PART I.—GENERAL.

GOVERNMENT NOTIFICATIONS.

L. D.—CF. 4/43.

THE DEFENCE (MISCELLANEOUS) REGULATIONS.

ORDER made by the Governor under regulation 43D of the Defence (Miscellaneous) Regulations.

By His Excellency's command,

H. A. C. DOBBS,
Acting Secretary to the Governor.

Colombo, 11th February, 1943.

Order.

1. This Order may be cited as the Controlled Articles (Cement) Order, 1943.

2. Cement is hereby declared to be a controlled article for the purposes of regulation 43D of the Defence (Miscellaneous) Regulations.

3. Every person (whether or not he carries on business as a seller or supplier of cement) who, on the prescribed date, has in his possession or under his control any quantity of cement, shall, before the expiry of a period of seven days from that date, transmit to the Controller a return in the form set out in the Schedule to this Order setting out such particulars as are required to be specified in that form.

4. (1) The Controller may in his discretion appoint such number of persons as he may deem necessary to be authorised dealers for the purpose of selling or distributing cement under this Order.

(2) No person other than an authorised dealer shall, on or after the prescribed date, sell any cement to any other person.

5. (1) No person shall, on or after the prescribed date, purchase or acquire any quantity of cement of any description, except under a permit granted by or on behalf of the Controller and authorising that person to purchase or acquire that quantity of cement of that description.

(2) No dealer shall, on or after the prescribed date, sell or dispose of any quantity of cement of any description to any person, except upon the surrender by that person of a permit authorising him to purchase or acquire that quantity of cement of that description from that dealer.

(3) No dealer shall, on or after the prescribed date, appropriate to his own use any quantity of cement in his possession or under his control, except under a permit in that behalf granted by or on behalf of the Controller.

6. (1) Every application for a permit under this Order shall be made to the Controller in such form as may be prescribed by him by notification published in the *Gazette*.

(2) The Controller may in his discretion refuse to grant a permit under this Order to any applicant; and the decision of the Controller shall be final.

(3) A permit under this Order shall be valid only during such period as may be specified in the permit.

(4) The powers conferred on the Controller by sub-paragraph (2) may be exercised on his behalf by any Deputy Controller or other officer acting under the general or special directions of the Controller.

7. No person to whom any permit has been granted under this Order shall transfer the permit to any other person.

8. The Controller shall specify in every permit issued under this Order the name of the authorised dealer from whom the cement to which the permit relates is to be purchased or obtained.

9. Every person to whom a permit has been granted under this Order shall, before taking delivery of the cement to which the permit relates—

(a) affix his signature (or his thumb-print, if he is unable to write) to the permit in the presence of the dealer; and

(b) surrender the permit to the dealer.

10. Every person who on the authority of a permit issued under this Order obtains any cement for the purposes of any work, shall—

(a) forthwith after the end of each month in the period of time required for the completion of that work other than the month in which that work is completed, and

(b) forthwith after the completion of that work,

inform the Controller in writing whether there remains any quantity of that cement which has not been used for such purposes.

11. Where, after the completion of any work for which any person has obtained any cement on the authority of a permit issued under this Order, there remains any quantity of that cement which has not been used for the purpose of completing that work, that person shall dispose of the quantity so remaining in such manner as the Controller may direct.

12. No person shall sell or supply or purchase or acquire any quantity of cement otherwise than in accordance with the provisions of this Order.

13. Every authorised dealer shall—

(a) maintain such records or registers relating to his business as the Controller, or any officer or person acting under the authority of the Controller, may by notice require him to maintain; and

(b) furnish to the Controller such returns or other information relating to his business as the Controller, or any officer or person acting under the authority of the Controller, may from time to time by notice require him to furnish.

14. The Controller may, in his discretion, cancel at any time the appointment of any person as an authorised dealer for the purposes of this Order.

15. If any applicant for a permit under this Order makes any false statement in his application, then, without prejudice to the institution or maintenance of a prosecution for any offence thereby committed under this Order or any other written law, that application or any subsequent application by him for a permit under this Order may be refused by the Controller or by any officer or person acting under the authority of the Controller.

16. Every return and every application made under this Order shall be verified by declaration to the effect that the particulars contained therein are true and accurate.

17. Nothing in this Order shall apply to the supply of cement by any Naval, Military, or Air Force authority, or by the Government for the purposes of any work undertaken by or on behalf of that authority or the Government.

18. In this Order, unless the context otherwise requires—

“cement” means cement of any description whatsoever;
“Controller” means the Controller of Prices (Miscellaneous Articles) appointed under the Control of Prices Ordinance, No. 39 of 1939; and

“prescribed date” means the date on which this Order is published in the *Gazette*.

THE DEFENCE (MISCELLANEOUS) REGULATIONS.

Appointment of Competent Authority.

BY virtue of the powers vested in me by regulation 3 of the Defence (Miscellaneous) Regulations, I, Andrew Caldecott, Governor of Ceylon, do hereby appoint the Rubber Commissioner to be a competent authority for the whole Island for the purpose of requisitioning, under regulation 37 of those regulations, any quantity of sodium bisulphite; and accordingly, the Notification under the said regulation 3 published in *Gazette* No. 9,066 of January 15, 1943, shall be amended in Part I. of the Schedule thereto by the insertion, in column 3, immediately after paragraph (b) of item 7 set out therein, of the following:—

“(c) Sodium bisulphite.”

Colombo, 12th February, 1943.

A CALDECOTT,
 Governor.

L. D.—CF. 5/43.

THE DEFENCE (MISCELLANEOUS) REGULATIONS.

ORDER made by the Governor under regulation 43D of the Defence (Miscellaneous) Regulations.

By His Excellency's command.

H. A. C. DOBBS,
 Acting Secretary to the Governor.

Colombo, 12th February, 1943.

Order.

1. This Order may be cited as the Controlled Articles (Sodium Bisulphite) Order, 1943.

2. Sodium bisulphite is hereby declared to be a controlled article within the meaning of regulation 43D of the Defence (Miscellaneous) Regulations for the purposes of the application of the provisions of that regulation to that article

3. (1) Every person who, on the date of the publication of this Order in the *Gazette*, has in his possession or under his control any stock of sodium bisulphite weighing not less than two hundredweight, whether for his own use or for purposes of sale, shall, within seven days from that date, furnish to the Controller a return setting out—

- the name and address, and the place of business (if there is a separate place of business), of that person;
- the quantity of such stock;
- the purposes for which such stock is kept; and
- the situation of the premises in which such stock is stored.

(2) Every person shall, if required so to do by the Controller by notification published in the *Gazette*, furnish to the Controller within the time prescribed in such notification, a return setting out such particulars as may be required by the notification to be so set out in respect of all stocks of sodium bisulphite weighing not less than two hundredweight, which were or which will be in the possession or under the control of that person, whether for his own use or for purposes of sale, during any period specified in the notification.

(3) Every return furnished under this paragraph by any person shall contain a declaration signed by that person to the effect that the facts set out in that return are true and correct.

4. No person shall import into the Island, or purchase or otherwise acquire, any quantity of sodium bisulphite except under the authority of a permit in that behalf granted by the Controller.

5. No person shall sell or otherwise dispose of any quantity of sodium bisulphite to any other person except upon the surrender by that other person of a permit authorising him to purchase or otherwise acquire that quantity.

6. (1) Every application for a permit authorising any person to import into the Island, or to purchase or otherwise acquire, any quantity of sodium bisulphite shall be made to the Controller in such form as may be provided by the Controller.

(2) The Controller may in his discretion either refuse to grant any permit for which application is made under subparagraph (1) of this paragraph or grant a permit authorising the purchase or acquisition of any quantity of sodium bisulphite less than the quantity specified in the application.

7. The Controller or any officer acting under the authority of the Controller may enter any premises in which any stock of sodium bisulphite is kept or stored and inspect such premises for the purpose of ascertaining the quantity of such stock and the person in charge of such premises shall permit and assist the Controller or such officer to enter and inspect such premises for such purpose.

8. In this Order, “Controller” means the Rubber Commissioner.
