**NOTICES UNDER "THE EXCISE ORDINANCE,
No. 3 OF 1912".**

Arrack Rent Sale, 1942-1943, Mannar District.

TENDERS are hereby invited for the purchase of the exclusive privilege of selling arrack by retail in the under-mentioned local areas during the period October 1, 1942, to September 30, 1943, subject to General Conditions, applicable to all Excise Licences, published in *Government Gazette* No. 8,368 of May 11, 1938, and to the Arrack Rent Sale Conditions for 1942-1943, published in the *Government Gazette* No. 8,932 of May 22, 1942.

2. Every tender shall be made on the prescribed form and be accompanied by a Treasury or Kachcheri receipt acknowledging the deposit of a sum of Rs. 250.

3. Tenders should be addressed to the Assistant Government Agent, Mannar. Every tender must be placed in a sealed envelope

A 8

clearly marked on the top left hand corner with the name of the tavern in respect of which the tender is made and its number on the list of sanctioned taverns. The envelope shall be—

- (a) deposited in the Kachcheri tender box, or
- (b) handed over to the Assistant Government Agent or to his Office Assistant, or
- (c) sent by registered post addressed to the Assistant Government Agent so as to reach the Kachcheri before the time fixed for closing the tenders.

4. Every tender shall be made by the tenderer in his own name. No tender made through an agent will be accepted. No person shall send in more than one tender for any one tavern. Tenders not made strictly in accordance with the Sale Conditions of which are in any way not in order will not be considered.

5. Tender forms will be issued at any Kachcheri in the Island, the Office of the Excise Commissioner, Katugastota, the Office of the Assistant Commissioner of Excise, Northern Division, Jaffna, or the Office of the Superintendent of Excise, Trincomalee, to those who produce a Kachcheri receipt for Rs. 250 in respect of each tender form.

6. Tenders close at Mannar Kachcheri on Friday, August 14, 1942, at 10 A.M. Tenderers must be present at the time tenders close.

7. (1) The Assistant Government Agent reserves to himself the right of rejecting any or all tenders without assigning any reason therefor.

(2) Conditions of Sale and other particulars can be obtained on application at the Mannar Kachcheri.

8. The attention of tenderers is drawn to new condition 11A of the Arrack Rent Sale Conditions, which aims at ensuring the return of empty arrack bottles to the Bottling Warehouses and preventing their diversion to other uses. According to this condition the first issue of bottled arrack for the new rent period will be on the security of a deposit to be made by the renter for each tavern as shown in Schedule AA representing the value of empties proposed to be drawn. This deposit should be made at the same time as the payment for the first consignment of arrack. Two separate Kachcheri receipts should be produced at the warehouse for the deposit to cover the value of empties and the first payment for arrack. The second and subsequent issues of bottled arrack will be conditional on the gallonage of empty bottles brought by the renter to the warehouse. In broad terms, the gallonage that will be issued will be equivalent to the gallonage of empty bottles returned by the renter—for details see conditions 11A (1) and (6). Renters will be expected to make every effort to collect the empties of the sealed bottles sold at their respective taverns.

9. Condition 20 will enable the Department to compel a renter to take his quota of sealed bottles of arrack, so that a renter may not exploit the situation by making bigger profits on unduly inflated sales of bulk arrack.

10. Attention is also drawn to Schedule A. The issue price at the warehouse of the Extra Special Quality of arrack has been increased from Rs. 15.40 per gallon to Rs. 20.20 per gallon, but there is no alteration in the gross profit to the renter, as the selling price at the tavern has correspondingly been increased from Rs. 19.20 to Rs. 24.00 per gallon—*vide* condition 1 (b) of the Arrack Tavern Licence form in Excise Notification 373. The gross profit of Rs. 3.80 on all these qualities thus remains as at present.

11. The proviso to condition 1 (c) of the new licence form should be noted. Bulk arrack sold for off-consumption will not be allowed to be sold at the tavern price for bulk arrack fixed by a renter under condition 1 (c).

12. Condition 1 (e) of the new licence form will help the renter to establish the habit of customers bringing back their empty arrack bottles to the tavern (for return to the warehouse).

13. Attention is also drawn to amended condition 3 (b), new condition 3 (d), amended condition 7, and new condition 10 (a) (ii.) of the new licence form.

14. Other minor amendments in the Arrack Rent Sale Conditions and in the said new arrack tavern licence form will also have to be complied with.

15. The security required from the grantee of the tavern can be furnished in the form of promissory notes of any of the Ceylon Government interest bearing loans (including the interest bearing war loans). These loans carry a higher rate of interest than fixed deposits in banks and the interest is paid half-yearly by Government to the holder. When the rent period is over and the security can be released, the notes can be tendered by the holder as security for subsequent rents or contracts with Government, or where the holder has no further rents or contracts with Government, the value of the notes can be realized without loss in the open market. The banks too accept these notes as security for overdrafts.

The Kachchori, W. HOLMES,
Mannar, July 9, 1942. Assistant Government Agent.

6. No person is permitted to send in more than one tender. Tenders not made strictly in accordance with the conditions of sale or which are in any way not in order will not be considered.

7. The Assistant Government Agent, Mannar, reserves to himself the right of rejecting any or all tenders without assigning any reason therefor.

8. The grantee shall, immediately on being granted the privilege, sign these conditions and pay to the Assistant Government Agent, Mannar, as a security deposit a sum equivalent to two months' rent payable for the privilege. The grantee shall also within fourteen days of the sale of the privilege, enter into a bond with the Assistant Government Agent for the full amount for which he has purchased it, and he shall specially hypothecate by such bond the said security deposit.

9. The security required from the grantee of the tavern can be furnished in the form of promissory notes of any of the Ceylon Government interest bearing loans (including the interest bearing War Loans). These loans carry a higher rate of interest than fixed deposits in banks and the interest is paid half-yearly by Government to the holder. When the rent period is over and the security can be released, the notes can be tendered by the holder as security for subsequent rents or contracts with Government, or where the holder has no further rents or contracts with Government, the value of the notes can be realized without loss in the open market. The banks too accept these notes as security for overdrafts.

10. Tenders close at 10 A.M. on Friday, August 14, 1942. Tenderers are requested to be present at the Kachcheri on the above date.

13. Condition 1 (e) of the new licence form will help the renter to establish the habit of customers bringing back their empty arrack bottles to the tavern (for return to the warehouse).
