"Concrete aerating machine".

**Abstract.**—The inventor describes a machine for aerating a concrete mix comprising a vessel and a whisk adapted to rotate inside it. The blades of the whisk are adapted so as to effect a circulation downwards and outwards in the centre portion of the cage, outwards at the bottom, up at the sides and inwards at the top. This circulation creates a vortex in the middle into which air is drawn in. In operation the container is filled to less than half of its volume with the mix, the whisk is inserted and rotated at about 300 r.p.m. As the mix gets aerated the mixture swells up to fill the container.

There are 10 claims and 2 sheets of drawings.

## CADETSHIPS IN THE CEYLON CIVIL SERVICE FOR EX SERVICE PERSONNEL.

1. It has been decided to recruit to the Ceylon Civil Service in the course of the years 1945 to 1947 six *ex* members of His Majesty's fighting forces during the last war provided this number of suitable candidates is forthcoming. Four cadets were recruited as a result of the examination held in 1946.

2. An examination will be held by the Ceylon Civil Service Commissioners in or about August, 1947. The actual dates will be notified later to candidates.

3. The number of vacancies which will be filled from this examination will not exceed two.

4. Candidates for this examination must be Ceylonese. For the purpose of this examination a Ceylonese is—

(a) a natural born male British subject who is born in Ceylon, one of whose parents was born in Ceylon; or

(b) a natural born male British subject who is descendant of a person falling within category (a); or

(c) a natural born male British subject deemed by the Governor with the advice of the Board of the Ministers, in view of special circumstances to be a Ceylonese.

5. Candidates must have attained the age of 22 and must have not attained the age of 24 on the first day of January, 1947. Any candidate who is more than 24 years old will be eligible to sit for the examination provided his present age reduced by the period of his mobilized service does not exceed 24.

6. Candidates must satisfy the Civil Service Commissioners that they are duly qualified in respect of health and character. They must be of sound constitution, possessed of good sight and physically qualified for service in any part of the Island. Successful candidates will be called upon to undergo a strict medical examination to test these points.

7. The fee for the examination will be—

(a) Rs. 40 for the examination which should be paid to the Examination Fund (No. 2) Account of the Director of Education in the Bank of Ceylon. The Bank receipt should be attached to the application form. This fee will be refunded to candidates whose applications are rejected by the Preliminary Selection Board, but in no other circumstances.

(b) Rs. 10 50 for the medical examination. Successful candidates will be notified later of the manner in which this fee should be paid.

8. Candidates must have Matriculated or obtained some higher academic qualification. In the case of candidates who joined the Services after reaching the age of 22 either a University Degree or proof of a year's membership of a class reading for the final examination for a University degree in an Institution which the Civil Service Commissioners consider, for the purpose of this regulation, to be of University rank will be required.

9. Any candidate the whole of whose war service has been spent in India or Ceylon must have held Commissioned rank. Applications will, however, be entertained from "other ranks" who have served in war zones overseas.

10. For the purpose of these regulations "war service" means full time service during the late war in any of His Majesty's fighting forces including the Ceylon Royal Naval Volunteer Reserve and the Ceylon Defence Force or the Merchant Navy.

11. Applications on the prescribed form obtainable from the Secretary, Civil Service Commission, The Secretariat, Colombo, should be completed in duplicate by the applicants in their own handwriting and addressed to the Secretary, Civil Service Commission, The Secretariat, P. O. Box 500, Colombo. Applications should be sent in time for delivery on or before June 25, 1947. No application form received after that date will be accepted.

12. Applications will in the first instance be considered by a Preliminary Selection Board similar to a Services Commission Board who will have before them a confidential report on each candidate by his Commanding Officer or other officer of Field Rank who is fully acquainted with the candidate's work and conduct. The Board will have authority to reject any application from a candidate whose war time service has not been satisfactory or whose conduct or character renders him unfit in their opinion for assuming administrative authority. Candidates will be informed by the Civil Service Commission whether their applications have been accepted by the Board. Only those candidates whose applications have been accepted will be allowed to sit for the qualifying examination.

13. Candidates whose applications have been accepted will be required to pass a qualifying examination in the following subjects:—

(i.) English Paper I.  
English Paper II.

(ii.) Arithmetic.

(iii.) General Intelligence.

(iv.) General Paper.

14. The syllabuses in the subjects for the qualifying examination are as follows:—

*English Paper I.*—Time allowed 1½ hours.

*Essay.*—An essay to be written in English on one of several specified subjects. The essay will be judged not only according to language, style and arrangement but also according to the degree of thoughtfulness and originality in its treatment of the subject.

*English Paper II.*—Time allowed 1½ hours.

(1) *Precis.*—The candidate will be required to express in his own words, but more succinctly, the substance of a passage of prose.

(2) *Language.*—Questions will be set to test the candidate's knowledge and command of the language.

2. *Arithmetic.*—Time allowed 1½ hours.

(Necessary tables of Weights and Measures and Constants will be provided).

Questions will be set on the elementary principles and processes of Arithmetic as applied to daily life. The questions will be designed in the main to test intelligence and accuracy rather than knowledge of methods. Algebraic methods may be employed.

3. *General Intelligence.*—Time allowed 45 minutes.

4. *General Paper.*—Time allowed 1½ hours.

The paper will be on matters of interest and importance at the present time including Social Cultural, Economic and Scientific Topics; a wide choice of questions will be given.

15. The time table will be as follows:—

<i>First day</i> —9 A.M.—10.30 A.M.	..	English Paper I.
10.45 A.M.—12.15 P.M.	..	English Paper II.
2.15 P.M.—3.45 P.M.	..	Arithmetic.
<i>Second day</i> —9 A.M.—9.45 A.M.	..	General Intelligence.
10.15 A.M.—11.45 A.M.	..	General Paper.

16. Candidates who qualify in the examination will appear before a Final Board of Selection nominated by the Civil Service Commission. This Board will consider the candidate's personality, war record, school, and/or University record and performance in the qualifying examination and furnish a list in order of merit to the Civil Service Commission which will recommend to the Governor, through the Public Services Commission, suitable candidates for appointment.

17. Candidates may apply for selection on not more than two occasions. A candidate who has passed the qualifying examination but failed to receive an appointment will not be required to sit for the examination again on his second attempt and will not be required to pay the fee fixed for the examination.

18. No "Service" candidate will be given seniority above an officer previously appointed through the normal Civil Service Examination. "Service" candidates will rank as senior to "Civilian" candidates appointed after them. As between themselves, however "Service" candidates will rank by age independently of the year they were appointed subject to the passing of the usual efficiency bars. This ranking by age is intended to prevent an officer gaining an advantage through the accident of early demobilization; but if a candidate fails in his first attempt to obtain an appointment or for some reason defers his appointment on being selected his seniority will be reckoned from his actual date of appointment.

19. Selection Boards, examinations, &c., will all be held in Colombo at times to be settled later and of which due notice will be given. A preliminary Selection Board may be appointed to meet outside Ceylon if this appears to be desirable owing to the number of applications received from a locality outside Ceylon or other circumstances.

20. Although two vacancies are offered for each of the years 1945, 1946, and 1947, the Ceylon Government will be under no obligation to make all or any of the appointments if in the opinion of the Civil Service Commission none of the candidates who appear for this examination in any of these years is considered suitable for appointment. If owing to delays in demobilization or other causes suitable candidates are not forthcoming until the examination is held in the third year all six vacancies may be filled as a result of that examination.

21. This scheme will be published in the *Ceylon Government Gazette* and extracts will be forwarded to the various Commands in Ceylon for publication in Unit Orders.

**APPLICATION FORM.**

For the use of *ex* Service Personnel seeking admission to the examination for appointment to Cadetship in the Ceylon Civil Service.

*Note 1.*—This form is to be completed in duplicate and returned to the Secretary, Civil Service Commission, The Secretariat, P. O. Box No. 500, Colombo, in time for delivery on or before June 25, 1947. No application form received after that date will be accepted.

A candidate who fills up and returns this application form and does not receive an acknowledgement of it within a reasonable time should inform the Secretary, Civil Service Commission, Colombo.

*Note 2.*—Candidates should, by consulting the regulations, make certain that they are eligible to compete.

*Note 3.*—Should any of the particulars furnished by candidates be found to be false within their knowledge they will, if appointed, be liable to be dismissed. The wilful suppression of any material fact will be similarly penalised.

*Note 4.*—The fee for the examination will be Rs. 40 which should be paid to the Examination Fund (No. 2) account of the Director of Education in the Bank of Ceylon. A form for the purpose is annexed. The Bank receipt should be annexed to the application form. The full fee is returned to candidates whose applications are rejected by the Preliminary Selection Board. A candidate who withdraws or absents himself from the examination for any reason whatsoever at any time after he has sent in his application shall not be entitled to a refund of the whole or a portion of the fee.
