Notification No. 70.

REGULATIONS made by the Executive Committee of Agriculture and Lands, under section 27 of the Tea Control Ordinance, No. 12 of 1938.

1. These regulations may be cited as the Tea (New Planting) Regulations, 1943.

2. Subject to the general or special directions of the Executive Committee, the Controller may, in his discretion, issue permits for the exercise of new-planting rights under section 27 of the Ordinance.

3. Application for a permit to exercise new-planting rights shall be made in writing, to the Controller, accompanied by a return in duplicate, which should be in Form T. C. 8.

4. Every permit for the exercise of new-planting rights shall be in Form T. C. 9.

5. A permit shall authorise the person named herein (hereinafter referred to as the "permit-holder") to exercise, in accordance with these regulations, new-planting rights in a specified area of land described in that permit.

6. A permit shall not be transferable.

7. No person shall exercise new-planting rights except under the authority of a permit or otherwise than in accordance with these regulations and with the terms and conditions of the permit.

8. A separate permit shall be issued in respect of each land, and where two or more blocks of one land are not contiguous, they shall be deemed to be separate lands for the purpose of these regulations.

9. No permit-holder shall exercise new-planting rights on any land other than that described in the permit or on any area of land exceeding the area specified in the permit.

10. No labourer recruited from outside Ceylon on or after the date on which these regulations come into force shall be employed on any land for the purpose of the exercise of new-planting rights.

In this regulation "labourer recruited from outside Ceylon" does not include any labourer who was employed in Ceylon before the date on which these regulations come into force and returns to Ceylon on or after that date for the purpose of resuming his original employment or securing any other employment.

11. Where a permit under these regulations is granted to the registered proprietor of an estate or small holding, no labourer employed on that estate or small holding shall, for the purpose of the exercise of new-planting rights under the permit, be diverted from his employment on the estate or small-holding, unless such diversion does not cause any decrease in the aggregate number of labourers employed on the estate or small-holding.

12. Every permit-holder shall, before exercising new-planting rights on any land, eradicate the existing permanent plantations on that land.

13. Every permit-holder shall take all such measures as the Controller may direct for the prevention of soil erosion in the land on which the new-planting rights are exercised under that permit.

14. The permit-holder shall comply with the special conditions, if any, attached to the permit.

15. No permit issued in any period of assessment shall be valid after the expiry of that period of assessment.

16. Every applicant, for a permit and every permit-holder shall, on demand, furnish to the Controller such information, survey plan, title deed or certified copy thereof, or other documents as the Controller may from time to time require—

(a) for the purpose of the verification of or consideration of any statement made in any return furnished under these regulations; or

(b) for the supervision of the exercise of new-planting rights; or

(c) for obtaining such statistics as may be required in regard to the exercise of new-planting rights.

17. The Controller or any person authorised by him in writing may, for the purpose of these regulations, at any time during the day enter and inspect any land in respect of which an application is made under these regulations or in respect of which a permit is issued.
