PART I.—GENERAL.

GOVERNMENT NOTIFICATIONS.

THE CENSUS OF CEYLON, 1946.

THE total population (exclusive of the "estate population", and of the Shipping and Services population) of each Village Headman's Division, as recorded at the Census of March 19, 1946, is given in Table I. set out below. Table II. gives the enumerated population on each "estate", as defined for census purposes. The Village Headman's Division in which each such "estate" is situated is also indicated in Table II. The omission in Table II. of a V. H. Division indicates the absence of any "estate" at all in that Division.

Colombo, June 6, 1946.

A. G. RANASINHA,
Superintendent of Census.
