7. Every licensee who carries on any such trade shall keep the premises in a sanitary condition and shall provide suitable sanitary conveniences for his workmen and shall ensure that such conveniences are kept at all times in a clean and sanitary condition.

8 It shall be lawful for the Chairman or any officer authorised by him in writing, to enter and inspect at all reasonable times any lands or premises used for the purposes of such trade and the licensee or person in charge shall render him all such assistance as may be necessary.

Kraals

9 No person shall erect or maintain any kraal for soaking coconut husks or timber in any public lake, river, canal, lagoon, or estuary except on a licence issued by the Chairman in that behalf.

10 No licence shall be issued in respect of a kraal that obstructs any ferry, estuary, or irrigation work.

11 Every licence shall expire on the thirty-first day of December of the year in respect of which it is issued.

Sale of provisions

12 No person shall keep any shop or place (other than a market) for the sale of meat, poultry, fish, vegetables or other perishable articles of food, except on a licence duly obtained in that behalf from the Chairman. Every such licence shall expire on the thirty-first day of December in each year.

13 The owner or seller of meat, poultry, fish, vegetables or other perishable articles of food in any shop or place (other than a market) shall keep the meat, poultry and fish apart from the vegetables, and the poultry in baskets so made that the birds may not suffer unnecessary discomfort.

14 The Chairman or any person duly authorised by him in writing may inspect any shop or place (other than a market) used for the sale of meat, poultry, fish, fruit, vegetables or other perishable articles of food for human consumption.

15 (1) No meat shall be transported from any slaughter-house to any shop or place where meat is sold except in a box or vehicle which satisfies the conditions set out in the next following paragraph.

(2) (a) Every box used for the transport of meat must have the inside lined with zinc or other impermeable material and be fitted with a lid.

(b) Every vehicle used for the transport of meat must be provided with—

- (1) a roof to protect the meat from the sun or rain or from contamination by flies or dust,
- (2) a covering at each open end to screen the meat from public view, and
- (3) a compartment, the inside of which is lined with zinc or other impermeable material for storing the meat.

(3) Where any meat is transported in contravention of paragraph (1) the person liable for such contravention shall be the person on whose behalf or at whose directions the meat was so transported.

(4) Every holder of a licence shall keep the premises in a clean and sanitary condition and close up all rat holes with cement and glass.

Licences

16 The licensee shall keep affixed in a conspicuous position the licence issued under these by-laws, but where such licence cannot be affixed he shall cause a board to be affixed with the licence number and his name clearly painted in a conspicuous place in the premises or place where such trade is carried on.

17 On a second or subsequent conviction for a breach of any of the by-laws under which the licence was issued, such licence shall be liable to be cancelled by the Rural Court.

Dairies and the sale of milk

18 No person shall at any time offer for sale, sell, hawk, deliver, expose or carry for sale within the village area, any milk which has been produced in that area unless he is at that time the licensee of a dairy of four or more cows or a vendor of milk to whom a card of registration has been issued under by-law 34.

19. It shall be lawful for the Chairman or any officer duly authorised by him in writing to enter and inspect at all reasonable times any dairy or premises used for such purposes and the licensee or person in charge shall tender him all assistance as may be necessary.

20. No person shall keep a dairy of four or more cows unless he is the holder of a licence issued by the Chairman.

21. No licence to keep a dairy of four or more cows shall be issued to any person unless the premises in respect of which the licence is to be issued are in conformity with the following requirements —

(1) Every building on the premises, intended for the accommodation of cattle must—

- (a) be built of brick, stone, cobwork or wood,
- (b) have its walls and pillars limewashed,
- (c) have a roof constructed of durable material,
- (d) have its floor paved with brick or stone rendered in cement, cement concrete or asphalt,
- (e) have drains for the purpose of conveying urine, washings and waste water into one or more covered receptacles, such drains being paved with brick or stone rendered in cement, cement concrete or asphalt, and
- (f) be proportionate in size to the number of cows to be kept in the dairy allowing for each cow a floor space of not less than eight feet in length and five feet in width and a minimum air space of four hundred cubic feet

(2) The building in the premises intended for use as a milk room must—

- (a) be at a distance of not less than twenty-five feet from the cow-shed or other buildings and not less than one hundred feet from any latrine, cesspit, ashpit, permanent manure heap or open sewer,
- (b) have walls not less than seven feet in height, built of stone, brick, or cobwork and plastered and limewashed on the inside,
- (c) have at least two opposite walls abutting on the open air,
- (d) have its floor cemented, and the junction of the floor with the walls rounded off with cement,
- (e) have a ceiling which is constructed of grooved and oil-painted boards capable of preventing the ingress of dust,
- (f) have the eaves of the roof at least six feet above the level of the ground,
- (g) have at least one window and one door, the area of the window space being not less than one-fifteenth of the floor space of the room, and have each window and door covered with fly-proof netting and one window facing at least one door, and
- (h) be provided with a table covered with marble, slate, zinc or other impermeable substance approved by the Chairman and with a sanitary dust-bin and a suitable rack for storing clean bottles

22. The licensee shall keep affixed in a conspicuous position on the outside of his premises a board on which the phrase "Licensed Dairy" and its Sinhalese equivalent are clearly painted.

23. Every licensee shall keep in the dairy, so as to be available for inspection at any time, a list of the names and addresses of all employees and a register containing the names and addresses of all persons to whom he supplies milk.

24. The licensee shall take all necessary steps to ensure that—

- (a) the walls of every room forming part of the dairy are limewashed and the woodwork is washed with hot water and soap at least twice a year in the months of June and December, and at such other times as may be ordered by the Chairman in writing,

- (b) the floors and the top of the milk room table are washed at least once every day,
- (c) every part of the dairy, its surroundings and drains are kept clean and in good repair,
- (d) full dung, refuse, urine and washings are removed from the dairy at least once a day and disposed of at a suitable distance from the dairy in such manner as to cause no nuisance,
- (e) all cattle food other than grass or straw, is stored in suitable rat-proof receptacles, and
- (f) all utensils, furniture and other requisites used in or belonging to the dairy are kept clean.

25. The licensee shall not cause or permit—

- (a) any milk to be poured into any vessel which is not thoroughly cleaned,
- (b) milk to be stored in any vessel other than a vessel made of glass, porcelain, glazed earthenware or enamelled or galvanized iron,
- (c) any vessel used for the storage of milk to be kept in any place other than the milk room,
- (d) milk to be drawn from any cow unless, immediately before the time of milking, the udder and teats of the cow are thoroughly cleaned and wiped with a clean damp cloth, and unless the hands of the person milking are also thoroughly washed and cleaned,
- (e) milk intended for sale to be kept in any place other than the milk room, or
- (f) any animal or bird to enter or remain in the milk room for any purpose whatsoever

26. The licensee shall provide for the purposes of the dairy only water obtained from a source approved by the Chairman.

27. (1) The licensee shall not allow any milk vessel, butter vessel, churn, separator, or other article used in the dairy to be used for any purpose other than the purposes of the dairy, and shall cause each such vessel, churn separator or other article to be washed after each occasion on which it is used, first with cold water, then with boiling water and soda, and finally with water which has been boiled and cooled.

(2) The licensee shall cause the brushes used in cleaning vessels and other dairy requisites to be boiled for ten minutes each time after use.

28. The licensee shall cause every vessel in the dairy containing milk to be adequately protected with a clean cover or lid, and shall take all precautions to prevent milk from being contaminated during transit.

29. The licensee shall not use the milk room or permit it to be used for any purpose other than that of storing and preparing milk.

30. No person who is suffering or has recently suffered from any infectious, contagious, or cutaneous disease, or who has recently been in attendance on any person suffering from such disease, shall be permitted by the licensee or any person in charge of the dairy or milk room to enter the dairy or milk room or to take part in the preparation, sale or transport of milk, until the periods of infection and incubation have elapsed.

31. The licensee shall give immediate notice to the Chairman of any case or suspected case of infectious, contagious, or cutaneous disease, which may occur among the persons employed in the dairy.

32. The licensee shall not sell or cause or permit to be sold the milk of any cow suffering from tuberculosis, acute mastitis, foot-and-mouth disease, anthrax or actinomycosis of the udder, or add such milk or cause or permit it to be added to any milk which is intended for sale for human consumption.

33. The licensee shall not sell or supply to any person milk obtained from any cow other than a cow kept in a licensed dairy.

34. (1) The Chairman shall issue annually to the owner of every licensed dairy in respect of each vendor of milk or to any other person who desires to sell or hawk milk, a card of registration bearing the name and thumb impression of the vendor, and the name of the licensee and the registered number of the dairy.

(2) No card of registration shall be issued until a Medical Officer authorised in writing by the Chairman has examined and found such vendor to be free from any infectious, contagious or cutaneous disease.

(3) The card of registration shall not be transferable.

85. (1) The Chairman, or any officer authorised in writing by the Chairman, may at any time demand and take a sample of milk for analysis, on payment of the value thereof, from any licensed dairy or from any person selling, exposing, hawking, or delivering milk from a licensed dairy.

(2) No licensee or registered vendor or other person shall refuse to comply with a demand lawfully made under paragraph (1)

Taxation of land

36 For the purpose of the assessment tax the percentage or rate to be deducted from the annual value for the probable annual average cost of insurance, repairs, maintenance and upkeep, shall be as follows —

- (a) in the case of any building which has a thatched roof of any description or which is covered with any other material which requires replacement as frequently as thatch, twenty per centum of the annual rent,
- (b) in the case of any building other than a building referred to in paragraph (a), fifteen per centum of the annual rent,
