Annual Holidays (Section 24).

1. (a) If a male worker has been in continuous employment and has worked under the same employer for more than 232 days in any year (hereinafter called the "qualifying year"), he shall be allowed in the next succeeding year a holiday or holidays calculated at the rate of one holiday for each unit of 4 days by which the number of days on which the worker has worked exceeds 232 : Provided, however, that it shall not be obligatory on an employer to allow any such holiday in respect of any period of work in excess of 288 days.
