##### *Harvesting of Paddy in Wellaboda Pattu, Bentota Walallawiti Korale and Gangaboda Pattu, of Galle District for the 1946 Yala Season.*

BY virtue of the powers vested in me by the Defence (Miscellaneous) Regulation 37, the Defence (Purchase of Foodstuffs) Regulations, 1942, the Defence (Paddy Cultivation) Regulations, 1943, and the Defence (Food Rationing) (Special Provisions) Regulations, 1944, I, M. W. F. Abeyakoon, Assistant Government Agent (Emergency) Ambalagoda, a competent and a proper authority, do, by this Order, direct that every owner or cultivator of any land which is cultivated with paddy during the 1946 Yala Season and which is situated within the Divisional Revenue Officer's divisions of Wellaboda pattu, Bentota-Walallawiti korale and Gangaboda pattu of the Galle District shall—

- (1) inform the Village Headman of the area in which the paddy land is situated of the date on which it is proposed to reap the harvest on that land, not less than 10 clear days ahead;
- (2) give the Village Headman or other person authorized by me, at his request, the following information relating to the land:—
  - (a) the name, situation and extent of the land.
  - (b) the names and addresses of the person or persons entitled to take or receive any part of the produce of the land, under any contract or agreement or otherwise; and
  - (c) the share or shares of the produce to which such person or persons may be entitled.

2. I do further direct that—

- (1) no paddy shall be removed or caused or permitted to be removed by any person from a field or threshing floor to a barn or any other place of storage until the Village Headman or other person authorised by me shall have assessed and recorded the total harvest and the shares and except on a permit on due form obtained from the proper authority in terms of paragraph 4 of this order.
- (2) The Government levy of 2 bushels of paddy per acre for the Yala season shall be handed over to the Village Headman at the threshing floor;
- (3) no paddy shall, without prior authority, be disposed of in any manner other than by way of consumption at approved rates by the owner and his *bona fide* dependents subject to a maximum of 50 bushels or such lower quantity as may be entitled to until the following harvest.

- (4) no paddy shall be utilized for consumption by an owner or his dependent possessing a rice ration book until the surrender of the appropriate number of rice coupons;
- (5) any paddy in excess of the requirements for consumption as laid down in clause (3) and, in the case of those who normally supply seed paddy and customarily feed labourers during cultivation operations, any paddy in excess of the requirements for consumption, seed paddy at the rate of two bushels of paddy per acre and feeding allowance at the rate of 1 bushel of paddy per acre on such other quantity of paddy as I may order shall be sold to the Village Headman on behalf of Government.

3. The approved rates of consumption of paddy by producers at present are 6 measures of paddy per person per week in the case of cultivators and owner cultivators and their dependants and four measures of paddy per person per week in the case of non-cultivating owners and their dependants. Coupons in respect of paddy shall be surrendered at the rate of 1 rice coupon for every six measures of paddy received by a cultivator or an owner cultivator and 1 rice coupon for every 4 measures of paddy received by a non-cultivating owner. In this connection the attention of all paddy producers is drawn to the Defence (Food Rationing) (Special Provisions) Regulations 1944 by which the onus of surrender of coupons equivalent to the quantity of paddy obtained is laid on the producers themselves.

4. Permits for transport of paddy from the field or threshing floor to a barn situated within the same Chief Headman's or Divisional Revenue Officer's division shall be obtained from the Village Headman concerned who will obtain the signature of the remover on the triplicate of the permit on form D.F.S. and C. 12 or I.P.S. 33 in proof of removal, and detach the requisite number of coupons from the Rice Ration Books of the members of the producer's household.
