By His Excellency's command,

Acting Secretary to the Governor

Nuwara Eliya, October 5, 1943

The Africa Star and the 1939-43 Star, the Clasps to the Two Stars, the Despatches Emblem, Wound Stripes and Chevrons for War Service

The Committee on the grant of Honours, Decorations and Medals, in time of war, and a special Committee formed therefrom have had under consideration proposals and directions by the Prime Minister, First Lord of the Treasury and Minister of Defence relative to recommendations for the institution of awards for service during hostilities. Certain of the Reports by the Committee have been submitted by the Prime Minister to The King and His Majesty has graciously approved the recommendations summarised in the following memorandum

*The Africa Star and the 1939-43 Star
Clasps to the Two Stars*

1 In commemoration of the expulsion of the enemy from North Africa and to recognise services rendered in operations during the first four years of the war, The King has approved the institution of two awards for the Armed Forces and the Merchant Navy, to be known as the Africa Star and the 1939-43 Star. No individual will qualify for both. Consideration of the manufacture and issue of the Stars themselves will be postponed until after the war. The ribbons are to be made now, and will be issued when supplies are ready.

The Africa Star

2 The Africa Star will be granted for service in North Africa from the date of the entry of Italy into the war on June 10, 1940, up to the date of the cessation of operations against the enemy in North Africa on May 12, 1943, inclusive. The ribbon is pale buff in colour, with a central vertical red stripe and two other narrower stripes, one dark blue and the other light blue. The background is intended as a symbol of the desert, the central red stripe stands for the Armies, the dark blue stripe for the Naval Forces and the Merchant Navy, and the light blue stripe for the Air Forces. The ribbon is to be worn with the dark blue stripe furthest from the left shoulder.

(a) *Army*—The qualification is entry, as part of the establishment, into an operational command in North Africa. The individual should have been taken on the strength of a unit or formation. The whole of the area between the Canal and the Straits of Gibraltar is included. Service in operations in Abyssinia, Somaliland and Eritrea, and also in Malta, is a qualification. Service in West Africa is excluded.

(b) *Air Force*—The qualification is landing in the area of an Army operational command as defined above including Malta. Casual journeys and inspections, other than those specially approved, are excluded. In addition, service in the air over any of the Army operational commands in North Africa as defined above, or over enemy occupied territory in North Africa is a qualification, provided that the individual is not eligible for the 1939-43 Star mentioned below.

(c) *Navy*—In the Navy the Africa Star will be awarded only for service on shore or in harbour in the same areas and between the same dates as the Army, and provided that the individual is not eligible for the 1939-43 Star mentioned below.

(d) *Merchant Navy*—In the Merchant Navy the Africa Star will be awarded for service on shore or in harbour under the same conditions as the Royal Navy.

Clasps to the Africa Star

3 (a) *Army*—A silver emblem in the form of an arabic "8" or "1" will be worn on the ribbon in service dress denoting the award of one of these Clasps in the Army. The awards will be restricted to service in the Eighth and First Armies respectively in the period from October 23, 1942, inclusive, the date of the battle of el Alamein, up to the date of the cessation of operations against the enemy in North Africa on May 12, 1943. Only one Clasp will be granted to any individual.

(b) *Air Force*—A Clasp, denoted by the standard silver rose emblem on the ribbon, will be awarded to air crew and non air crew personnel of the Royal Air Force under the command of the A O C, Western Desert, or the Air Commander North-West African Forces, and to air crew personnel under the command of the A O C, Malta, or of other A O Cs, who operated in support of the Eighth Army or First Army or in the cutting of Rommel's or von Arnim's communications, or in the defence of Malta, during the period from October 23, 1942, to the date of the cessation of hostilities in North Africa on May 12, 1943. (Royal Air Force personnel eligible for the 1939-43 Star, which in the Air Force will have priority of award over the Africa Star, will be granted a Clasp to the 1939-43 Star for the service referred to in this paragraph. This rose emblem also will be of the standard silver pattern.)

(c) *Navy*—As has been stated above, the Africa Star will only be awarded in the Navy for service on shore or in harbour. There will be no award of a Clasp to the Africa Star in the Navy except for personnel, if any, who served as part of the Eighth or First Armies. For these the time limits will be as for the Army, and an "8" or a "1" emblem will be issued.

(Officers and Ratings of certain units, for instance in shore squadrons and some of the escorting vessels serving off the coast of North Africa, and of submarines and other craft specifically engaged in cutting Rommel's or von Arnim's communications, from October 23, 1942, to the cessation of hostilities in North Africa on May 12, 1943, will be awarded a Clasp to the 1939-43 Star referred to below. The rose emblem will be of the standard silver pattern.)

(d) *Merchant Navy*—(As in the Royal Navy, the Clasp to the 1939-43 Star will be awarded in the Merchant Navy to the personnel of vessels which worked inshore during the North African Campaign between October 23, 1942, and May 12, 1943.)

4 The 1939-43 Star will be granted for service in operations during the period from September 3, 1939, to December 31, 1943. The ribbon is dark blue, red and light blue in three equal vertical stripes. The dark blue stripe is intended to mark the service of the Naval Forces and the Merchant Navy, the red stripe that of the Armies, and the light blue stripe that of the Air Forces. The ribbon is to be worn with the dark blue stripe furthest from the left shoulder.

(a) *Navy*—The qualification is six months' service, afloat in areas of active operations during the period from September 3, 1939, to December 31, 1943, inclusive. Service after December 31, 1943, will not be reckoned.

These areas are —

- (i) From September 3, 1939, the Atlantic Ocean, including Home Waters, and the North Sea, the Baltic, the Arctic Ocean between Greenland and longitude 70° E and that part of the Indian Ocean lying South of 15° S and West of 55° E.
- (ii) From June 1, 1940, as (i) with the addition of the Pacific Ocean and the rest of the Indian Ocean.
- (iii) From June 10, 1940, anywhere at sea.

Naval personnel, not eligible by length of service afloat, who served in operations and Commando Raids accepted as qualifying Army personnel for the 1939-43 Star, will be held to qualify.

Officers and Men of the Fleet Air Arm, who are not qualified by sea service, may be considered for qualification under similar rules to the R A F.

(b) *Army*—The Army qualification will be six months in an operational command during the period September 3, 1939, to December 31, 1943. As, however, there have been campaigns that have not covered six months, certain exceptions will be made. Where troops have been evacuated, e.g., from Dunkirk, Norway, &c., they will be eligible for the 1939-43 Star although their service in operations may have been less than six months, and specified Commando Raids will be similarly treated. The list of such exceptions is under consideration. India will not be regarded as an operational command except for the purpose of operations on the Burma and North-West frontiers. Service on passage to an operational command through dangerous waters will count towards the six months' qualifying period.

(c) *Air Force*—The 1939-43 Star will be awarded to all air crews who have taken part in operations against the enemy, subject to the completion of two months in an operational unit. In addition, non crew personnel serving in the area of

an Army operational command will qualify, six months' service in the area of the operational command being the qualification, and special exception being made for those evacuated, e.g., from Dunkirk, Norway, &c., as for the Army above.

(d) *Merchant Navy* — The Merchant Navy will be awarded the 1939-43 Star under the same conditions as the Royal Navy, except that six months' service at sea will qualify, provided that at least one voyage had been made through one of the specified areas of active operations. Service in the landings on or after November 8, 1942, on the coast of Morocco, will be a qualification.

(e) *General* — Operational service for a lesser period than six and two months respectively, but brought to an end by death, wounds or other disability due to service will qualify. The grant for service in operations, of an Honour, Decoration or Mention in Despatches would in the armed forces or the Merchant Navy be a qualification for the award of the Star.

Clasp to the 1939-43 Star

5 This Clasp will be denoted by a silver rose emblem, of the standard pattern, and will be confined to the Navy, the Air Force and the Merchant Navy, for North African service. The conditions will be as stated in brackets under heading 3, "Clasps to the Africa Star" above, sub paragraphs (b), (c) and (d).

Allied Nationals in the British Forces

6 Allied nationals serving as members of the British Forces (other than those enlisted or commissioned thereon by virtue of their membership of Allied Forces) will be eligible for the Stars as members of such Forces, provided their services do not qualify them for similar awards from their own Governments.

The Dominions India, Burma and the Colonial Empire

7 The above arrangements will also apply to the Forces and Merchant Navies of Canada, Australia, New Zealand, South Africa, India, Burma and the Colonial Empire.

The Despatches Emblem, Wound Stripes and Chevrons for War Service

8 His Majesty has also approved an Emblem to denote Mentions in Despatches and has authorised the institution of Wound Stripes and Chevrons for war service. These will be issued as soon as they are ready, but production may take some months.

Mentions in Despatches

9 The Despatches Emblem is to be granted only for Mentions in Despatches awarded for service in the present war. One such Emblem only will be worn in respect of any number of Mentions in Despatches. The Emblem is in bronze of a new pattern in the form of an oak leaf and is to be worn on the coat immediately after all Medal ribbons. It has been designed by Mr Percy Metcalfe, C.V.O. It is not intended to be worn during the war on the ribbon of any Medal or Star but is to be attached directly to the coat in the position in which a single ribbon would be worn or in the position in which a ribbon would be placed immediately after those already worn. The stalk would be worn furthest from the shoulder.

Wound Stripes and Chevrons for War Service

10 The Wound Stripes and Chevrons will be awarded not only in the Navy, the Army, including the Home Guard, the Air Force, the Merchant Navy and the Fishing Fleet serving at sea, Civil Air Transport and the Coast Guard, but also to N.A.A.F.I. employees in respect of service with the Forces at sea or overseas. They will also be awarded in specified Civil Defence Services, the Fire Guard, the Police and the National Fire Service, to Nurses in Hospitals under the control of Government Departments or Local Authorities or

in the recognised Voluntary Hospitals, and, in addition, to Lighthouse and Lightvessel keepers serving under the three general Lighthouse Authorities.

Wound Stripes

11 The Wound Stripes denoting wounds sustained in the present war, will be of narrow gold braid and one and a half inches in length. They are to be worn vertically on the left forearm. One is to be worn in respect of each occasion on which the individual is wounded. The Wound Stripe will, in the Civil Defence Services, be awarded only in respect of wounds or injuries due to enemy action, sustained on duty, and involving not less than seven consecutive days' incapacity. A Wound Stripe in red has also been approved. This is to denote wounds of previous wars, and one such stripe only will be worn in respect of any number of wounds so sustained. It will be worn to the rear of the first gold Wound Stripe.

Chevrons for War Service

12 The Chevrons for war service are of one pattern and will be in red, the arms being three quarters of an inch in length. The Chevrons are to be worn in uniform on the right forearm. If uniform has not been issued they will be worn on the armlet or on the coat. One Chevron is to be granted for each completed year of service in the present war. A recipient will become eligible for the first Chevron at the end of his first completed year of war service, and so on. Special regulations will be required in connection with part time service.

Civil Defence Services Nursing Services

13 The following Civil Defence Services will be eligible for the Wound Stripe and Chevrons: Ambulance Service (including Casualty Service), Decontamination Service, First Aid Service, Messenger Service, Report and Control Service, Rescue Service, The Warden Service (including Shelter Wardens), the Nursing Service for Public Air Raid Shelters and the Civil Defence Reserve. There will also be included the Royal Observer Corps, and the Port of London Authority River Emergency Service. Civil Servants forming Departmental Civil Defence organisations will be included, if properly enrolled. Enrolled or registered Fire Guards performing duties under the Local Authorities, or at business, or Government premises, and Nurses in Hospitals for which Government Departments or Local Authorities are responsible, or in the recognised Voluntary Hospitals, will also be eligible, in addition to the Civil Nursing Reserve.
