NOTICE is hereby given that the Government Agent of the Province of Sabaragamuwa (hereinafter called the Government Agent) will, subject to the following conditions, put up for sale by tender the lease for a term of five years of the right to mine for Mica in the Crown land described in the schedule hereto.

2 Tenders, which must be enclosed in sealed envelopes superscribed "Tenders for the lease of Mica mining rights" will be received at the Ratnapura Kachcheri, until 10 a.m. on June 29, 1949, when they will be opened. All persons making tenders must be present in person at the Ratnapura Kachcheri on the above date and time or satisfy the Government Agent by some duly accredited agent that the tender is made in good faith.

3 The Government Agent reserves to himself the right of rejecting any or all tenders.

4 The person whose tender is accepted shall at once deposit the full amount of the tender, and a further sum not exceeding Rs. 1,000 (with a minimum of Rs. 100 per acre of the land or part thereof), as may be required by the Government Agent, by way of security for the due fulfilment of the conditions on which the tender is accepted.

6 The successful tenderer shall enter into a mining lease within 10 days of his being required to do so by the Government Agent. In the event of his failure to do so or of breach of any of the conditions on which his tender is accepted the successful tenderer shall be liable to forfeit any deposit made by him.

8 If at any time after the sale of the lease, but before the issue of the indenture of lease, it appears to the Government Agent that the putting up for sale of the said lease was due to some mistake or oversight but for which the same would not have been offered or put up for sale or that there is pressing need for the retention of the said land by the Crown, the Government Agent may declare the said sale as cancelled, and thereupon the purchaser shall be entitled to a refund of any deposit made by him but to no compensation or any other relief whatsoever

9 No guarantee is given of the existence of Mica on the land
