THE URBAN COUNCILS ORDINANCE, No. 61 OF 1939.

BY-LAWS made by the Wattala-Mabole-Peliyagoda Urban Council under sections 166 and 170 (2) of the Urban Councils Ordinance, No. 61 of 1939, approved by the Executive Committee of Local Administration, and confirmed by the Governor by virtue of the powers vested in him by section 167.

S. W. R. D. BANDARANAIKE,
Minister for Local Administration.

Colombo, October 13, 1945.

By-laws.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Additional Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Urban Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows:—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 480/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

The maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Urban Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Urban Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban Council who shall be under fifty-five years of age, except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The Council may call upon any officer who is below the limit of age for retirement on pension to retire from the service on the ground of his inability to discharge efficiently the duties of his office. In such a case, if the Council considers that the special circumstances of the case justify the grant of a retiring allowance, the officer so called upon to retire may, with the approval of the Governor, be given such retiring allowance as the Council thinks just and proper, but in no case exceeding the amount for which his length of service would qualify him.

8. The claim of an officer of the Urban Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1945, or its predecessor the Sanitary Board of the Colombo District.

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

9. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

10. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall have held such appointment for at least three years: otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

11. In case of abolition of office, if the officer has completed 120 months' gross service, he may be granted a pension of 1/720th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of 1/12th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

12. If any person being in receipt of any pension or long service allowance from the Urban Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

13. Officers on the fixed establishment of the Urban Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect, but they may continue in office till sixty years age with the consent of the Council.

14. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these by-laws, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the aggregate* amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

(2) For the purposes of this by-law the expression "public service" includes employment under the Crown or any Local Government public body or bodies.

15. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

16. Employees on the fixed establishment of the Urban Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

17. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance, or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.

18. (1) The Council may, with the approval of the Governor, pay a gratuity in accordance with the provisions of this by-law to the widow or to the children or to the dependants of any officer or servant who dies in the service of the Council after he has completed five years' public service as defined in by-law 13 (2) and while he is in receipt of a salary of not less than Rs. 360 per annum.

* The term "aggregate" salary is to be interpreted as the amount of the aggregate salary of the substantive post held by an officer in the course of his career, disregarding extra emoluments such as duty allowances, and regarding leave on half pay or without pay as leave on full salary.

(2) (a) In the case of any officer or servant referred to in paragraph (1) who was holding a post on the fixed establishment of the Council at the time of his death, the gratuity payable under this by-law shall be a sum equal to twelve times the monthly salary drawn by him in respect of that post at that time.

(b) In the case of any officer or servant referred to in paragraph (1) who was not on the fixed establishment of the Council at the time of his death, the gratuity payable under this by-law shall be a sum equal to three times the monthly salary of the post held by him at that time, and an additional sum equal to such monthly salary for each minor child surviving him: Provided however that such additional sum shall not be payable in respect of more than nine such minor children in any one case.

(c) In the case of any officer or servant referred to in paragraph (1) who was holding a post on the fixed establishment of the Council at the time of his death but was in receipt of a salary of less than Rs. 360 per annum, the gratuity payable under this by-law shall be a sum equal to three times the monthly salary drawn by him in respect of that post at that time, and an additional sum equal to such monthly salary for each minor child surviving him: Provided however that such additional sum shall not be payable in respect of more than nine such minor children in any one case.

(3) The gratuity shall be payable—

(a) where the widow of the deceased officer or servant survives him, to such widow, whether or not there is any child of such widow surviving him; or

(b) where the widow, whether with or without children, and also children by a previous marriage of the deceased officer or servant, survive him, to the widow and to the children of such previous marriage in such manner and in such proportion as the Council may determine; or

(c) where there is no widow surviving, to the children of the deceased officer or servant in such manner and in such proportion as the Council may determine; or

(d) where there is no widow or child of the deceased officer or servant surviving him, to the dependants who were living with and maintained by him at the time of his death.

(4) Where any child, to whom the amount of any gratuity or share of a gratuity is payable under this by-law, is a minor, such amount may be paid to some person approved by the Council, for the use and benefit of such child.

19. In these by-laws—

“Chairman” means the Chairman of the Council;

“Council” means the Wattala-Mabola-Peliyagoda Urban Council.

20. The rules made under section 5 (1) (g) of the Small Towns Sanitary Ordinance, (Cap. 199), for the Sanitary Board town of Colombo and published in *Gazette* No. 8,014 of October 20, 1933, are hereby rescinded.

By-laws.

1. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban Council without the authority of the Governor, in order to obtain which a certificate of good conduct from the Chairman setting out the length of service, age, and ground of retirement must be forwarded, together with the application for pension, gratuity, or retiring allowance, and the computation thereof, through the Commissioner of Local Government to the Additional Controller of Establishments.

2. Subject to the provisions of by-law 1 and the following by-laws, every officer of the Urban Council on the fixed establishment drawing a salary of Rs. 360 per annum and upwards who shall have had service of ten years or more including any service which may be reckoned under the proviso to by-law 7 may be awarded a pension as follows :—

For the first one hundred and twenty months of such service a pension equal to 120/720ths of his annual salary and for each additional completed month of service an additional 1/720th of such salary, but no officer shall be entitled to draw more than 480/720ths of his final salary as pension.

3. The above-mentioned rates shall only be granted in cases of faithful and meritorious service, but when the testimony as to fidelity, diligence, and merit is in any respect defective, a deduction from such rates may be made. Where there has been obvious negligence, irregularity, or misconduct, the grant of a pension may be altogether withheld.

The maximum pension or retiring allowance grantable to an officer under these by-laws, or to an officer entitled to pension also in respect of service not under the Council from all services combined, shall not exceed two-thirds of the highest salary drawn by such officer at any time in the course of his service.

4. In the case of officers on the fixed establishment of the Council drawing a salary of Rs. 360 per annum and upwards retiring on account of illness or age before completing one hundred and twenty months' gross service a

gratuity may be granted calculated at the rate of one-twelfth of a month's pay of the permanent office or offices held at the time of retirement, for each completed month of service.

5. Officers of the Urban Council shall have no absolute right to any pension, gratuity, or long service allowance under these by-laws, and the Urban Council retains power and authority to dismiss any such officer without any compensation.

6. No pension, gratuity, or long service allowance shall be granted to any officer of the Urban Council who shall be under fifty-five years of age, except upon a certificate from the Chairman and two medical practitioners that he is incapable from infirmity of mind or body of discharging the duties of his office, nor unless he shall have discharged such duties theretofore with diligence and fidelity to the satisfaction of the Council.

7. The Council may call upon any officer who is below the limit of age for retirement on pension to retire from the service on the ground of his inability to discharge efficiently the duties of his office. In such a case, if the Council considers that the special circumstances of the case justify the grant of a retiring allowance, the officer so called upon to retire may, with the approval of the Governor, be given such retiring allowance as the Council thinks just and proper, but in no case exceeding the amount for which his length of service would qualify him.

8. The claim of an officer of the Urban Council to pension, gratuity, or long service allowance shall be considered to have commenced from the date of his first permanent appointment to the fixed establishment of the Council after January 1, 1945, or its predecessor the Sanitary Board of the Ratnapura District:

Provided that an officer transferred from the provisional and temporary establishment to the fixed establishment may be allowed to count his provisional and temporary service when it has been continuous with his subsequent permanent service.

Service under sixteen years of age however will not count for pension.

9. The service in respect of which pensions, gratuities, or long service allowances are granted under these by-laws must in all cases be continuous, unless interrupted by abolition of office or other temporary suspension of employment not arising from misconduct or voluntary resignation of the officer.

10. The pension or gratuity shall be computed upon the salary of the permanent office held by the officer of the Council at the time of his retirement provided he shall have held such appointment for at least three years: otherwise the pension shall be calculated upon the average of salaries attached to the permanent office held by such person during the three years next preceding the commencement of such pension.

11. In case of abolition of office if the officer has completed 120 months' gross service he may be granted a pension of $1/720$ th of his salary for each month of his service counting for pension with an addition to such service of one month for each completed period of two months' service, the addition in no case exceeding 60 months.

If the officer has not completed 120 months' gross service he may be granted a gratuity of $1/12$ th of a month's salary for each month of service counting for pension, plus an addition of 50 per cent. thereon. In no case shall the number of months to be added to the actual service exceed that which, if added to the age of the retiring officer, would make that age up to sixty.

12. If any person being in receipt of any pension or long service allowance from the Urban Council shall be convicted of any offence in any Court of Justice in the Island for which he shall be sentenced to death or to any terms of imprisonment with hard labour exceeding six months such pension or long service allowance shall forthwith determine and cease to be payable, unless such person shall, within three months after his conviction, receive free pardon or unless the Council shall otherwise order.

13. Officers on the fixed establishment of the Urban Council may be required to retire on or after attaining the age of fifty-five, upon the receipt of twelve months' notice to that effect but they may continue in office till 60 years of age with the consent of the Council.

14. (1) Every officer who is transferred to or from the service of the Council from or to any other public service and whose aggregate service would have entitled him, had it been wholly under the Council, to a pension under these by-laws, shall on his ultimate retirement from service, if he has served for a period of at least 12 months under the Council be entitled to a pension which shall bear the same proportion to that to which he would have been entitled had the whole of his service been under the Council as the aggregate* amount of the salary which he has drawn from the Council bears to the total sum made up of such aggregate amount and the

aggregate of the amounts received by him in the course of his public service elsewhere than under the Council.

(2) For the purposes of this by-law the expression "public service" includes employment under the Crown or any Local Government public body or bodies.

15. Should an officer who retires on pension find after such retirement an employment under the Council or under the Government or under another semi-official body on a salary equal to or higher than that which he drew from the Council at the time of his retirement, his pension shall be suspended so long as such employment continues. If he draws a less salary he shall be entitled to only so much of his pension as when added to the salary of the new appointment will make his total emoluments equal to the salary last drawn by him previous to his retirement.

16. Employees on the fixed establishment of the Urban Council drawing salaries of less than Rs. 360 per annum and retiring on account of age or infirmity after serving continuously for a period of fifteen years and upwards may, if the Council be satisfied that they are unfit, owing to age or infirmity of body or mind, further to discharge efficiently the duties of their offices, be granted such long service allowances not exceeding Rs. 7.50 per mensem in each case as the Council may award. Persons in receipt of daily pay, who have completed a period of fifteen years of continuous service, retiring under similar circumstances may be awarded gratuities calculated at the rate of one-eighteenth of a month's pay drawn at the time of retirement for each completed month's service.

17. If any case not covered by these by-laws shall arise which in the opinion of the Council merits the award of a pension, retiring allowance, or gratuity, the circumstances of such case should be reported together with the recommendation of the Council to the Commissioner of Local Government for transmission to the General Treasury (Establishments Division) for submission to the Governor, who will decide whether any and, if so, what award shall be granted.

18. (1) The Council may, with the approval of the Governor, pay a gratuity in accordance with the provisions of this by-law to the widow or to the children or to the dependants of any officer or servant who dies in the service of the Council after he has completed five years' public service as defined in by-law 13 (2) and while he is in receipt of a salary of not less than Rs. 360 per annum.

(2) (a) In the case of any officer or servant referred to in paragraph (1) who was holding a post on the fixed establishment of the Council at the time of his death, the gratuity payable under this by-law shall be a sum equal to twelve times the monthly salary drawn by him in respect of that post at that time.

(b) In the case of any officer or servant referred to in paragraph (1) who was not on the fixed establishment of the Council at the time of his death, the gratuity payable under this by-law shall be a sum equal to three times the monthly salary of the post held by him at that time, and an additional sum equal to such monthly salary for each minor child surviving him: Provided however that such additional sum shall not be payable in respect of more than nine such minor children in any one case.

(c) In the case of any officer or servant referred to in paragraph (1) who was holding a post on the fixed establishment of the Council at the time of his death but was in receipt of a salary of less than Rs. 360 per annum, the gratuity payable under this by-law shall be a sum equal to three times the monthly salary drawn by him in respect of that post at that time, and an additional sum equal to such monthly salary for each minor child surviving him: Provided however that such additional sum shall not be payable in respect of more than nine such minor children in any one case.

(3) The gratuity shall be payable—

(a) where the widow of the deceased officer or servant survives him, to such widow, whether or not there is any child of such widow surviving him; or

(b) where the widow, whether with or without children, and also children by a previous marriage of the deceased officer or servant, survive him, to the widow and to the children of such previous marriage in such manner and in such proportion as the Council may determine; or

(c) where there is no widow surviving, to the children of the deceased officer or servant in such manner and in such proportion as the Council may determine; or

(d) where there is no widow or child of the deceased officer or servant surviving him, to the dependants who were living with and maintained by him at the time of his death.

(4) Where any child, to whom the amount of any gratuity or share of a gratuity is payable under this by-law, is a minor, such amount may be paid to some persons approved by the Council, for the use and benefit of such child.

19. In these by-laws—

"Chairman" means the Chairman of the Council;

"Council" means the Balangoda Urban Council.

* The term "aggregate" salary is to be interpreted as the amount of the aggregate salary of the substantive post held by an officer in the course of his career, disregarding extra emoluments such as duty allowances, and regarding leave on half pay or without pay as leave on full salary.

20. The rules made by the Sanitary Board of the Ratnapura District and published in *Gazette* No. 7,973 of March 24, 1933, and any rule published in amendment thereof are hereby rescinded in so far as they apply to the town of Balangoda.

9. Commutation of tax.

10. Any person whose name is in the final list prepared for any year may commute his liability to perform labour for that year by making payment of money on or before March 31 of that year at the rate determined by the Committee under by-law 8 (1).

11. The persons required to contribute labour may be described in the notice either by name or as inhabitants of any specified village or part of a village or group of villages.

12. (1) Every person who elects to commute his liability to perform labour by making payment of money shall pay the money to such officer and at such place as may for the time being be appointed by the Committee.

15. Any person who is liable to perform double labour may commute his liability to perform such double labour by making payment of money at the rate determined under by-law 8 (1): Provided that no person shall be permitted to make payment of money in commutation of the liability to perform such double labour after the expiry of a period of one month from the earliest day in respect of which he is in default.

"Improved combined doors and pressure plates for tea rollers".

Abstract.—The invention relates to improvements in patent No. 3,245 granted to applicant. The inventor states that the combined pressure plate and door of patent, No. 3,245 cannot be fitted to existing rollers, as it is too large to be swung through the opening of the roller table. Accordingly he describes mechanism whereby the door and pressure plate can be dropped vertically a short distance before being swung round, so as to enable it to clear the opening. Mechanisms are described both for new rollers, and for fitting to existing rollers, whereby the door is opened either a limited amount to give a controlled rate of discharge, or given a wide opening for an uncontrolled rate of discharge at the will of the operator.

There are 6 claims and 5 sheets of drawings.
