#### Internal Purchase Scheme.

*Harvesting of Paddy in Wellaboda Pattu, Gangaboda Pattu and Bentota Walallawiti Korale of Galle District for the 1946/47 Maha Season.*

BY virtue of the powers vested in me by the Defence (Miscellaneous) Regulation 37, the Defence (Purchase of Foodstuffs) Regulations, 1942, the Defence (Paddy Cultivation) Regulations, 1943, and the Defence (Food Rationing) (Special Provisions) Regulations, 1944, I, William Oswald Stevens, Government Agent, Southern Province, a competent and a proper authority, do, by this Order, direct that every owner or cultivator of any land which is cultivated with paddy during the 1946/47 Maha season and which is situated within the Divisional Revenue Officer's divisions of Wellaboda pattu, Gangaboda pattu and Bentota Walallawiti Korale of the Galle District shall—

- (1) inform the Village Headman of the area in which the paddy land is situated of the date on which it is proposed to reap the harvest on that land, not less than 10 clear days ahead;
- (2) give the Village Headman or other person authorised by me, at his request, the following information relating to the land:—
  - (a) the name, situation and extent of the land;
  - (b) the names and addresses of the person or persons entitled to take or receive any part of the produce of the land, under any contract or agreement or otherwise; and
  - (c) the share or shares of the produce to which such person or persons may be entitled.
2. I do further direct that—
  - (1) no paddy shall be removed or caused or permitted to be removed by any person from a field or threshing floor to a barn or any other place of storage until the Village Headman or other person authorised by me shall have assessed and recorded the total harvest and the shares; and except on a permit on due form obtained from the proper authority in terms of paragraph 4 of this Order;
  - (2) The Government levy of 1 bushel of paddy per acre for the Maha season shall be handed over to the Village Headman at the threshing floor;
  - (3) no paddy shall, without prior authority, be disposed of in any manner other than by way of consumption at approved rates by the owner and his *bona fide* dependants subject to a maximum of 50 bushels or such lower quantity as they may be entitled to until the following harvest;
  - (4) no paddy shall be utilized for consumption by an owner or his dependant possessing a Rice Ration book until the surrender of the appropriate number of rice coupons;
  - (5) any paddy in excess of the requirements for consumption as laid down in clause (3) and, in the case of those who normally supply seed paddy and customarily feed labourers during cultivation operations, any paddy in excess of the requirements for consumption, seed paddy at the rate of 2 bushels of paddy per acre

and feeding allowance at the rate of 1 bushel of paddy per acre, or such other quantity of paddy as I may order shall be sold to the Village Headman on behalf of Government.

3. The approved rates of consumption of paddy by producers at present are 6 measures of paddy per person per week in the case of cultivators and owner cultivators and their dependants and four measures of paddy per person per week in the case of non-cultivating owners and their dependants. Coupons in respect of paddy shall be surrendered at the rate of one rice coupon for every six measures of paddy received by a cultivator or an owner-cultivator and one rice coupon for every four measures of paddy received by a non-cultivating owner. In this connection the attention of paddy producers is drawn to the Defence (Food Rationing) (Special Provisions) Regulations, 1944, by which the onus of surrender of coupons equivalent to the quantity of paddy obtained is laid on the producers themselves.

4. Permits for transport of paddy from the field or threshing floor to a barn situated within the same Chief Headman's or Divisional Revenue Officer's division shall be obtained from the Village Headman concerned who will obtain the signature of the remover on the triplicate of the permit on form D. F. S. & C. 12 or I. P. S. 33 in proof of removal, and detach the requisite number of coupons from the Rice Ration Books of the members of the producer's household. It is important that these permits should be surrendered to the Village Headman of the area to which the paddy is transported within 3 days of such removal thereto. For transport from one Chief Headman's or Divisional Revenue Officer's Division to another, or from one Emergency A. G. A's area to another, or from one district to another, application should be made to the Government Agent, Assistant Government Agent, or the Assistant Government Agent (Emergency) of the area in which the applicant is resident giving all particulars asked for in form D. F. C. 34 (duplicate) copies of which can be obtained from any of the above offices. To expedite the issue of permits, the applicants are requested to produce reports from the Village Headman or any other authorised person of the areas of their residence and of the areas in which the paddy lands are situated giving particulars of their households and of their shares of paddy from the various fields.

5. If no application is made in the manner described above within 6 weeks from the date of harvesting, all stocks of paddy are liable to be requisitioned under the Internal Purchase Scheme.

The Kachcheri,  
Galle, January 6, 1947.

W. O. STEVENS,  
Government Agent.
