2. (a) Tenders which must be enclosed in sealed envelopes superscribed "Tender for mining plumbago" will be received at the Kalutara Kachcheri until 10 A.M., on July 10, 1943, when they will be opened. All persons making tenders will be required to be present in person or satisfy the Assistant Government Agent, Kalutara, by some duly accredited agent or agents that the tender is made in good faith

(b) The upset premium is Rs 250

3. The person whose tender is accepted shall pay to the Assistant Government Agent, Kalutara, 10 per cent of the amount of his tender and shall sign the conditions of lease on which the tender is accepted. Should such person fail either to pay the said sum of money or sign the conditions of lease, the Assistant Government Agent, Kalutara, shall be at liberty to reject his tender. The balance amount of tender shall be paid within one month

4. On payment to the Assistant Government Agent, Kalutara, within the time specified of the full amount of the tender, the minimum royalty for one year and security, the successful tenderer will be let into possession of the land and he will receive an indenture of lease entitling him to mine for plumbago therein subject *inter alia* to the following conditions:—

- The term of the lease shall be five years with an option to the lessee to renew the lease for a further term of five years upon such conditions as the Assistant Government Agent, Kalutara, may consider suitable. Provided that the lessee may terminate the lease by giving six months' notice to the lessor in writing.
- The lessee shall be entitled to utilize any non-scheduled timber on the land which may be required by him for purposes incidental to the lease. He shall, however, not remove any timber whatsoever from the land without the permission of the Assistant Government Agent, Kalutara, or otherwise than in accordance with the conditions of such permission.
- The lessee shall have no right to mine for or remove any minerals other than plumbago from the land.
- The lessee shall deposit with the Assistant Government Agent, Kalutara, a sum of Rs. 150 as security for the due fulfilment of the conditions of the lease.

6. If at any time after the acceptance of the tender, but before the issue of the indenture of lease it appears to the Assistant Government Agent, Kalutara, that the calling for tenders for the right to dig for plumbago in the said land was due to some mistake or oversight, but for which the same would not have been advertised for lease, or that there is pressing need for the retention of the said land by the Crown, the Assistant Government Agent, Kalutara, may declare the said lease cancelled and thereupon the successful tenderer shall be entitled to a refund of any sum deposited by him, but to no compensation or any other relief whatsoever.

7. Should the successful tenderer or an attorney sufficiently authorized by him for the purpose fail or neglect for any reason whatsoever to sign the indenture of lease within ten days of it being presented to him for signature or of a notice in writing to present himself at a place to be specified therein to sign the said indenture, or to pay the amount of tender, security, royalty, surface rent, survey fees and the cost of the Mining Rights Diagram mentioned in the preceding paragraphs hereof, the Assistant Government Agent, Kalutara, shall have the right to declare the said lease cancelled and to forfeit as liquidated damages and not as penalty, any sum of money which the successful tenderer may have paid and the successful tenderer shall not be entitled to any refund of any sum so forfeited, nor to compensation for improvements, or damages sustained, nor shall he have a claim to any other relief whatsoever.
