MISCELLANEOUS LAND NOTICES

Conditions

Lease of the Trees on the Land acquired for a New Jail situated at Ragama—P. P. 17,878.

NOTICE is hereby given that the Government Agent, Western Province, will receive sealed tenders for the lease of the right to tap for rubber and to take the produce of the coconut trees standing on lots 1-28 in Preliminary Plan No. 17,878, for a period of one calendar year from January 1, 1949, subject to the conditions set out below.

2. Tenders which should be in sealed envelopes superscribed "Tender for lease of the right to tap rubber trees and to take the produce of coconut trees standing on lots 1 to 28 in P. P. 17,878, Ragama" will be received at the Colombo Kachcheri, until 11 a.m., on Saturday, February 5, 1949, when they will be opened. All tenderers will be required to be present in person or to satisfy the Government Agent by duly accredited agents that their tenders have been made in good faith.

(1) The right of the lease of which is to be sold is the right to tap the rubber trees for rubber and to take the produce of the coconut trees standing on lots 1 to 28 in P. P. 17,878, Ragama, and the tenderer whose tender is accepted will be entitled, in addition, to receive rubber coupons if any such coupons are issued by the Rubber Controller in respect of the said rubber trees. The tenderer whose tender is accepted will not be entitled to make any use of the soil of the said lots.

(2) The tenderer whose tender is accepted (hereinafter referred to as the lessee) will be required to deposit, immediately after his tender is accepted, one-fourth of the amount tendered by him as cash security. This sum will be held in deposit and refunded to him on the expiry or the earlier termination of the lease. The Government Agent of the Western Province will have the right to confiscate the whole or any part of this security for breach of any condition of the lease.

(3) The lessee shall specify the monthly rent he is prepared to pay for the lease. The rent for a month or any part thereof shall be the same. Each monthly instalment will be payable in advance on or before the first day of each calendar month. If it were not paid on the due date each monthly instalment shall carry interest at the rate of nine per centum per annum until it is paid in full.

(4) The lessee will be required to pay any rates and taxes which may be levied by the Village Committee in respect of the right to be leased.

(5) The lessee will be required to sign an indenture of the lease as soon as he is called upon to do so by the Government Agent.

(6) The lessee will not be allowed to transfer, assign or sublet his rights under the lease to any other person without the permission of the Government Agent previously obtained in writing.

(7) No slaughter tapping of the rubber trees will be allowed in any circumstances.

(8) The lessee or his workmen will not be allowed to lop the branches of or to fell or otherwise damage any trees standing on the said lots.

(9) The lessee or his workmen will not be allowed to pick any immature nuts.

(10) The lessee will not be allowed to erect structures of any sort in the said lots except with the permission of the Government Agent previously obtained in writing.

(11) The Government Agent reserves to himself the right to fell any trees, in respect of which the right above mentioned is to be leased, as may be found necessary, and a reasonable reduction of rent will be made in respect of any such felling. The decision

of the Government Agent regarding the amount of any such reduction of rents will be final.

(12) The lease will be terminable on one month's notice without payment of any compensation to the lessee, if the use of the trees is required by the Government. In such a case a proportionate reduction of the rent will be made in respect of the unexpired period of the lease.

(13) The Government Agent will have the power, in the event of any breach of the foregoing conditions, to cancel the lease and to debar the lessee and his workmen from access to the trees without paying any compensation whatsoever to the lessee.

(14) The lessee will be required to pay inspection and assessment fees in respect of the rubber trees if and when he is called upon by the Rubber Controller to do so.

(15) The lessee will be required to keep the land clean and free from rank vegetation, but should not fell any trees.

(16) The Government Agent reserves the right to accept or reject any tender.

(17) Further particulars can be obtained from the Government Agent, Western Province, at the Kachcheri, Colombo. Particulars regarding the issue of the coupons in respect of the rubber trees should be obtained from the Rubber Controller, Colombo.

(18) Finally, the lessee will be required to hand over the land at the termination of the lease without any damage to the existing plantations, to the Divisional Revenue Officer, Wattala, or any person deputed by him.
