TEXTILES CONTROL ORDER NO. 36.

IMPORTERS who hold wholesale dealers' licences stated to me in their applications for licences the percentage of their business which consisted of wholesale sales—whether in bulk or by the piece. Every such importer shall sell in wholesale not less than that percentage of each consignment of goods he imports, unless he obtains the special authority of the Controller in any special case to reduce the wholesale sales below that fraction. In the case of hand-loom textiles from India this order applies only to goods to which the new price order, which will be published within about one week from now, applies. That is to say, goods bought in India or goods delivered to the railway or to a shipping company after May 20, 1946.

Note.—To compensate importers for the reduction of the retail trade wholesale profit has been raised in the new price order to the estimated landed cost increased by 20 per cent.

E. RODRIGO,
Colombo, May 24, 1946. Controller of Textiles.

TEXTILES CONTROL NOTICE NO. 245.

THE attention of importers is drawn to the notice published by me and the Controller of Imports in December, 1945, to the effect that importers who hold licences from the Controller of Imports should have textile licences also if they are to import textiles and apparel.

E. RODRIGO,
Colombo, May 24, 1946. Controller of Textiles.

TRADE DISPUTE—MESSRS. BROWN & COMPANY, LIMITED, COLOMBO.

THE United Engineering Workers' Union presented a petition to me under section 6 of the Essential Services (Avoidance of Strikes and Lockouts) Order, 1942, with regard to a trade dispute that had arisen between the said Union and Messrs. Brown & Co., Ltd., Colombo. The petition was referred for adjudication to a Special Tribunal appointed by H. E. the Governor under the proviso to section 5 of the same order.

The findings dated April 30, 1946, of the Special Tribunal are published herein for general information in terms of section 8 (4) of the above-mentioned order:—

“According to Mr. Grant, he found Kittu sitting idle and bade him work better: thereupon, Kittu declined to work better unless he was forthwith given higher pay.

Now, it would have cost Kittu nothing to promise better work I cannot believe that he threw up his job rather than give that promise. Something has been omitted in Mr. Grant's account of the incident. The omission is made good in Kittu's account. He says that Mr. Grant bade him copper carbon brushes and that he asked for higher pay if he was to do that work.

Now, carbon brush making and its concomitants are semi-skilled work, for which respondent gives its men higher pay than it gives for coolie work to Kittu.

In my opinion, when Kittu was told to do part of the carbon brush work, he was entitled to demand higher pay. He was not given it but told to do it on the same pay or leave. He left.

That is, the firm dismissed him without just cause.

I declined to order reinstatement (1) because Kittu gave provocation since he was caught slacking (2) he was churlish in his reply to Mr. Grant and failed to meet him half way. Instead of leaving he might have worked and requested reconsideration, or complained to the Labour Department.

But one day's notice is strangely inadequate in these circumstances for a man who has served the firm well for 18 years. I award Kittu Rs. 250 damages for wrongful dismissal.”

A. E. CHRISTOFFELSZ,
Colombo, May 21, 1946. Commissioner of Labour.

TRADE DISPUTE—HAPUTALE ESTATE, HAPUTALE.

THE Industrial and Estate Workers' Union presented a petition to me under section 6 of the Essential Services (Avoidance of Strikes and Lockouts) Order 1942, with regard to a trade dispute that had arisen between the said Union and the General Manager, Haputale Estate, Haputale. The petition was referred for adjudication to a Special Tribunal appointed by H. E. the Governor under the proviso to section 5 of the said Order.

2. The Tribunal has made an award dated May 15, 1946, in terms of a settlement arrived at between the parties which is as follows:—

(1) Meyyappan and Perumal are to leave this estate within 10 days of May 15, 1946.

(2) Nallappan, Savrinayagam and Murugan, are to enter into bond to be of good behaviour for 3 months from May 15, 1946: on their doing so, they are to be re-employed on the estate. They have signed a bond, and it is filed.*

On these terms, the petition is dropped.

* Not produced.

A. E. CHRISTOFFELSZ,
Colombo, May 27, 1946. Commissioner of Labour.

This should be clearly stated in any application for appointments.

11. Government does not undertake to give employment to apprentices on the completion of their training. The possibility of their securing appointment will depend on the occurrence of vacancies for which they may be eligible and on their successful competition with other candidates on the ground of qualification and merit.

"Improvements in and relating to the construction of bridges".

Abstract.—The inventors describe light and heavy bridges built up of a number of standard parts. The side members are of box section girder forming chord and diagonal units arranged in triangular formation and at each end of the separate girders is provided a cylindrical boss with a central hole. The various girders are linked up by means of bobbins which have corresponding holes in the flanges to receive the pins that pass through the ends of the side members. The transverse girders may be the same as the box girders for light bridges, but for heavier bridges rolled steel joists are used. Suitable modifications are described.

There are 15 claims and 2 sheets of drawings.

TENDERS are hereby invited for the purchase of the exclusive privilege of selling fermented toddy by retail in the under-mentioned localities for the period October 1, 1946, to September 30, 1947, subject to—

- (i) the Toddy Rent sale conditions appearing in *Government Gazette* No. 9,628 of March 8, 1946;

2. Every tender must be made on the prescribed form which may be obtained at the Kurunegala Kachcheri or any other Kachcheri and must be accompanied by a Treasury or Kachcheri receipt acknowledging the deposit of a sum of Rs. 50. The deposit made by the successful tenderer or bidder shall be liable to forfeiture should he fail to sign the conditions of sale immediately he is declared the purchaser. The deposits of the unsuccessful tenderers or bidders will be refunded after the sale conditions have been signed by the successful purchaser, and security of the two months' rent of the privilege is deposited.

3. No person is permitted to send in more than one tender for any one tavern.

4. Every tender must be enclosed in a sealed envelope clearly marked on the top-left-hand corner with the name of the tavern in respect of which the tender is made.
