THE CEYLON (STATE COUNCIL ELECTIONS)  
ORDER IN COUNCIL.*Revision of Registers.*

Colombo North, Central, and South Electoral  
Districts.

THE Registers of Voters of the Colombo North, Central, and South Electorates for the year 1942 are being revised, and attention is invited to the relevant provisions of the Ceylon (State Council Elections) Order in Council, 1931, and in particular those provisions which relate to the qualification of voters.

2. In terms of Article 6, no person is qualified to have his name in any register of voters unless he satisfies all the following conditions:—

- (a) is a British subject;
- (b) is not less than 21 years of age on August 1, 1942.
- (c) has for a continuous period of six months between February 1, 1941, and August 1, 1942, resided in the electoral district to which the register relates;
- (d) has not been adjudged by a competent court to be of unsound mind; and
- (e) has not been convicted of a corrupt or illegal practice in connexion with the election of a member of the State Council.

3. Any person who is not disqualified under Article 6 is qualified to have his name entered in the register of voters if he has:—

- (a) a domicile of origin in Ceylon (Article 7); or
- (b) a domicile of choice in Ceylon (Article 7); or
- (c) the special literacy and property qualification (Article 8) or
- (d) a certificate of permanent settlement (Article 9).

4. The procedure that will be followed in respect of the classes of persons mentioned in the preceding paragraph and whose names do not appear in the 1941 registers will be as follows:—

- (a) Persons possessing domicile of origin in Ceylon should give their names to the enumerators who will be calling at their residences between August 14 and September 7, 1942.
- (b) Persons claiming domicile of choice in Ceylon will similarly give their names to enumerators who will be calling at their residences between August 14 and September 7, 1942. These persons must also furnish proof to the enumerators that they have—
  - (i.) resided in Ceylon for a total period of or exceeding 5 years; and

(ii.) have determined to make Ceylon their sole and permanent home.

Their names will be entered in the registers only if the Registering Officer is satisfied that they are qualified. It will be convenient if they produce the necessary evidence before the enumerators; documentary evidence such as letters from employers, &c., will be inspected by the enumerators and returned to the persons producing them.

*Note.*—If any person possessing a domicile of origin or a domicile of choice cannot meet an enumerator, he should communicate with this office immediately after September 7, 1942.

(c) and (d) Persons who are qualified to be registered by virtue of the special literacy and property qualification (Article 8) or the special qualification by certificate of permanent settlement (Article 9) should, if they desire to have their names entered in the register, apply in writing in accordance with the instructions contained in the notification published in *Ceylon Government Gazette* No. 8,975 of July 24, 1942, and in the *Ceylon Observer*, the *Dinamina* and the *Virakesari* of the same date.

The necessary forms for the purpose of these applications can be obtained from this office.

5. It is desired to make the revision of the registers as complete and accurate as possible and the Registering Officer seeks the co-operation of all persons in the matter. He hopes that the necessary information will be furnished to enumerators readily and accurately. It may be added that registration under the Ceylon (State Council Elections) Order in Council, 1931, is concerned solely with the exercise of the franchise and it has no connexion whatever with any other matter.

## MISCELLANEOUS DEPARTMENTAL NOTICES.

## Dearness Allowance Payable on Estates.

IT is hereby notified for General information that as the index number for the month of August, 1942, was 171, the dearness allowance payable to labourers on estates for each working day in August, 1942, is 29 cents for a male labourer, 29 cents for a female labourer, and 18 cents for a child.

2. For August the dearness allowance has been calculated on the basis that all rice will be sold to labourers at the controlled price and estates are authorized to charge accordingly.

3. Out of the sum of 29 cents payable to a male labourer,  $17\frac{1}{2}$  cents represents the amount the estate would have incurred as loss on rice if it continued to supply it as agreed at Rs. 4.80 per bushel, which was the condition on which the wages were fixed.

Controller of Labour.
