TRADE DISPUTE—MESSRS. WALKER & GREIG, LTD.,
COLOMBO, AND THE COLOMBO COMMERCIAL CO.,
LTD., COLOMBO.

THE United Engineering Workers' Union, Colombo, presented a petition to me under section 6 of the Essential Services (Avoidance of Strikes and Lockouts) Order, 1942, with regard to a trade dispute that had arisen between the said Union, and (1) Messrs. Walker & Greig, Ltd., Colombo, (2) The Colombo Commercial Co., Ltd., Colombo. The petitions were referred to a Special Tribunal appointed by H. E. the Governor under the proviso to section 5 of the said Order for adjudication.

2. The following findings and award dated March 25, 1946, made by the Special Tribunal are published for general information in terms of section 8 (4) of the above-mentioned Order:—

A Trade Dispute having arisen between the workmen employed at Messrs. Walker and Greig, Ltd., and the Colombo Commercial Co., Ltd., in respect of the same dispute, the petitions presented by the petitioner have been referred to me for adjudication and I decided to deal with both the petitions at the same inquiry. The substance of the petition is that these two companies should be called upon to make payments in accordance with the decision of the Special Tribunal relating to an identical demand made against Brown and Co., Ltd., an engineering firm, which award appears in the *Government Gazette* dated December 14, 1945.

I find that these workmen are employed in a similar capacity as the workmen at Brown and Co., Ltd. The recognised terms and conditions applicable to them must therefore be the same as the terms and conditions embodied in the award of the Special Tribunal already referred to. Following the principles on which that award was based, I find that these employers should pay to their workmen for an 8-hour day as fixed by the Wages Board the same amount as they would have been paid at an hourly rate for a period of 9 hours during which they were called upon to work and work was provided for them previous to the decision of the Wages Board which took effect from August 13, 1945, when an 8-hour day was fixed. I accordingly award that in the case of Walker and Greig the workmen should be paid their wages calculated from Monday to Friday inclusive at 1 1/8 the hourly rate fixed for each workman. As regards the Saturday when the workmen at Walker and Greig worked for only 4 1/2 hours, the workmen should be paid 9/16 of the wage payable to them for a normal working day of eight hours.

In the case of the Colombo Commercial Company, the hours devoted to work by workmen prior to August 13, 1945, were as follows:—

Monday to Thursday inclusive: 9 hours each day.

Friday: 8 hours.

Saturday: 4 hours.

I therefore award that the workmen in this Company should be paid for their work on Monday to Thursday inclusive 1 1/8 the hourly rate fixed for each workman. For work on Fridays the workmen should be paid at the hourly rate fixed and for work on Saturdays they should be paid 3/4 the wages payable for a normal working day of eight hours.

Counsel for the respondent Companies brought to my notice the fact that in terms of a recent decision of the Wages Board relating to the Engineering Trade, the employers in this trade are called upon to pay a full day's wage for work on Saturday which is limited to a period of 5 1/2 hours only and he stated that it will cause hardship to the employers to give concurrent effect to the award of the Special Tribunal and this decision of the Wages Board, which took effect from March 1, 1946. If that be so, it is most desirable that an attempt should be made to effect some possible adjustment between the employers and the workers at a conference with the Commissioner of Labour, so as to be able to co-ordinate the decision of the Special Tribunal with the decision of the Wages Board. This award should take effect from August 13, 1945, and be operative regarding the wages fixed for Saturdays until March 1, 1946, only.

Colombo, April 8, 1946.

A. E. CHRISTOFFELSZ,
Commissioner of Labour.
