Municipal Council Proceedings

The Minutes of Proceedings of the Special Meeting of the Jaffna Municipal Council, held at the Committee Room of the Council on Saturday, March 4, 1950, at 3 p.m. pursuant to notice dated February 27, 1950

Present.—The Hon. Mr. S. W. R. D. Bandaranaike, Minister of Health and Local Government; the Hon. Mr. G. G. Ponnambalam, Member for Jaffna and Minister for Industries, Industrial Research and Fisheries; C. Ponnambalam, Esq. (Mayor); S. R. Thalayasingham, Esq. (Deputy Mayor); Messrs. D. James, P. M. John, P. Casipillai, A. M. Brodie, S. Visuvalingam, T. S. Durairajah, Kathi S. M. Aboubucker, Messrs. S. A. Sabapathy, E. W. Kannangara, Permanent Secretary to the Minister of Health and Local Government, O. Weerasinghe, Government Town Planner, and the Medical Officer of Health.

The Mayor thanked the Hon. the Minister of Health and Local Government for having consented to be present that evening to participate in the discussion of problems concerning the Council and the Central Government—an opportunity for which the Council would be grateful to him.

In reply the Hon. Mr. S. W. R. D. Bandaranaike thanked the Mayor and members of the Council for the invitation extended to him and congratulated them on the new status the Council had attained and assured success for the future of the Council.

1. *Water Supply for Jaffna.*—The Mayor said that the Water Supply Scheme was 127 years old and so far nothing constructive had been done to bring the Scheme to fruition. Even the Water Supply Expert who was sent to Jaffna had not consulted the Mayor or the Commissioner when he purported to have inspected the site earmarked for the main Water Supply Scheme.

Mr. E. W. Kannangara replied that the Water Supply Expert was only sent to inspect the site for the supply of water to the Karaiyoor Housing Scheme. He assured the Council that the Jaffna Water Supply would receive priority as other schemes taken earlier were in stages of construction.

Messrs. A. M. Brodie and S. A. Sabapathy participated in the discussion.

Hon. Mr. S. W. R. D. Bandaranaike explained the cause of the delay and assured the Council on his return to Colombo to get the Water Supply Expert, Mr. J. D. Sanderson, and invite Mr. G. G. Ponnambalam, Member for Jaffna, and discuss with them and see that the Water Scheme was pushed through without any further delay.

Hon. Mr. G. G. Ponnambalam agreed to give the assistance of the Government Mineralogist in connection with the Jaffna Water Scheme, if and when the Hon. the Minister of Health and Local Government wanted his services.

2. *New Infectious Diseases Hospital.*—The Mayor said that the shifting of the Infectious Diseases Hospital was sponsored long ago and the Central Government had at first proposed to take the entire responsibility on their shoulders but later they had taken a different view and desired the Council to share a portion of the expenses.

Hon. Mr. S. W. R. D. Bandaranaike pointed out that the Treasury had ruled that unless it was for the preservation of general national health of the people, the local authorities were expected to contribute a share of the amount. The Minister said that there were two alternatives, viz., one was to prove that the Infectious Diseases Hospital was for the preservation of general national health of the people of Jaffna or to state what share the Council was prepared to give to enable the Minister to take up the matter with the Government and obtain the necessary financial provision.

Mr. S. A. Sabapathy said that the Council was only prepared to pay for the acquisition of the land for the erection of the Infectious Diseases Hospital and the Government to bear cost of erection and maintenance thereafter.

Mr. A. M. Brodie also spoke in support of the acquisition of the land at Navatkuli for the erection of the I. D. H.

Hon. Mr. S. W. R. D. Bandaranaike agreed that the Council should bear the cost of acquisition only, and the erection of the hospital and maintenance thereafter would be a matter for the Central Government.

3. *Demolition of Insanitary Houses at Karaiyoor (Gurunagar).*—The Town Planner said that the Municipal Council, with the assistance of the Medical Officer of Health, had selected houses that had to be demolished and when demolition took place it was necessary for the Government to acquire the land to put up model tenements.

Hon. Mr. S. W. R. D. Bandaranaike approved the demolition of all insanitary houses in the Karaiyoor slum area and observed that if after demolition of the insanitary houses there would be overcrowding in houses that were not demolished, he would recommend the acquisition of the sites where the demolished buildings stood.

Mr. S. A. Sabapathy said that houses that occupied more than 2/3rd of the space could also be demolished.

The Council decided to demolish all insanitary houses and houses that did not conform to Housing and Town Improvement Ordinance and to approach as directed by the Hon. Mr. S. W. R. D. Bandaranaike—the Government to acquire the vacant land and put up model houses.

4. Considered sources of finance for Municipalities with particular reference to Jaffna Municipal Council.

The Mayor requested that the following sources of revenue be handed over to the Municipal Council:—

- (i) Tree tax within the Municipality,
- (ii) Income tax within the Municipality, and
- (iii) Customs duties.

Hon. Mr. G. G. Ponnambalam was of opinion that the tree tax should be handed over to the Jaffna Municipal Council as long as tree tax existed in the town.

(i) The Hon. the Minister for Health and Local Government agreed to grant tree tax to the Municipality as soon as final settlement was reached on the subject by the Central Government.

(ii) Hon. Mr. S. W. R. D. Bandaranaike was not agreeable to allocation of Income Tax and Customs duties as they were the main source of revenue to the Central Government. He suggested the Council to levy sales tax as is being done in many parts of India.

Regarding Stamp duties on land transaction

Hon. Mr. S. W. R. D. Bandaranaike said that his Committee had recommended the proposal and now he was awaiting to hear the opinion of local authorities before implementing the Scheme.

On the suggestion of Hon. Mr. G. G. Ponnambalam, the Minister of Health and Local Government said that

there was a possibility of increasing the finance of the Council by taking in all revenue from the preparation, sale and possession of liquor within the town.

The Mayor said that it was necessary to increase the block grant given to the Council considering the size, population and the enhanced revenue the Council was deriving at the present time.

Mr. S. A. Sabapathy said that the block grant had continued to be the same in spite of increase in revenue in recent years and change of status of the Council.

Hon. the Minister of Health and Local Government agreed to go into the matter and recommend a bigger grant to the Jaffna Municipality.

5. Considered the extension of the services of the Medical Officer of Health, Sanitary Inspectors and Public Health Nurse for another three years.

The Mayor said that owing to the depleted financial position of the Council it was necessary to extend the present arrangement as regard the Medical Officer of Health and his personnel for another period of 3 years.

Hon. the Minister of Health and Local Government promised to go into the matter and if it was possible to grant the concession asked by the Council.

6. Considered site for school under Karaiyoor Housing Scheme and permission to utilize the balance sum of Rs 20,000 out of the grant for the erection of the school. Messrs S. A. Sabapathy, P. M. John and T. S. Durairajah participated in the discussion.

The Mayor explained the necessity for the Government to allow the balance grant of Rs 20,000 to be used for erecting the school.

The Hon. the Minister of Health and Local Government was opposed to utilizing the money for erecting a school for handing over to the Catholic Mission, as he said that the money was voted for erection of building for slum clearance. If it was the erection of a Government School he would induce the Education Department to take up the matter. He recommended to the Council to utilize the money as part of a Building Scheme.

7. Considered payment by the Government of the sum of Rs 11,704.92 advanced by the Council for constructing Thangammah Subramaniam Maternity Home which was being taken up by the Central Government.

Mr. E. W. Kannangara said that no maternity home had been taken up by Government from any local authorities. This is a special concession the Health Department was prepared to grant to the Jaffna Municipality. It was not possible for the Health Department to meet the sum incurred in erecting the maternity home.

The Mayor and Mr. S. A. Sabapathy urged the payment of the sum of Rs. 11,704.92 by the Central Government.

No decision was arrived at.

8. Considered papers regarding closing of Clock Tower Road and the Government allowing sufficient land for widening Hospital Road.

The Mayor, Messrs. S. A. Sabapathy and A. M. Brodie participated in the discussion.

The Hon. the Minister of Health and Local Government agreed to granting of 17' of land for widening of Hospital West Lane and the Council to close the portion of Clock Tower Road between its junction with Hospital West Lane and the Hospital Road for vehicular traffic.

Mr. A. M. Brodie pointed out that cost of widening and construction of road should be borne by the Central Government as the Council was blocking a very important and busy road for the convenience of the Jaffna Hospital.

Hon. Mr. S. W. R. D. Bandaranaike requested the Council to permit the Health Department to get on with the building work for the Jaffna Hospital and the question who has to pay for the cost of widening Hospital West Lane into a public road be taken up later.

The Council acceded to the Minister's request.

The Mayor thanked the Hon. Mr. S. W. R. D. Bandaranaike for participating in the meeting and for having acceded to many of the requests made by the Council.
