4. The successful tenderer shall, immediately on being declared to be the purchaser of the privilege, sign the Conditions of Sale and pay to the Government Agent as security deposit a sum equivalent to two months' rent payable for that privilege

5. If any tenderer on being declared the purchaser of a privilege, declines to sign the Conditions of Sale or fails to furnish the required security when called upon to do so, the tender deposit made by him will be declared to be forfeited, and the defaulter will render himself liable to have his name entered in the list of defaulters in respect of all Excise licences. Subject to this exception, the deposits of all tenderers will be returned after the Conditions of Sale have been signed by the successful tenderer or bidder and the aforesaid security given by the successful tenderer or bidder.

6. The Government Agent reserves to himself the right of rejecting any or all tenders without assigning any reason for so doing.

7. The security required from the grantee of the tavern can be furnished in the form of promissory notes of any of the Ceylon Government interest bearing loans (including the interest bearing War Loans). These loans carry a higher rate of interest than fixed deposits in Banks and the interest is paid half-yearly by Government to the holder. When the rent period is over and the security can be released the notes can be tendered by the holder as security for subsequent rents or contracts with Government or where the holder has no further rents or contracts with Government the value of the notes can be realized without loss in the open market. The Banks too accept these notes as security for over-drafts.

8. Further particulars can be obtained on application at the Colombo Kachcheri.
