Part V—Applications for Public Carriers' Permits for use of Lorries for Fee or Reward and for Stage Carriage Permits to Ply Omnibus or Hiring Car Services and for Renewal of such Permits, &c.

MOTOR TRAFFIC ACT, No. 14 OF 1951

List of Applications for Public Carriers' Permits for use of Lorries for Fee or Reward

IN terms of section 87 (2) of the Motor Traffic Act, No. 14 of 1951, notice is hereby given of the following applications for Public Carriers' Permits for use of lorries for fee or reward.

The following extract from the Act applies to objections against the grant of such applications —

“ 87 (3) any person already providing transport facilities, whether by means of road transport or any other means of transport, for the carriage of goods for fee or reward in the area or any part of the area or between any places which the applicant intends to serve under the authority of the permit applied for, may, on payment of the prescribed fee, make objection against the grant of the application on the ground that suitable transport facilities in that area or part or between those places are or, if the application were granted would be either generally or in respect of any particular type of lorries, in excess of requirements, or on the ground that any of the conditions of any permit held by the applicant has not been complied with.”

An objection may be made under this sub-section on behalf of the Railway by the General Manager of Railways or any other officer of his Department authorized by him for the purpose ; no fee shall be payable in respect of any such objection ”

Objections must be made in the manner stated below to the Commissioner of Motor Traffic, No. 33, Torrington Place, Colombo, so as to be received by him not later than 2.30 p.m. on Wednesday, June 18, 1952.

1. Every objection against the grant of any application for a Public Carriers' Permit shall be made by a written statement on suitable paper and shall be signed by the person making the objection. Where the objection is made by anybody corporate or a firm, it shall be signed by a person duly authorized in that behalf by such body or a partner of the firm, as the case may be, giving the designation of the person signing it.

2. Every statement of objection shall be made in duplicate and the original shall, except where the objection is made by or on behalf of the General Manager of the Railway, bear stamps to the value of Rs. 2.50.

3. Every statement of objection shall indicate by reference to the serial number given in the notice and to the name of the applicant, the application in respect of which the objection is made and shall set out the specific grounds on which the objection is based.

4. No statement of objection shall relate to more than one application.

5. Every statement of objections shall be enclosed in a sealed envelope and addressed to the Commissioner of Motor Traffic (Branch L) and delivered at the Office of the Commissioner or sent by registered post so as to reach the Commissioner not later than the date specified in the notice.

Any person interested in any application may, on payment of Re. 1, inspect such application at this office during the period of fourteen days after the publication of this notice.

Objectors are requested to state clearly in their objections the facts entitling them to object, i. e., whether they are already providing transport facilities, &c., and if so, by what means and if by lorries the registered numbers of the lorries. If the objection is in respect of a particular lorry or lorries only being specified in the permit the number of those lorries should be indicated in the statement of objections.

Objections not conforming to these requirements will be of no avail.

Colombo, May 15, 1952.

C. B. P. PERERA,
Commissioner of Motor Traffic.

Part V—Applications for Licences to Ply Omnibuses or Hiring Car Services

MOTOR TRAFFIC ACT, No. 14 OF 1951

Applications for Stage Carriage Permits to operate Regular Services of Omnibuses or Hiring Cars

1. A list of applications for Stage Carriage Permits to operate regular services of omnibuses or hiring cars is published below as required by section 52 of the Motor Traffic Act.

2. Any person already providing transport facilities, whether by means of road transport or any other means of transport, for the carriage of passengers for fee or reward along or near to the proposed route or routes or any part thereof may make objection against the grant of the application on the ground that suitable transport facilities along or near to the proposed route or routes or part thereof are, or if the application were granted, would be, in excess of requirements, or on the ground that any of the conditions of any permit held by the applicant has not been complied with.

3. Any local authority within whose administrative limits any part of the route or routes proposed by the applicant for a Stage Carriage Permit, is situated or any other persons interested may make representations in relation to the applications.

4. Every objection against the grant of any application for a Stage Carriage Permit for a regular service shall be made by a written statement on suitable paper and shall be signed by the person making the objection. Where the objection is made by any body corporate or a firm, it shall be signed by a person duly authorized in that behalf by such body or a partner of the firm, as the case may be, giving the designation of the person signing it.

5. (1) Every statement of objection shall indicate by reference to the serial number given in the list below and the name of the applicant for the Stage Carriage Permit, the application in respect of which the objection is made and shall set out the specific grounds on which the objection is based.

(2) No statement of objection shall relate to more than one application

6. Every statement of objection shall be in duplicate and the original shall, except where the objection is made by or on behalf of the General Manager of Railways, bear uncanceled stamps of the value of Rs 2 50.

7. Every representation shall be made by a written statement in duplicate on suitable paper and shall be signed by the person making the representation. Where the objection is made by any body corporate or a firm, it shall be signed by a person duly authorized in that behalf by such body or a partner of the firm as the case may be, giving the designation of the person signing it.

8. Every statement of objections or representations shall be enclosed in a sealed envelope and addressed to the Commissioner of Motor Traffic (Branch B) and delivered at the Office of the Commissioner at 33, Torrington Place, Colombo, or sent by registered post so as to reach the Commissioner not later than 12 noon on or before June 18, 1952.

9. If the statement of objections or representations is delivered at such office, signed receipt must be obtained.

10. Any person may, on payment of Re. 1, inspect any application specified in the notice referred to in regulation 2 at the Office of the Commissioner during the period of fourteen days after the publication of the notice

Part V—Applications for Public Carriers' Permits for use of Lorries for Fee or Reward and for Stage Carriage Permits to Ply Omnibus or Hiring Car Services and for Renewal of such Permits, &c.

MOTOR TRAFFIC ACT, No. 14 OF 1951

IN terms of section 87 (4) of the Motor Traffic Act, No. 14 of 1951, and regulation 18 of the Motor Traffic (Goods Carriage) Regulations 1951, notice is hereby given that a public inquiry will be held into each of the following applications for Public Carriers' Permits for use of lorries for fee or reward, on the date, time and place shown against each application.

2. (i) At a public inquiry, no person other than the applicant and every person who has duly made objections to the grant of that application shall be entitled to be heard.

(ii) The Commissioner may, in his discretion, permit any person other than a person referred to in para. 2 (i) above to be heard at a public inquiry.

(iii) The Commissioner may, in his discretion, refuse to hear at a public inquiry any person if he is satisfied that the views of that person have already been stated adequately by some other person of that inquiry.

**Part V—Applications for Public Carriers' Permits for use of
Lorries for Fee or Reward and for Stage Carriage Permits to
Ply Omnibus or Hiring Car Services and for Renewal
of such Permits, &c.**

MOTOR TRAFFIC ACT, No. 14 of 1951 .

List of Applications for Modification of existing Public Carriers' Permits

IN terms of section 87 (2) of the Motor Traffic Act, No. 14 of 1951, notice is hereby given of the following applications for Modification of existing Public Carriers' Permits.

The following extract from the Act applies to objections against the grant of such applications :—

“ 87 (3) any person already providing transport facilities, whether by means of road transport or any other means of transport, for the carriage of goods for fee or reward in the area or any part of the area or between any places which the applicant intends to serve under the authority of the permit applied for, may, on payment of the prescribed fee, make objection against the grant of the application on the ground that suitable transport facilities in that area or part or between those places are or, if the application were granted would be either generally or in respect of any particular type of lorries, in excess of requirements, or on the ground that any of the conditions of any permit held by the applicant has not been complied with.”

An objection may be made under this sub-section on behalf of the Railway by the General Manager of Railways or any other officer of his Department authorized by him for the purpose ; no fee shall be payable in respect of any such objection.”

Objections must be made in the manner stated below to the Commissioner of Motor Traffic, 33, Torrington Place, Colombo, so as to be received by him not later than 2.30 p.m. on Wednesday, June 18, 1952.

1. Every objection against the grant of any application for a Public Carriers' Permit shall be made by a written statement on suitable paper and shall be signed by the person making the objection. Where the objection is made by anybody corporate or a firm, it shall be signed by a person duly authorized in that behalf by such body or a partner of the firm, as the case may be, giving the designation of the person signing it.
2. Every statement of objection shall be made in duplicate and the original shall, except where the objection is made by or on behalf of the General Manager of the Railway, bear stamps to the value of Rs. 2.50.
3. Every statement of objection shall indicate by reference to the serial number given in the notice and to the name of the applicant, the application in respect of which the objection is made and shall set out the specific grounds on which the objection is based.
4. No statement of objection shall relate to more than one application.
5. Every statement of objection shall be enclosed in a sealed envelope and addressed to the Commissioner of Motor Traffic (Branch L) and delivered at the Office of the Commissioner or sent by registered post so as to reach the Commissioner not later than the date specified in the notice.

Any person interested in any application may, on payment of Re. 1, inspect such application at this office during the period of fourteen days after the publication of this notice.

Objectors are requested to state clearly in their objections the facts entitling them to object, i.e., whether they are already providing transport facilities, &c., and if so, by what means and if by lorries the registered numbers of the lorries. If the objection is in respect of a particular lorry or lorries only being specified in the permit the number of those lorries should be indicated in the statement of objections.

Objections not conforming to these requirements will be of no avail.

Colombo, May 16, 1952.
