IT is hereby notified for the information of the trade and of the general public that ladies underwear such as vests, knickers, panties, night-dresses, socks and stockings made from artificial silk stockinet and locknit will from the date of this notice be exempted from the price-control regulations. #### TRADE DISPUTE—MESSRS. WALKER & GREIG, LTD., COLOMBO.

THE United Engineering Workers' Union presented to me a petition under section 6 of the Essential Services (Avoidance of Strikes and Lockouts) Order, 1942, in regard to a trade dispute that had arisen between the Union and Messrs. Walker & Greig, Ltd., Colombo, consequent on the dismissal of 2 employees from the service of the Co. The petition was referred to a Special Tribunal appointed by H. E. the Governor under the proviso to section 5 of the said Order for adjudication.

The following award dated December 3, 1945, made by the Special Tribunal is published for general information in terms of section 8 (4) of the above mentioned Order:—

There is no proof that these two men were ill during the prolonged periods during which they were absent.

There is no legal ground for presuming medical certificates to be true; and the 2nd medical certificate in this case is an after-thought issued 5 days after the period for which it certifies illness. I doubt it altogether.

Further, these 2 men were recently engaged, and these frequent absences may well have seemed to the firm to be cases of shirking. This petition is frivolous. It is dismissed.

A. E. CHRISTOFFELS,  
Colombo, January 5, 1946. Commissioner of Labour.

BY virtue of the powers vested in me by Defence (Miscellaneous) Regulation 37, the Defence (Purchase of Foodstuffs) Regulations and the Defence (Paddy Cultivation) Regulations, I do hereby direct that no owner, cultivator, shareholder or other person having an interest in any paddy field situated within the Chief Headman's Divisions of Alutkuru korale south, Alutkuru korale north A, Alutkuru korale north B and Hapitigam korale shall remove any paddy from any threshing floor until a record of the paddy gathered at the harvest has been taken by the Village headman or other person authorised by me in writing.

2. Owners and cultivators are also hereby directed to give three clear days' notice of their intention to harvest any paddy field to the village headman.

3. Owners, cultivators or other shareholders resident in the Chief Headman's division in which their fields are situated should produce or cause to be produced the ration books issued to members of their household and surrender rice coupons equivalent to the share of paddy due to them before they are permitted to remove their allowances of paddy. Removal of such paddy to places of storage within the Chief Headman's division will be allowed only on permit on form D.F.S. & C. 12 which will be issued by the village headman or other person authorised by me in writing.

4. Allowances of paddy are as follows: owner cultivators, cultivators and their dependants are entitled to six measures of paddy per person per week; owners and their dependants are entitled to four measures of paddy per person per week. An owner cultivator for the purposes of these allowances will be deemed to be the owner of a field who does not get his field worked on a share basis. Dependants will generally be deemed to be persons residing in the same house as the owner, cultivator or other shareholder.

5. Owners, cultivators or other shareholders resident outside the Chief Headman's division in which the fields are situated should make local arrangements for the temporary storage of shares of paddy due to them and apply to me (through the D. Application should be on the prescribed form which can be had on application to me. It should be noted that information furnished on this form constitutes a declaration and the furnishing of a declaration incorrect in any material particular is an offence punishable by law.

6. Removal of paddy outside the Chief Headman's division in which the fields are situated is allowed only on permit issued by me or an officer authorised by me.

7. If no applications for removal of shares of paddy due to persons residing outside the Chief Headman's division in which the fields are situated are received by me within six weeks of harvesting such shares of paddy will be taken over by me and paid for at current government rates.

8. The acreage levy of two bushels per acre on every field cultivated for the Maha season will be recovered before allowances to shareholders are made. Payment will be made either at the time of purchase or as soon thereafter as

possible. Persons receiving payment at the time of delivering of paddy are hereby informed that the current rate at which paddy is bought by government is Rs. 6 for a bushel of well-dried paddy free of chaff and dust.

9. All owners, cultivators and shareholders resident in this area are informed that any paddy in their possession over and above the allowance due to them in accordance with the allowances set out in paragraph 4 above allowed until the time of the next succeeding harvest of any field owned or cultivated by them or, if this allowance exceeds fifty bushels of paddy any paddy in excess of fifty bushels, which is the maximum allowable to any producer in any one season, should be held at my disposal.
