the Excise Commissioner at any time so directs by writing under his hand addressed to the licensee/licensees, be made by means of special measuring taps of a pattern to be approved by him.

7. **Standard Measures and Standardized Bottles to be kept.**—Standard measures approved by the Excise Commissioner, viz., 1¼ drams, 1 dram, and ½ dram, ¼ dram, and ⅛ dram shall be kept in every tavern and shall on demand by any customer be used in measuring the arrack he has purchased.

At least two standardized white reputed quarts (of 8 drams neck capacity) with the contents of 8 drams and 6 drams respectively marked on each of them, and at least two standardized white reputed pints (of 4 drams neck capacity) with the contents of 4 drams marked on each of them correctly indicated on the bottles by straight red lines horizontally cut into the glass at least 2 inches round the circumference of such bottle, with the respective quantities marked in bold red figures immediately above the centre of the cut red line aforesaid, shall at all times be kept at the tavern, and shall be used for the measurement of bulk arrack in the said quantities to be sold at the rates for bottled arrack (proviso to condition 1 (c) above).

8. **Drinking Vessels to be of transparent Material and to be marked.**—Every drinking vessel used or kept at a tavern other than the standard measures referred to in condition 7 shall be made of glass or of some other transparent material and shall have clearly marked on it in coloured figures its capacity and the current authorised price for that quantity. The quantity shall further be indicated by a horizontal line, coloured red cut at least 2 inches round the circumference of such vessel and not less than one-half of an inch below the top of the vessel. The price shall be marked in bold red figures immediately above the centre of the cut red line aforesaid and the quantity shall be marked on the opposite side, i.e., on the exterior side of the vessel furthest from the price. No arrack shall be served for consumption on the premises otherwise than in a drinking vessel marked as hereinbefore prescribed and filled up to such mark.

9. **Inspection by Excise Officers.**—All arrack kept or exposed for sale in a tavern shall at all times be made available for inspection and test by officers of the Excise Department.

10. **Accounting of Arrack.**—(a) (i.) The licensee/licensees shall account for all arrack in the prescribed form of tavern register. He/they shall also keep separate accounts on Form Excise C. S. 1 in respect of arrack in bulk and of arrack in bottles.

(ii.) The arrack sold in bulk in quantities not exceeding 3 drams for consumption on the premises, and the arrack sold in bulk in quantities exceeding 3 drams in customer's bottles shall be shown in separate columns. For this purpose there shall be added in Form Excise C. S., a new column under the heading "bulk in customer's bottles", adjoining the column under the heading "bulk". The new column shall be provided by means of a slip being pasted alongside the column under the heading "bulk".

(b) The total wastage at every tavern shall be written off at the end of each month and the actual balance in hand of each kind of arrack brought forward on the 1st of the month following.

3. Every tender must be placed in a sealed envelope clearly marked on the top left corner thus: "Tender for Toddy Tavern/Group \_\_\_\_\_ District, 1943-44" and must reach the Government Agent, Western Province, at different times as shown below against the name of the tavern or designation of the group on June 15, 1943, in respect of the Colombo Municipality taverns, and June 16, 1943, in respect of the Colombo District and Alutgama Taverns. Tenderers should be present at the Kachcheri at the time of closing of tenders.

5. If any tenderer, on being declared the purchaser of a privilege, declines to sign the conditions of sale or fails to furnish the required security when called upon to do so, the tender deposit made by him will be declared to be forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise Licences. Subject to this exception, the deposit of all tenderers will be returned after the Conditions of sale have been signed by the successful tenderer or bidder and the aforesaid security given by the successful tenderer or bidder.

When the rent period is over and the security can be released the notes can be tendered by the holder as security for subsequent rents or contracts with Government or where the holder has no further rents or contracts with Government the value of the notes can be realized without loss in the open market. The Banks too accept these notes as security for overdrafts.

8. Further particulars can be obtained on application at the Colombo Kachcheri.

Every tender must be placed in a sealed envelope clearly marked on the top left hand corner thus: "Tender for Arrack Tavern No. — Ratnapura District, 1943-44" and must reach the Government Agent, Province of Sabaragamuwa, before 11 A.M. in respect of Balangoda Tavern and 11.15 A.M. in respect of Pinnawala Tavern on Wednesday, June 30, 1943. Tenders will close on the date and at the hours specified above. Tenderers should be present at the Kachcheri at the time of closing of tenders.

4. Each successful tenderer shall, immediately on being declared to be the purchaser of the privilege, sign the conditions of sale and pay to the Government Agent as security deposit a sum equivalent to two months' rent payable for that privilege.

5. If any tenderer, on being declared the purchaser of a privilege, declines to sign the conditions of sale or fails to furnish the required security when called upon to do so, the tender deposit made by him will be declared to be forfeited, and defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise Licences. Subject to this exception, the deposit of all tenderers will be returned after the conditions of sale have been signed by the successful tenderer or bidder and the aforesaid security given by the successful tenderer or bidder.

6. The Government Agent reserves to himself the right of rejecting any or all tenders without assigning any reason for so doing.

7. The sanctioned list of arrack taverns is as follows:—

1	Balangoda	Within the Sanitary Board limits of Balangoda	8.30	7.30
2	Kadawata korale	Within the village of Pinnawala	8.30	7.0

8. The Estate Canteens in the area are as follows:—

9. The security required from the grantee of the tavern can be furnished in the form of promissory notes of any of the Ceylon Government interest bearing loans (including the interest bearing war loans). These loans carry a higher rate of interest than fixed deposits in Banks and the interest is paid half yearly by the Government to the holder. When the rent period is over and the security can be released the notes can be tendered by the holder as security for subsequent rents or contracts with Government or where the holder has no further rents or contracts with Government the value of the notes can be realized without loss in the open market. The Banks too accept these notes as security for overdrafts.

10. Further particulars can be obtained on application at the Ratnapura Kachcheri.

Ratnapura, May 25, 1943. Government Agent.

## Sale of Toddy Rents—Ratnapura District, 1943-44.

TENDERS are hereby invited for the purchase of the exclusive privilege of selling fermented toddy within the local areas specified in the schedule below during the rent period, October 1, 1943, to September 30, 1944, subject to the Toddy Rent Sale Conditions published in the *Government Gazette* No. 8,606 of April 26, 1940, and Excise General Conditions published in *Government Gazette* No. 8,368 of May 11, 1938.

2. Every tender should be made on the prescribed form and be accompanied by a Treasury or Kachcheri Receipt acknowledging the sum of Rs. 250 in respect of Balangoda Tavern and Rs. 100 in respect of each of the other taverns or the two taverns grouped together.

3. Tender forms are obtainable at the Offices of the Excise Commissioner, Katugastota, Assistant Commissioner of Excise, Southern Division, Colombo, and of the Superintendent of Excise, Badulla, and at the Kachcheries at Colombo, Kalutara, Badulla and Ratnapura.

4. The security required from the grantee of each tavern may most usefully be deposited in the form of Government of Ceylon loans, registered stocks, promissory notes and war loans (with or without interest). The interest bearing stock, promissory notes and war loans may possibly be found to be more paying than the fixed deposits in Bank, &c. This is merely a suggestion to prospective grantees and carries no further security from Government than the script itself. In the alternative cash must be deposited.

5. Tenders close on Wednesday, June 30, 1943, at the hours specified for each tavern or group of taverns. Tenderers must be present at the Ratnapura Kachcheri when the tenders are closed.

6. Any further information can be obtained on application at the Ratnapura Kachcheri.

*Textile Control Notice No. 5.*

## I.—RETURNS OF STOCKS OF TEXTILES.

1. Reference is invited to paragraph 9 of my Textiles Control Notice No. 4 on this subject.

2. Regulation 28 (2) of the Defence (Control of Textiles) (No. 1) Regulations, published in *Gazette Extraordinary* No. 9,102 of March 22, 1943, requires every DEALER IN REGULATED TEXTILES to take stock of all such textiles held by him on APRIL 1, 1943, and to note them in a Register of Stocks separately in respect of his business as a manufacturer, wholesaler-in-Bulk, wholesaler, and/or retailer under the headings in columns (3) to (13) of the Third Schedule to the said Regulations.

3. Those dealers who have inadvertently failed to take stock on April 1, 1943, and have taken stock on some later day, should arrive at their stock on April 1, 1943, by adding to stocks as taken on such later date all sales made between April 1, 1943, and such later date, and deducting from the sum total all new stocks manufactured, imported or locally purchased between April 1, 1943, and such later date.

4. A RETURN OF STOCKS as on April 1, 1943, should be sent to me addressed to :—

The Controller of Textiles,

on as small a strip of paper as possible, giving the following data :—

## II.—PAYMENTS FOR EXPORT LICENCES IN INDIA.

10. Attention is invited to paragraph 3 (c) of my Textiles Control Notice No. 4, in which payments, if any were made, for securing export licences in India up to 5 per cent. of the aggregate invoiced purchase amount, were allowed to be calculated in the Landed Cost. This decision has now been revised by Government, and it was resolved that in future payments for export licences should not be taken into account at all.

11. Importers of Regulated Textiles should therefore note that for all shipments and consignments by rail or post received in Ceylon on or after June 16, 1943, no payments for export licences in India will be allowed to be charged as part of the Landed Cost, even if any such payments were actually made. Buying Agents in India should, it is suggested, be immediately informed not to pay for export licences. Such payment in the past, if any, should not be included in any other manner or in any other item of an invoice.

## III.—SCHEDULE OF PRICES AND PRICE LABELS.

12. Any dealer who is found not to have put up Schedules of Prices, and not to have attached Price Labels in accordance with the Requirements of Regulation 6 on or before June 16, 1943, will render himself liable to the penalty prescribed in Regulation 36.

13. Attention is particularly drawn to the second subparagraph of Regulation 6 (3), and to paragraphs 4 (b) and 5 (b) of my Textiles Control Notice No. 4.
