All tenders will be required to be present in person or to satisfy the Government Agent by duly credited agents that their tenders have been made in good faith.

Conditions

(1) The right the lease of which is to be sold is the right to tap for rubber approximately 265 (two hundred and sixty five) rubber trees and to take the produce of approximately 600 (six hundred) coconut trees standing on lots 1 to 28 in P P 17,678, Ragama, and the tenderer whose tender is accepted will be entitled, in addition, to receive rubber coupons if any such coupons are issued by the Rubber Controller in respect of the said rubber trees. The tenderer whose tender is accepted will not be entitled to make any use of the soil of the said lots.

(2) The tenderer whose tender is accepted (hereinafter referred to as the "lessee") will be required to deposit, immediately after his tender has been accepted one fourth of the amount tendered by him as cash security. This sum will be held in deposit and refunded to him on the expiry or earlier termination of the lease. The Government Agent of the Western Province (hereinafter referred to as "the Government Agent") will have the right to confiscate the whole or any part of this security for breach of any condition of the lease.

(3) The lessee will have the option of paying the amount tendered by him as rent in equal monthly instalments. If not paid on the due date each monthly instalment shall carry interest at nine per centum per annum until it is paid in full.

(4) The lessee will be required to sign an indenture of lease as soon as he is called upon to do so by the Government Agent.

(5) The lessee will be required to pay any rates and taxes which may be levied by the Village Committee in respect of the right to be leased.

(7) No slaughter tapping of the rubber trees will be allowed in any circumstances.

(8) The lessee or his workmen will not be allowed to lop the branches of, or to fell or otherwise damage, any trees standing in the said lots.

(9) The lessee or his workmen will not be allowed to pick any immature nuts.

(10) The lessee will not be allowed to erect structures of any sort in the said lots except with the permission of the Government Agent previously obtained in writing.

(11) The Government Agent reserves the right to fell any trees in respect of which the right above mentioned is to be leased as may be found necessary and a reasonable reduction of the rent will be made in respect of any such felling. The decision of the Government Agent regarding the amount of any such reduction of rent will be final.

(12) The lease will be terminable on one month's notice without payment of any compensation to the lessee, if the use of the trees is required by the Government. In such case a proportionate reduction of the rent will be made in respect of the unexpired period of the lease.

(13) The Government Agent will have power, in the event of any breach of the foregoing conditions, to cancel the lease and to debar the lessee and his workmen from access to the trees without paying any compensation whatsoever to the lessee.

(14) The lessee will be required to pay inspection and assessment fees in respect of the rubber trees if and when he is called upon by the Rubber Controller to do so.
