- “dairy” includes any farm, farmhouse, cowshed, milk store, milk shop, or other place from which milk is supplied or in which milk is stored or kept for the purposes of sale;
- “dairyman” includes any cow-keeper, purveyor of milk, or occupier of a dairy, and, where a dairy is owned by more than one person, the manager of the dairy;
- “Development Scheme” means the Minneriya Development Scheme within the area defined in the Schedule to these by-laws;
- “irrigation work” means Yoda Ela, or Smith’s Channel, or any other channel or work declared by the Board to be an irrigation work by notification published in the *Gazette* under the hand of the Chairman;
- “public bathing place” means a place set apart as a public bathing place by the Board; and
- “public washing place” means a place set apart as a public washing place by the Board.

General.

2. Every part of any building used as a dwelling-house, church, school, or place of assembly shall be provided with sufficient light and ventilation and shall, whenever so ordered by the Chairman or any officer acting under his authority, be forthwith externally and internally limewashed, disinfected, or otherwise cleaned.

3. Latrines shall be constructed where, in the opinion of the Chairman, it is desirable that they should exist.

4. (1) The occupier of every dwelling-house or the person in charge of every church, school, or place of assembly shall deposit or cause to be deposited the dust, ashes, sweepings, rubbish, and other refuse from the premises in a covered dust bin on the edge of the road outside the premises daily between the hours of 6 A.M. and 10 A.M., and shall remove such bin within the space of half an hour after it is emptied by the scavenging labourers employed by the Board.

(2) It shall not be lawful for any person to place or cause to be placed the dust, ashes, sweepings, rubbish, or refuse referred to in paragraph (1) on any road except in the dust bins and except between the hours referred to in paragraph (1).

5. It shall be lawful for any Inspector or any officer authorised in writing by the Chairman, at all reasonable times to enter upon any building or premises within the limits of the Development Scheme for the purposes of inspection and to do all things necessary for, or connected with, or incidental to, the preservation of health and the suppression of nuisances.

6. No person shall deposit or throw or cause or permit to be deposited or thrown any discarded bottles, tins, coconut shells, or other receptacles of any kind capable of holding rain water, in or about any land of which he is the owner or the occupier; such bottles, tins, coconut shells, or other receptacles shall be burnt or buried or carried away to a suitable place approved by the Chairman.

Bakeries.

7. No bakery shall be located in any compound within 100 feet of an open cesspit or surface latrine or in a position where bad odours will reach it, and no open cesspit or surface latrine shall be erected within 100 feet of any bakery.

8. Every bakery shall be well ventilated and well lighted, and the inside of the walls shall be lime-plastered and shall be white-washed every six months. The roof shall be of some permanent material. The ceiling shall be plastered and lime-washed four times yearly, or may be made of closely fitting boards varnished or painted. The floor shall be cemented throughout and adequate drainage provided. Every room shall be provided with windows capable of being opened and having a superficial area of not less than one-fifteenth of the superficial floor space. The door of the oven shall not open directly into the kneading room. The kneading room shall not be less than 12 feet wide or 15 feet long.

9. Every bakery shall be kept in a clean condition and free from effluvia arising from any drain, privy, cesspit, or other nuisance.

10. The occupier of every building used as a bakery shall cause—

- (a) the floor to be carefully scraped and swept and the drains to be flushed at least once every twenty-four hours;
- (b) all dust, ashes, sweepings, rubbish, and other refuse from the premises to be deposited in a covered dust bin and placed on the edge of the road outside the premises daily between the hours of 6 A.M. and 10 A.M.; and
- (c) the dust bin referred to in paragraph (b) to be removed within half an hour after it is emptied by the scavenging labourers employed by the Board.

11. The troughs and all the utensils used in the making of bread and pastry shall be kept clean.

12. The tops of the tables shall be of well-seasoned closely fitting planks or some non-harmful impervious material, and shall be scraped and cleaned daily.

13. No animal shall be kept in the bakery for any purpose whatsoever.

14. No person suffering, or who to the knowledge of any person in charge of the bakery has recently suffered, from any contagious or infectious disease, or has been recently in attendance on any person suffering from such disease, shall be permitted by any person in charge of the bakery to enter the bakery or take part in the manufacture or sale, on the premises, of bread, biscuits, or confectionery.

15. All persons employed in the preparation and baking of bread shall wash their hands before engaging in the process of breadmaking.

16. Clean water and soap shall be provided for the use of those engaged in the manufacture of bread, biscuits, and confectionery.

17. All bread, biscuits, confectionery, and sweetmeats proposed for sale shall be kept in receptacles free from contamination by flies. Such receptacles shall be kept clean.

18. The flour, water, and other materials used in the manufacture of bread shall be good and wholesome, and the flour shall be kept at a height of not less than 18 inches above the ground.

19. No place situated on the same floor as the bakery forming part of the building shall be used as a sleeping place unless it is effectually separated from the bakery by a wall extending from the floor to the ceiling. No water closet, privy, or ashpit shall be opened or used within, or communicate directly with, the bakery. The occupier of every building used as a bakery shall cause a copy of these by-laws relating to bakeries to be in a prominent place in such bakery.

20. Eating-houses and Tea or Coffee Boutiques.

21. Eating-houses and tea or coffee boutiques shall be kept in a clean and sanitary condition.

22. The walls of all eating-houses and tea or coffee boutiques shall be plastered and limewashed, and the rooms shall be well ventilated and lighted.

23. The occupier shall cause—

(a) all refuse and dirt on or about the premises of any eating-house or tea or coffee boutique to be deposited in a covered dust bin and placed on the edge of the road outside the premises daily between the hours of 6 A.M. and 10 A.M.; and

(b) the dust bin referred to in paragraph (a) to be removed within half an hour after it is emptied by the scavenging labourers employed by the Board.

24. No waste tea, coffee, or milk, or remnants of food or cooking waste, shall be thrown on the floor of an eating-house or a tea or coffee boutique.

25. No person suffering, or who to the knowledge of any person in charge of an eating-house, or a tea or coffee boutique, has recently suffered, from any contagious or infectious disease, or has been recently in attendance on any person suffering from such disease, shall be permitted by any person in charge of the eating-house or tea or coffee boutique to be employed therein.

26. All utensils, furniture, and other requisites used in or belonging to any eating-house or tea or coffee boutique shall at all times be kept clean.

27. The sugar used in an eating-house or a tea or coffee boutique shall be kept in glass stoppered bottles.

28. All cakes, sweetmeats, and similar articles exposed for sale in an eating-house or a tea or coffee boutique shall be kept in receptacles free from contamination by flies. Such receptacles shall be kept clean.

29. The occupier of every building used as an eating-house or a tea or coffee boutique shall cause a copy of these by-laws relating to eating-houses and tea or coffee boutiques to be hung up in a prominent place in such building.

Butchers' Stalls.

30. Every butcher's stall shall be well ventilated and well lighted, the walls thereof shall be plastered and shall be white-washed at least four times a year, and the floor shall be cemented and sufficient drainage provided. 52. All cowdung, refuse, or dirt on or about the premises of a dairy shall be collected and removed from the premises at least once a day.

53. A pure and protected supply of water shall be provided at a convenient distance for the use of every dairy. No bathing, or washing of clothes shall take place at or near such water supply.

54. (1) No milch cow or buffalo shall be kept in a dairy or milked for the purposes of the milk supply unless it is free from disease.

(2) No person suffering from, or who to the knowledge of any person in charge of a dairy has recently suffered from, any contagious or infectious disease, or has been recently in attendance on any person suffering from such disease, shall be permitted by any person in charge of the dairy to be employed therein.

55. (1) Every dairyman shall issue all such instructions to his employees and take all such measures as may be necessary to ensure that the udders and teats of each milch cow and buffalo are washed before milking.

(2) Every person employed for the purpose of milking cows or buffaloes in a dairy shall wash his hands with soap and water before milking.

(3) Every precaution shall be taken to prevent contamination of milk by dung or urine.

56. All utensils, furniture, and other requisites used in or belonging to a dairy shall be kept clean.

57. All vessels in which milk is sent out for distribution shall be clean, and shall be properly covered, stoppered, or corked with clean materials. No such vessels shall be carried under the armpit by the person distributing the milk.

58. Every shed in which cattle are kept in a dairy shall be in conformity with the requirements of such of these by-laws as relate to cattle shods.

59. (1) Every dairy shall be provided with a room (hereinafter called a "milk room"), erected in such position and at such distance from the cattle shods as the Chairman may approve, for the storing and preparation of milk, and for the storing, after they are cleansed, of all the vessels used for the purposes of the dairy.

(2) The floor of the milk room shall be cemented with rounded corners at its junction with the walls; the walls shall be of plastered masonry, smooth boards, or ironwork, and shall be limewashed or painted periodically as directed by the Chairman. At least two opposite walls of the milk room shall abut on the open air. The roof shall be ceiled with grooved boards to prevent the ingress of dust. There shall be at least one window and one door. The window shall be three feet by two feet without glass or shutters and be fitted with fly-proof netting. The door shall be opposite the window, be close fitting, and fitted with fly-proof netting, and shall be kept closed.

(3) Every table used or placed in a milk room shall have its top covered with marble, slate, zinc, or other impermeable substance approved by the Chairman.

(4) The milk room shall not be used for any purpose other than that of storing and preparing milk or storing the clean vessels used for the purpose of the dairy.

60. Every dairyman shall cause a copy of these by-laws relating to dairies to be hung up in a prominent place in the dairy.

Public Bathing Places.

61. The Board may set apart as a public bathing place the whole or any defined portion of any public place over which it has control.

62. A list of the places set apart as public bathing places shall be published by the Chairman in the *Gazette* and proclaimed within the limits of the Development Scheme by beat of tom-tom.

63. No person shall wash any animal, clothes, mats, or other articles in any public bathing place.

THE URBAN COUNCILS ORDINANCE, No. 61 OF 1939.

BY-LAWS made by the Avissawella Urban Council under sections 166 and 170 (12) of the Urban Councils Ordinance, No. 61 of 1939, approved by the Executive Committee of Local Administration and confirmed by the Officer Administering the Government by virtue of the powers vested in the Governor by section 167 of the Ordinance.

S. W. R. D. BANDARANAIKE,
Minister for Local Administration.

Colombo, November 18, 1946.

By-laws.

1. No person shall draw water from a public standpipe for any purpose other than a domestic purpose.

2. No person shall fix any contrivance to the tap or handle of any standpipe in order to secure a continuous flow of water.

3. (1) No person shall lay any pipe for the conveyance of water from any of the Council's mains or branches into any land or premises without the approval of the Chairman, or maintain any such pipe which has been laid without such approval.

(2) No person other than an employee of the Council shall lay any pipe referred to in paragraph (1) of this by-law.

(3) Where any pipe referred to in paragraph (1) of this by-law has been laid in any land or premises in contravention of any of the preceding provisions of this by-law, the Chairman may direct the owner or occupier of such land or premises to have such pipe removed; and if such owner or occupier does not carry out the Chairman's direction to have such pipe removed, the Chairman or any person authorised by him may cause the removal of such pipe.

Where water is running to waste from any tap, pipe or other fitting forming part of the private water service on any land or premises, the owner or occupier of such land or premises shall take all such measures as may be necessary to stop the wastage of water; and if such owner or occupier does not take such measures, the Chairman or any person authorised by him may cause the discontinuance of the supply of water to such land or premises from the mains.

No person shall contaminate the water in any reservoir, cistern, pipe or vessel belonging to the Council, or any stream wherof the water flows into or feeds any reservoir.

No person shall attach any hosepipe, pipe, tube, or appliance of any nature whatsoever either temporarily or permanently to any public standpipe.

No person shall interfere with the automatic self-closing valve or other automatic appliance attached to or forming part of any public standpipe so as to prevent either temporarily or permanently the automatic action of such valve or appliance.

8. The Chairman may, whenever it may be expedient to do so, diminish without notice the supply of water allowed to any person or to the whole town.

9. No person who is suffering from any contagious or infectious disease, or who has recently been in attendance on any person suffering from any such disease, shall draw water from any public standpipe.

10. In these by-laws—

“Chairman” means the Chairman of the Urban Council,

2. (1) No person shall establish, or carry on the business of a bakery except on a licence issued in that behalf by the Chairman on the recommendation of the Medical Officer of Health.

(2) Every licence issued under this by-law shall expire on the thirty-first day of December of the year in respect of which it is issued.

3. No person shall be entitled to a licence under by-law 2 unless the premises to be used as a bakery are in conformity with the following requirements:—

(a) the premises must be well ventilated and well lighted;

(b) the walls must be plastered with lime mortar and white-washed;

(c) the floor must be cemented;

(d) the premises must be provided with sufficient latrine accommodation and sufficient drains;

- (e) a ceiling of suitable materials must be provided so as to prevent dirt and dust falling from the roof;
- (f) the premises must not be situated within fifty feet of any cesspit, permanent manure heap, latrine, or open sewer;
- (g) the premises must be provided with a separate kneading room having superficial floor space of not less than 12 feet by 10 feet;
- (h) there must be a free external air space not less than seven feet wide, on at least two of those sides of the kneading room which contains doors or windows;
- (i) the door of the oven must not open directly into the kneading room.

4. The licensee of a bakery shall cause—

- (a) all utensils, furniture, and other requisites used in or belonging to the bakery, to be kept clean;
- (b) the tops of the tables in the bakery to be made of well seasoned closely fitting planks, or of some non-harmful impervious material; and the tables to be scraped and cleaned daily;
- (c) the floor of the bakery to be swept at least once in every twenty-four hours, and the sweepings to be placed immediately in an impervious and covered receptacle, and removed from the bakery daily;
- (d) the premises of the bakery to be kept clean and free from effluvia arising from any drain, privy or cesspit and from any other similar nuisance;
- (e) the flour which is used in the bakery to be kept on a platform raised at least three feet from the ground;
- (f) all refuse from the premises on the bakery to be removed and the drains to be flushed daily;
- (g) at least two spittoons to be kept in some part of the premises other than the kneading room, but so as to be easily accessible to those engaged in the manufacture of bread;
- (h) clean water, clean towels, nail brush and soap to be provided on the premises for the use of those engaged in the manufacture of bread; and
- (i) a copy in Sinhalese of these by-laws relating to bakeries to be exhibited in a conspicuous part of the bakery.

5. The licensee of a bakery shall not—

- (a) allow the bakery to be used as a place for sleeping or for keeping any animal or any article other than an article necessary for the purposes of the bakery;
- (b) allow any bread, biscuit or confectionery to be exposed for sale otherwise than in clean and properly constructed fly-proof glass cases;
- (c) allow any person engaged in the manufacture of bread, biscuit or confectionery to use any flour, water or other materials which are not good and wholesome;
- (d) use or keep in the bakery any furniture or equipment which cannot be moved about for the purpose of cleaning the floor; or
- (e) allow any gambling or disorderly conduct to take place on the premises of the bakery.

6. Every person employed in the preparation or baking of bread, biscuit or confectionery, shall wash his hands before engaging in that process, and shall wear a clean white apron, covering the chest, armpits, and body, and also a white cap or turban.

7. No person shall spit within the premises of the bakery except into a spittoon provided for the purpose.

8. No person who is suffering or has suffered from any contagious, cutaneous or infectious disease, or has been in attendance on any person suffering from such disease, shall be permitted by any person in charge of a bakery to enter the bakery or to take part in the manufacture or sale of bread, biscuit or confectionery, until the periods of infection and incubation have elapsed.

9. (1) It shall be lawful for the Chairman or the Medical Officer of Health or the Sanitary Assistant or any officer authorised by the Chairman in writing, at all reasonable times and at any time when the process of kneading or baking is being carried on, to enter and inspect the bakery.

(2) The licensee, or the person in charge, of a bakery, shall permit the Chairman or the Medical Officer of Health or the Sanitary Assistant or any officer authorised by the Chairman in writing to enter and inspect the bakery, and shall render the Chairman, or such officer or Assistant all such assistance as may be necessary.

10. It shall be lawful for the Rural Court, in addition to any other punishment that it may impose, to cancel the licence of any licensee convicted twice or oftener of any breach of any of these by-laws relating to bakeries; and the licensee shall not be entitled to compensation in respect of such cancellation.

11. (1) No person shall establish or carry on the business of a tea or coffee boutique except on a licence issued in that behalf by the Chairman on the recommendation of the Medical Officer of Health.

(2) Every licence issued under these by-laws shall expire on the thirty-first day of December of the year in respect of which it is issued.

12. No person shall be entitled to a licence under by-laws unless the premises to be used as a tea or coffee boutique conform with the following requirements:—

- (a) the premises must be well ventilated and well washed;
- (b) the walls must be plastered with lime mortar and washed;
- (c) the floor must be combed; and
- (d) a ceiling of suitable materials must be provided to prevent dirt and dust falling from the roof.

13. The licensee of a tea or coffee boutique shall

- (a) the premises thereof to be kept in a clean and good condition;
- (b) all utensils, furniture, or other equipment belonging to the tea or coffee boutique to be kept clean;
- (c) all refuse and dirt in or about the premises of the coffee boutique to be swept and removed twice daily;
- (d) all cakes and other foods exposed for sale on the premises to be kept in clean and properly constructed fly-proof glass cases;
- (e) all waste tea, coffee, or milk and all remnants of food to be collected in a fly-proof receptacle with a close-fitting lid or cover, and removed from such premises twice daily;
- (f) all utensils used in the preparation, sale and consumption of food or drink to be washed with soap and water at least once in every twenty-four hours;
- (g) every utensil or receptacle used by a customer to be washed immediately after such use and before being used by another customer; and
- (h) a list of the names and addresses of all employees to be kept at all times in the premises, so as to be available for inspection.

14. The licensee of a tea or coffee boutique shall not permit:—

- (a) any waste tea, coffee or milk, or any remnants of food, to be thrown on the floor of the licensed premises; or
- (b) any gambling or disorderly conduct to take place on the licensed premises.

15. The licensee of a tea or coffee boutique shall cause at least two spittoons to be kept at all times on the licensed premises so as to be readily available to visitors to the premises, as well as to the employees.

16. No person shall spit within the premises of a tea or coffee boutique except into a spittoon provided for the purpose.

17. No person who is suffering or has suffered from any contagious, cutaneous or infectious disease, or has been in attendance on any person suffering from such disease, shall be permitted by any person in charge of a tea or coffee boutique to enter such place or take part in the preparation or sale of any food or drink therein, until the periods of infection and incubation have elapsed.

18. It shall be lawful for the Chairman or the Medical Officer of Health or the Sanitary Assistant or any officer authorised by the Chairman in writing, at all reasonable times, to enter and inspect a tea or coffee boutique, and the licensee or the person in charge of such tea or coffee boutique, shall permit the Chairman, or such officer or Assistant to enter and inspect the premises, and shall render him all such assistance as may be necessary.

19. It shall be lawful for the Rural Court, in addition to any other punishment that it may impose, to cancel the licence of any licensee convicted twice or oftener of any breach of any of these by-laws relating to tea or coffee boutiques; and the licensee shall not be entitled to any compensation in respect of such cancellation.

20. The by-laws made by certain Village Committees in the Kandy and Nuwara Eliya Districts and published in *Gazette* No. 7,727 of August 9, 1929, and therein called "rules" are hereby amended by the rescission of by-laws 31 and 32 thereof.
