- (b) a bottle capable of holding less than 8 drams, but more than 6 drams neck capacity shall be reckoned as a six-dram bottle (*i.e.*, 8 bottles to a gallon) ; and
- (c) a bottle holding less than 6 drams, but more than  $3 \frac{3}{7}$  drams neck capacity shall be reckoned as a four-dram bottle (*i.e.*, 12 bottles to a gallon).

Provided that the Warehouse Officer in charge of the warehouse of issue may in his discretion reject any bottle—

- (a) which bears a registered trade mark, *e.g.*, Sun Flower brand, the proprietor of which has not given his consent in writing for the use of such bottles for filling with arrack ; or
- (b) which is cracked or broken ; or
- (c) which is for any reason not suitable for filling it with arrack, *e.g.*, if in the opinion of the said Officer the bottle has been used for keeping tar, varnish, oil, or any other substance which may make it difficult to clean the bottle adequately by the usual methods employed at the warehouse concerned,

but the grantee shall have the right of appeal to the Superintendent in charge of the warehouse, whose order on such appeal shall be final and conclusive, and binding on the grantee.

(2) To provide against failure at the termination of the privilege to replace white and other bottles equivalent to the full gallonage of bottled arrack issued during the period of the privilege, the grantee shall, before the licence referred to in condition 12 (2) below is issued to him, pay to the Government Agent as an additional security deposit the sum set out in column 3 of Schedule A against the name of the tavern or group of taverns in column 2 of the said Schedule, the privilege in respect of which tavern or group has been granted to him. Such additional security deposit will represent the value of the bottles outstanding at all times in the hands of the grantee at the fixed rates of Rs. 3 per gallon capacity of white bottles and Rs. 2 per gallon capacity of bottles other than white, irrespective of their size or shape, and the value of any deficit in the return of bottles at the end of the period of privilege shall be liable to be set off at the Excise Commissioner's discretion at the rates above mentioned against the said additional security deposit, and shall be liable to be recovered from it as a Pre-estimate of the damage caused by the loss of bottles to Government, without any process of law, on a certificate from the Superintendent of Excise in charge of the warehouse of issue that specified numbers of white and other bottles are outstanding, such certificate being final and conclusive, and binding on the grantee.

(3) A separate Kachcheri receipt for the said additional security deposit shall be produced at the warehouse of issue at the same time as the Kachcheri receipt for the payment of the value of the arrack in the first consignment to be issued, and both receipts will be left in the custody of the said Warehouse Officer. No arrack will be issued for such first consignment, if both the receipts are not so produced.

(4) The number, date, amount and the name of the Kachcheri, on the receipt will be noted in a Register to be kept at the warehouse of issue, and shall be signed by the grantee or his agent as an acknowledgment of the correctness of the entries. The gallonages of bottled arrack in (a) white, and (b) other bottles, issued from time to time against the said additional security deposit, the gallonages of the respective kinds of empty bottles (calculated as in paragraph (1) above) returned on the dates of all subsequent issues, and the balance gallonages (calculated as in paragraph (1) above) of the respective kinds of bottles left in the hands of the grantee at every issue will also be entered in the said Register, and shall also be signed by the grantee or his agent for the like purpose.

(5) If, as a consequence of shortage of bottles owing to war conditions, it is not possible to supply in full a grantee's demand for arrack in sealed bottles, the stock of arrack in sealed bottles available from time to time at the warehouse of issue will be rationed at a variable percentage, to be fixed from time to time, of the total issues from the warehouse in the rent year of 1940-1941. The proportion of the percentage as between one tavern and another will be based, save in exceptional circumstances and in the discretion of the Superintendent in charge of the warehouse, approximately on the issues of arrack in sealed bottles to each tavern during the said year of 1940-1941 for the Ordinary and the Extra Special Qualities.

(6) The second and subsequent issues of arrack in sealed bottles will be conditional on the grantee bringing back, in entirety or in part, the balance gallonages (as calculated in paragraph (1) above) of white and other bottles, outstanding in his hands.

(7) If, however, the ration of bottled arrack due to him is more than the gallonage of empty bottles (as calculated in paragraph (1) above) returned, the Warehouse Officer may in his discretion issue only so much of the ration due as is equivalent to the said gallonage, and may also in his discretion reserve the unissued balances of the ration for subsequent issue against return of empty bottles, or he may decide to issue the full ration.

(8) In the event of the gallonage of bottles (as calculated in paragraph (1) above) returned being less than the ration due, and of the Warehouse Officer deciding in the exercise of his discretion to issue nevertheless the full ration due, if such issue is likely to increase the balance gallonage of bottles (as calculated in paragraph (1) above) in the hands of the grantee to such an extent that its value at the rate set out in paragraph (2) above will not be covered by the additional security deposit already made, the Warehouse Officer may in his discretion call upon the grantee either to pay a further sum to increase the sum already paid as additional security deposit (and such further sum shall be held on the same terms and conditions as the additional security deposit), or in the alternative to supply such number of empty bottles as represents the gallonage of bottles, to the extent required before issuing the full ration.

If such further sum is not paid or empty bottles not supplied within 24 hours of the demand having been made, the Warehouse Officer shall be entitled to refuse to issue to the grantee any arrack, whether in bottles or in bulk or in both.

(9) The exercise of the discretion of the Warehouse Officer in pursuance of the powers vested in him under paragraphs (7) and (8) of this condition will be liable to appeal to the Superintendent of Excise in charge of the warehouse, and the Superintendent's decision shall be final and conclusive and binding on the grantee.

(10) At the end of the period of the privilege the said additional security deposit together with the further sum deposited, if any, will be refunded in full, or in part after the deduction of the value at the rate set out in paragraph (2) above of the balance gallonages of the respective kinds of bottles shown in the register referred to in paragraph (4) above as left in the hands of the grantee.

(11) The additional security and the further sum, if any, so paid by the grantee as deposit will be dealt with as in condition 9 (2) above, and the grantee shall also enter into a bond with the Government Agent, hypothecating it as security for deficit in or loss of bottles.

12. (1) **Opening of Tavern on due Date, and Approval of Site.**—(a) The grantee shall open the tavern or taverns on the day on which the privilege commences to run.

(b) The Government Agent shall not be bound to find a site for any tavern in the event of the grantee not being able to procure a site.

(c) The grantee shall not open a tavern on any site otherwise than with the approval of the Government Agent, such approval being obtained from the Government Agent at least fourteen days before the privilege commences to run.

(2) **Obtaining of Licences for Sale of Arrack.**—The grantee shall, not less than five days before the date on which the privilege commences to run, obtain from the Government Agent a licence or licences for the sale by retail of arrack at the tavern or taverns within the local area covered by this privilege.

13. **Taking over of Balance Arrack by Incoming Grantee by Mutual Agreement.**—The grantee shall take over from the outgoing grantee and pay to him an amount, which may be agreed on, in respect of the cost of—

(a) the balance of arrack, in bulk and in bottles, remaining in a tavern, after the closing hour of the date of expiry of the privilege of the outgoing grantee, and

(b) transport, wastage, and other miscellaneous charges.

14. **In default of agreement, Outgoing Grantee to deliver Balance Arrack at nearest Warehouse.**—(1) Where the incoming and outgoing grantees cannot agree with regard to the sum to be paid as aforesaid, the outgoing grantee shall forthwith remove the balance of arrack of a strength not below 29° underproof in the case of the extra special quality, and not below 34° underproof in the case of the ordinary quality on a permit, to the nearest Excise Warehouse, and deliver it to the Warehouse Officer in charge thereof, and obtain a receipt.

(2) The outgoing grantee shall present such receipt to the Excise Commissioner, who shall pay to such grantee the value of the arrack so delivered at the rates at which such grantee purchased such arrack.

(3) If the sum payable by the incoming grantee at the time the arrack is so taken over by him, is higher than the sum actually paid for the said arrack by the outgoing grantee, the incoming grantee shall, within fourteen days of the commencement of his privilege pay the difference to the nearest Kachcheri.

15. (1) **Payment of Rent.**—The grantee shall pay the purchase money or rent to the Government Agent in twelve equal monthly instalments.

(2) **Due Date of Instalment.**—The first instalments of the rent shall be deemed to be due and payable on the last day of the month preceding the commencement of the privilege, and succeeding instalments shall be deemed to be severally due and payable on the last day of each succeeding month:

Provided, however, that—

(1) if the last day of any month is a Sunday, the instalment shall be payable on the day next following, or if that day is a public holiday, on the day next following that day;

(2) if the last day of any month is a public holiday, the instalment shall be payable on the day next following, or if that day is a public holiday or a Sunday, on the day next following that day.

Every instalment of rent shall be tendered at the Kachcheri Shroff's counter before 3 P.M. on any day other than a Saturday or before 12 noon on a Saturday.

(3) **Interest and Penalty.**—Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears of rent.

The payment of interest shall not be deemed to prejudice or affect the powers which may be exercised by the Government Agent, under section 53 of the Ordinance in any case in which the licence issued to the grantee is liable to be cancelled under section 26.

16. **Issue Price Payable. Issue Strengths.**—In addition to the rent the grantee shall pay to the Government Agent in respect of every gallon of arrack issued and removed from a Government Warehouse an amount calculated at rates to be determined from time to time by the Excise Commissioner by notification published in the *Gazette*. The difference between the price so determined and the selling price at the grantee's tavern or taverns shall in the case of every quality of arrack be Rs. 3·80 per gallon where arrack is sold in bottle and Rs. 6 per gallon where arrack is sold in bulk.

Provided, however, that if the issue price is increased during the period of this privilege, the grantee shall pay to the Government Agent in respect of the entire quantity of arrack remaining unsold in a tavern after the closing hour on the day immediately preceding the day on which the increased price comes into force an amount equivalent to the increase in issue price.

The Excise Commissioner shall by notification published in the *Gazette* prescribe from time to time the strength of each quality of arrack issued from a Government Warehouse.

17. (1) **Payments not valid without Kachcheri Receipt.**—No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee produces a Kachcheri receipt in respect thereof.

(2) **Money left with Officers not reckoned as Money Paid.**—No money which, for his own convenience, the grantee may think fit to leave in the hands of any Shroff or any other officer of any Kachcheri shall be deemed to be money paid under this contract.

18. (1) **Purchase of Arrack from Warehouse.**—The grantee shall purchase arrack only from the Government Warehouse, specified in Schedule B hereto in respect of the province or district within which the tavern is situated.

(2) **No issue on Sundays and Holidays.**—No arrack will be issued from a Warehouse on Sundays or Public Holidays without the prior approval of the Superintendent of Excise.

(3) **Issues from Warehouses.**—Arrack will be issued from the Warehouses at Negombo, Badulla and Jaffna only between 8.30 A.M. and 12 noon. In the case of all other Warehouses arrack will be issued between 9 A.M. and 3 P.M. on all days other than Saturdays, or between 9 A.M. and 1 P.M. on Saturdays.

(4) **Transport Passes.**—Where arrack is transported by road from a warehouse to a tavern, the Warehouse Officer will not issue a transport pass available for use at a later hour than 6·30 P.M. on the date of issue, save in exceptional circumstances.

19. **Grantee to accept such Arrack as offered.**—(1) In order to regulate the distribution of arrack till such time as the quantity available for issue becomes adequate, the Excise Commissioner may in his discretion—

- (a) refuse to issue any arrack to the grantee,
- (b) determine the quantity of arrack in bulk or in sealed bottles to be issued in each month to the grantee.

(2) The grantee shall be bound to pay for and accept within 24 hours of being noticed to do so by the Warehouse Officer, all such quantities of arrack whether in bulk or in sealed bottles, and in such strengths and in such sizes and shapes of bottles as may be determined by the Excise Commissioner to be issued to the grantee.

(3) In the event of the grantee failing to keep his tavern replenished with stocks of sealed bottles and/or bulk arrack and to carry on the sale of sealed bottles and/or bulk arrack uninterruptedly in any one month till the quantities determined by the Excise Commissioner under paragraph (1) above are exhausted, the grantee shall forfeit the undrawn balances of sealed bottles and or bulk arrack from the time the sales have been so interrupted in respect of any particular month.

20. **Loose Capsules or Broken Seals on Bottles.**—The grantee shall take steps to ensure that the capsule on each bottle issued to him is firmly fixed, or that the seal on the cork of such bottle is intact and bears a clear impression of the seal of the Excise Department. If any capsule is not firmly fixed, or if any seal is not intact or does not bear a clear impression of such seal, he shall refuse to accept such bottles.

21. **Proportion of Sealed Bottles to Bulk.**—The grantee shall draw such proportion of each consignment drawn by him, as the Warehouse Officer in charge of the warehouse may require, in sealed bottles of each description.

22. **Limit of Sale and Transport.**—The limit of sale by retail with respect to the whole Island and as regards purchasers generally shall be one-third of an imperial gallon, and no arrack in excess of that quantity shall be removed by the grantee or sold at any one time to any person except on a valid permit or pass.

23. **Exclusive right to supply arrack for sale at Foreign Liquor premises or other premises specially authorised by the Excise Commissioner ; Allocation of such premises to grantee.**—(1) The grantee of every tavern or group of taverns specified in column 1 of Schedule C hereto shall have the exclusive right of supplying arrack (in bulk only or in sealed bottles only, as the case may be) in quantities not less than those prescribed from time to time by the Excise Commissioner, on payment at rates at which he is authorised by law to sell arrack and on production of a valid transport pass issued by the Superintendent of Excise in that behalf, for sale, in each of the foreign liquor premises specified against such tavern or group in column 2 of that Schedule, or in such other premises within the same area (whether or not such premises are licensed for the sale of foreign liquor or otherwise) as may be licensed at any time after the publication of these conditions for the sale of arrack.

(2) Where the grantee so supplies arrack to any foreign liquor premises or other premises authorised by the licence he will, for the protection of his exclusive privilege, have the supervisory rights provided for in the conditions of the special licence to sell arrack issued to such foreign liquor or other authorised premises.

(3) Special licences to sell arrack in sealed (or unopened) bottles only will be issued by the Excise Commissioner at his discretion to the foreign liquor retail (off) and resthouse licensees mentioned in Schedule C below or to persons who have been granted foreign liquor retail (off) and resthouse licences after the publication of these conditions or to any other person and such licensees shall buy the arrack only from the grantee and only in bottles. Special licences to sell arrack in bulk only will be issued to all foreign liquor licensees (mentioned in Schedule C below and persons to whom licences have been granted after the publication of these conditions) other than foreign liquor retail (off) and resthouse licensees, and such licensees shall buy the arrack only from the grantee and only in bulk.

(4) The grantee shall supply arrack of both qualities, in bulk or in sealed bottles as the case may be, to such Foreign Liquor Licensees or other persons and where the grantee does not have in stock at his tavern any particular quality of arrack required by any such licensee, he shall obtain from the Government Warehouse the quality required by such licensee.

24. **Grantee to account for Arrack : Wastage Allowance.**—The grantee shall account for all arrack purchased by him from time to time. The allowance made on account of wastage will in no circumstances exceed two per centum of the total quantity purchased since the last date of stock taking.

25. **Grantee responsible for Agent's Acts.**—The grantee shall be responsible for all acts of his agents and employees in relation to the privilege.

26. **Non-transferability of Privilege.**—The privilege shall not be transferable otherwise than with the sanction of the Excise Commissioner first had and obtained.

27. (1) (a) **Cancellation of Licence and Privilege for Non-payment of Rent, &c.**—If any instalment or part of any instalment of the purchase money or rent, or further sum demanded as additional security for bottles or as additional issue price under conditions 14 (3) and 16, or any other sum due to the Crown from the grantee, in respect of the grant or of the licence issued to him, remains unpaid after the date on which it becomes due and payable, the grantee shall be deemed to have committed a breach of these conditions and of the conditions of the licence issued to him, and the Government Agent shall accordingly have power, without further process of law, either (i.) to suspend or cancel the licence or licences issued to the grantee in pursuance of the provisions of section 26 of the Excise Ordinance or (ii.) to take the licence or grant under management at the risk of the grantee, or to declare the licence or grant forfeited and reissue or resell it at the risk and loss of the grantee in pursuance of the provisions of section 30 of the said Ordinance. This condition does not in any way affect the Government Agent's powers to confiscate the security deposit in pursuance of the provisions of condition 9 above.

(b) **Intimation or Notice of Cancellation, &c.**—Intimation of any order of suspension or cancellation, under the said section 26, or the statutory notice or order under the said section 30 may be served personally on the grantee, or addressed to the post office or postal address elected and signified under condition 9 (4), and duly posted, as the Government Agent thinks fit.

(2) **Regrant of Privilege between Cancellation and Resale.**—In the event of the cancellation of a licence, the Government Agent shall have power to grant the privilege to any person approved by him for any period intervening between such cancellation and the resale of the privilege, and for this purpose may issue to such approved person a temporary licence upon such terms as he may think fit.

28. **No compensation or Remission of Rent for loss or damage.**—(1) No action or other legal proceeding shall be instituted or maintained in any court of law, against the Government of Ceylon or the Excise Commissioner, in respect of anything *bona fide* done or omitted to be done in pursuance of the powers conferred on the Excise Commissioner by these conditions or in respect of any loss or damage incurred or suffered in consequence of anything so done or committed to be done.

(2) No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having over-estimated the value of any tavern or on any other ground.

(3) The grantee shall not have or make any claim to any reduction, or to the remission of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

- (a) whether on account of any closing of the tavern or taverns during the passage of troops, or during the encampment of troops in the vicinity of the tavern or taverns, or during any riot or civil disobedience or breach of the peace, or during the apprehension of any riot or civil disobedience or breach of the peace, or during the holding of any poll, or on account of the tavern or taverns being situated within or in the vicinity of any area for the time being declared to be a diseased locality under the provisions of any written law ; or
- (b) whether on account of the opening of any new toddy or foreign liquor tavern or estate canteen for arrack or toddy or foreign liquor, or any new foreign or country liquor premises of any other description and licensed after the sale of the privilege under these conditions ; or
- (c) whether on account of the manufacture and drawing of fermented toddy on special licences issued by the Assistant Commissioner for *bona fide* domestic consumption on medical grounds, and not for sale ; or
- (d) whether on account of the manufacture and drawing of fermented toddy within the area or areas of the privilege hereby granted for supply to licensed manufactories in which toddy is used in the process of manufacture ; or
- (e) whether on account of the issue of licences for the bottling and wholesale sale of bottled toddy and of the retail sale of such bottled toddy at toddy taverns ; or
- (f) whether on account of the unrestricted tapping, manufacture and drawing of sweet toddy without any licence or permit ; or
- (g) whether on account of the refusal of the Excise Commissioner to issue special arrack licences in terms of condition 23 above ; or

- (h) whether on account of the introduction of the Tree Tax System for Toddy within the local area or areas for which the privilege is granted; or  
 (i) whether on account of the issue of licences for manufacture and/or sale of other liquors within the local area or areas for which the privilege is granted; or  
 (j) through any other cause whatever.

29. **Termination of Privilege.**—The privilege shall terminate on (a) the expiry of the term for which it is granted, (b) the death of the grantee, or (c) a breach of any of the conditions governing it.

30. **No surrender of Licence.**—The licence or licences referred to in condition 12 (2) above, being issued free of charge in pursuance of section 18 (2) of the Excise Ordinance, to implement the contract between the Crown and the grantee, shall not be surrendered by the grantee under section 28 of the said Ordinance, except with the approval of the Government Agent previously obtained in writing.
