BY virtue of the powers vested in me by section 18 of the Excise Ordinance (Chapter 42), as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947, I, Tharmasothy Vatharaniam Saravanamuttu, Excise Commissioner, do hereby direct, with the approval of the Minister of Home Affairs and Rural Development, that the grant of the exclusive privilege of selling fermented toddy by retail within any local area, during the period specified in special condition 1 (1) and subsequent periods shall until further notice be subject—

- (1) to the General Conditions for the time being in force and applicable to all Excise Licences; and
- (2) to the special conditions set out hereunder.

Office of the Excise Commissioner,
Colombo March 14, 1950.

T. V. SARAVANAMUTTU,
Excise Commissioner.

SPECIAL CONDITIONS

1. (1) *Periods of Privilege.*—
 - (a) The privilege shall be granted—
 - (i) for the period commencing on July 1 of any one year and ending on June 30 of the next succeeding year, in respect of all toddy taverns in the Mannar District of the Northern Province, in the Vavuniya District of the Northern Province, and in the Eastern Province (except in the case of Alampil, Valayanmadam, Kanagarayankulam, and Kurisuddakulam taverns in the Vavuniya District of the Northern Province); and
 - (ii) for the period commencing on October 1 of any one year and ending on September 30 of the next succeeding year, in respect of all toddy taverns in other Provinces, or for any shorter period within these twelve months, on application by way of tender in the form or by auction in the manner prescribed in these conditions.
 - (b) In the case of Alampil, Valayanmadam, Kanagarayankulam and Kurisuddakulam toddy taverns in the Vavuniya District of the Northern Province the privilege shall be granted for the period commencing on March 1 of any one year and ending on September 30 of the same year, or for any shorter period within these seven months on application as aforesaid.
- (2) *Areas for which Privilege granted.*—

The privilege may be granted for the local area of an individual tavern, or for the respective local areas of each tavern in a group of taverns, as the Government Agent may decide.
2. *Tapping areas, and Number of Trees allowed for Tapping.*—
 - (1) Tapping areas, particulars of which may be obtained from the Superintendent of Excise of each Circle, will be allotted for all taverns other than those situated within the limits of the Colombo Municipality or in the Chilaw District, and licences to tap trees outside the tapping area allotted to a tavern will not be issued without the sanction of the Excise Commissioner previously obtained in writing.
 - (2) The number of trees that will be allowed to be licensed for tapping will be estimated on the basis of the previous period's sale figures, with due regard to the likely increase or decrease of sales.
 - (3) Trees situated even within the tapping areas allotted are liable to be disallowed on the ground of inaccessibility, distance from one another, situation in relation to places of worship, or of cemeteries, or of illicit consumption or sale, or for other similar reasons. The final arrangements for the lease of the trees should therefore be made only after the topos specified in the application are approved by the Superintendent of Excise.
3. *Tender Form.*—

Every tender shall be made on the form set out hereunder. Forms may be obtained from the offices indicated in the sale notice.
4. *Tender Deposit.*—
 - (1) The Government Agent may, if he considers it necessary, require the deposit of a sum not exceeding Rupees Five hundred (Rs. 500) by the tenderer in respect of each tender.
 - (2) Every tender shall be accompanied by a Kachcheri receipt acknowledging the deposit of the sum required by the Government Agent under the foregoing paragraph of this condition, and the number and date of the receipt shall be entered on the face of the tender form.
5. *Prohibition of Tenders by Agents or of more than one tender by any Person.*—
 - (1) Every tender or bid shall be made by the tenderer or bidder in his own name. No tender or bid, made through an agent, will be accepted.
 - (2) No person shall send in more than one tender for any one tavern or group of taverns.
6. *Disqualifications against Acceptance of Tenders; Acceptance null and void.*—
 - (1) No tender will be accepted from any person—
 - (a) whose name appears on the list of defaulting contractors, or on the list of defaulters in respect of any kind of Excise licence or of toll rents, or on the list of persons precluded for other reasons from having any concern in any Government rent or contract; or
 - (b) whose name is on the Excise register of offenders; or
 - (c) who is a registered criminal within the meaning of the Prevention of Crimes Ordinance, or who has been convicted of any grave crime or of any Excise offence; or
 - (d) who at any time held a licence which has been cancelled under section 26 of the Excise Ordinance.
 - (2) If any tender of any such person has been accepted the Government Agent may in his sole discretion cancel the acceptance at any time during the period of the privilege, and shall communicate his order of cancellation to the grantee. On the making of any such order of cancellation, the original acceptance shall become null and void.
7. *Delivery of Tenders.*—
 - (1) Every tender shall be placed in a sealed envelope, on the top left-hand corner of which shall be clearly marked the name of the tavern in respect of which the tender is made and its number on the list of sanctioned taverns, or the designation of the group of taverns in respect of which the tender is made as given in the notice calling for tenders, as the case may be.
 - (2) Every sealed envelope containing a tender shall—
 - (a) be deposited in the Kachcheri tender box; or
 - (b) be handed to the Government Agent or to his Assistant; or
 - (c) be sent by registered post addressed to the Government Agent so as to reach the Kachcheri, before the time fixed for closing the tenders.
8. (1) *Power of rejection of Tender.*—

The Government Agent may in his discretion reject any or all of the tenders received; and in the event of his so rejecting all tenders, he may call for tenders again or put up the privilege, either at once or after further notice, for sale by auction.

(2) Restriction of Bidding at Auction.—

At such auction no person shall be allowed to bid, unless he shall have either—

- (a) submitted a tender accompanied by the Kachcheri receipt prescribed in condition 4, whether such tender be for the particular privilege to be auctioned or for any other privilege; or
- (b) produced the receipt prescribed in condition 4, notwithstanding his failure to submit a tender for the particular privilege to be auctioned or for any other privilege:

Provided that no person who is duly declared the purchaser of any privilege, whether by way of tender or of auction shall use or be permitted to use the same receipt for the purpose of a tender or a bid for any other privilege, until he has completed in respect of the privilege already granted to him the steps prescribed hereinafter in condition 9 (1) (a).

(3) Power of Rejection of Bid.—

The privilege shall be granted to the highest bidder at such auction: Provided that the Government Agent may in his discretion reject any or all of the bids made at such auction.

(4) Procedure after Rejection of all Bids.—

In the event of the rejection of all bids as aforesaid, the Government Agent may in his discretion—

- (a) call for further tenders for the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any tenders so received, and thereafter, put up for sale by auction the privilege for any single tavern or sub-groups or combinations as aforesaid for which the further tenders were rejected, either at once or after further notice, and accept or reject all or any bids so received; or
- (b) put up for sale by auction the privilege for any single tavern or for sub-groups of two or more taverns included in any group of taverns, or for any combination of parts of groups or of whole groups of taverns either at once or after further notice, and accept or reject all or any bids so received; or
- (c) grant the privilege for the tavern, or group, or any single tavern or sub-group of two or more taverns included in a group or for any combination of parts of groups or of whole groups of taverns to any person, who is approved by the Government Agent, and who agrees to pay by way of rent such amount as the Government Agent may fix.

(5) Procedure after Rejection of further Bids.—

In the event of the rejection of the bids received under paragraphs 4 (a) and 4 (b) of this condition, the Government Agent may in his discretion take action under paragraph 4 (c).

9. (1) (a) Security Deposit.—

The grantee shall, immediately on being declared to be the purchaser of the privilege, sign these conditions, and pay to the Government Agent as a security deposit a sum equivalent to two months' rent payable for that privilege.

(b) Signing of Bond.—

The grantee shall also within fourteen days of his being declared to be the purchaser of the privilege enter into a bond on Form General 112 with the Government Agent for the full amount for which he has purchased it, and he shall specially hypothecate by such bond the said security deposit.

(c) Consequences of Breach of Condition of Bond.—

The said security deposit shall be liable to be confiscated, either in whole or in part, by the Government Agent, at his sole discretion and without any process of law, for breach of any of these conditions or of any of the conditions of the licence or licences referred to in condition 12 (2) below, or for non-payment of any instalment, and such confiscation shall be in addition to any other penalty prescribed by these conditions for such breach or non-payment, and to any other amount which the Crown may have the right to claim and recover by due process of law.

(2) Banking of Security Deposit.—

Security money so paid will be deposited in a bank only on the grantee's application and only at his risk, and when such deposit is made, no withdrawal will be allowed till the date of maturity.

(3) Warrant or Power of Attorney to confess Judgment.—

If the highest bid or tender under condition 8 exceeds the sum of Rs. 2,000 the grantee shall at the time of the execution of the bond as aforesaid execute, if so required by the Government Agent, a warrant or power of attorney in the form sanctioned by law, to confess judgment in any action which may be instituted against him for the recovery of any moneys due in respect of this privilege, and shall also furnish to the Government Agent within fifteen days of the date of the execution of such warrant or power of attorney a duly certified copy thereof for filing in the District Court under section 32 of the Civil Procedure Code.

(4) Registered Postal Address.—

The grantee shall, on signing these conditions, elect and signify under his hand a post office or postal address to which all notices and processes whatever in connection with the privilege may be addressed; and all such notices or processes so addressed to such post office or to such postal address, and posted in due course, shall be deemed to have been duly served and be as effectual for all purposes, as if they had been served upon the grantee in person upon the day on which such notice or process was so posted.

10. Failure to complete Purchase of Privilege.—

If any tenderer or bidder, on being declared to be the purchaser of the privilege, declines or fails to sign these conditions of sale, or fails to furnish the security prescribed in condition 9 (1) (a) when called upon to do so, the deposit made under condition 4 will be declared forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise licences. Subject to this exception, the deposits of all tenderers or bidders will be returned, after the conditions of sale have been signed and the aforesaid security given by the successful tenderer or bidder.

11. Grantee to have no Interests in certain Arrack and Foreign Liquor Sales and Toddy Estate Canteens.—

The grantee shall not acquire or hold any share or any interests, whether direct or indirect—

The grantee shall, at least twenty-one days before the date on which the privilege commences to run, furnish to the Superintendent of Excise an application on the prescribed form, showing the numbers and the situation of the trees which he proposes to tap for the supply of fermented toddy for sale at each tavern, and the situation and numbers of the collecting stations for toddy which he proposes to establish; and no trees shall be tapped or toddy drawn in pursuance of this privilege otherwise than under cover of a tapping licence setting forth the numbers and the situation of such trees, the name of the drawer, the name of the owner or possessor of such trees, and the tavern for which the fermented toddy is intended.

Special licences for tapping and drawing fermented toddy from trees already tapped for sweet (unfermented) toddy will be allowed in order to meet a temporary special demand for festivals and such other contingencies for any period not exceeding two weeks duration, provided however that such special licences will not be granted in respect of trees tapped for sweet toddy in dry areas.

14. (1) (a) *Marking of Trees*—

The grantee shall not—

(3) *Interest and Penalty.*—

Interest at the rate of 9 per centum per annum shall be payable in respect of all arrears of rent. 19. (1) *Payments not valid without Kachcheri Receipt.*—

No payment of any sum due by the grantee to the Crown shall be deemed to have been duly made, unless the grantee produces a Kachcheri receipt in respect thereof.

If any instalment or part of any instalment of the purchase money or rent, or any duty, fee, composition fee, or other sum due to the Crown from the grantee, in respect of the grant or of the licence issued to him, remains unpaid, after the date on which it becomes due and payable, the grantee shall be deemed to have committed a breach of these conditions and of the conditions of the licence issued to him, and the Government Agent shall accordingly have power, without further process of law, either (i) to suspend or cancel the licence or licences issued to the grantee in pursuance of the provisions of section 26 of the Excise Ordinance, or (ii) to take the licence or grant under management at the risk of the grantee, or to declare the licence or grant forfeited and reissue or resell it at the risk and loss of the grantee in pursuance of the provisions of section 30 of the said Ordinance.

This condition does not in any way affect the Government Agent's powers to confiscate the security deposit in pursuance of the provisions of condition 9 above.

(b) *Intimation or Notice of Cancellation, &c.*—

Intimation of any order of suspension or cancellation, under the said section 26, or the statutory notice or order under the said section 30 may be served personally on the grantee, or addressed to the post office or postal address elected and signified under condition 9 (4), and duly posted, as the Government Agent thinks fit.

(2) *Regrant of Privilege between Cancellation and Resale.*—

In the event of the cancellation of a licence, the Government Agent shall have power to grant the privilege to any person approved by him for any period intervening between such cancellation and the resale of the privilege, and for this purpose may issue to such approved person a temporary licence upon such terms as he may think fit.

(3) *No Remission of Rent.*—

No remission of the rent payable in respect of the privilege will be granted on any plea of the grantee's having over-estimated the value of any tavern or on any other ground.

(4) *No Compensation of Losses.*—

The grantee shall not have or make any claim to any reduction, or to the remission, of any sum due and owing by him to the Crown by reason of any loss alleged to have been sustained by him—

- (e) whether on account of the manufacture and drawing of fermented toddy on special licences issued by the Assistant Commissioner for bona fide domestic consumption on medical grounds, and not for sale; or
- (f) whether on account of the manufacture and drawing of fermented toddy within the local area or areas of the privilege hereby granted for supply to licensed manufactories in which toddy is used in the process of manufacture; or
- (g) whether on account of the unrestricted tapping, manufacture and drawing of sweet toddy without any licence or permit; or
- (h) whether on account of the issue of a licence for bottling and sale of bottled toddy to any other grantee or person or on account of the grantee's inability to make satisfactory arrangements with any such bottling licensee for the supply of bottled toddy to his tavern or on account of the breach by any such licensee of any of the conditions of his licence for bottling and sale of bottled toddy; or on account of the refusal of the Excise Commissioner to issue licences under the provisions of condition 17 (a) (iii) above; or
- (i) whether on account of the issue of licences for the manufacture and/or sale of other liquors within the local area or areas for which the privilege is granted; or
- (j) through any other cause whatsoever.

25. *Termination of Privilege.*—

The privilege shall terminate on (a) the expiry of the term for which it is granted, (b) the death of the grantee, or (c) a breach of any of the conditions governing it: Provided that in the event of the death of the grantee, the Government Agent may, in his discretion, permit the legal heirs or the Administrator of the estate of the grantee, to continue the privilege till the expiry of the term for which it is granted.
