The proportion of the percentage as between one tavern and another will be based, save in exceptional circumstances and in the discretion of the Superintendent in charge of the warehouse, approximately on the issues of arrack in sealed bottles to each tavern during the said year of 1940-1941 for the Ordinary and the Extra Special Qualities.

(6) The second and subsequent issues of arrack in sealed bottles will be conditional on the grantee bringing back, in entirety or in part, the balance gallonages (as calculated in paragraph (1) above) of white and other bottles, outstanding in his hands

 \hat{s}) In the event of the gallonage of bottles (as calculated in paragraph (1) above) returned being less than the ration due, and of the Warehouse Officer deciding in the exercise of his discretion to issue nevertheless the full ration due, if such issue is likely to increase the balance gallonage of bottles (as calculated in paragraph (1) above) in the hands of the grantee to such an extent that its value at the rates set out in paragraph (2) above will not be covered by the additional security deposit already made, the Warehouse Officer may in his discretion call upon the grantee either to pay a further sum to increase the sum already paid as additional security deposit (and such further sum shall be held on the same terms and conditions as the additional security deposit), or in the alternative to supply such number of empty bottles as represents the gallonage of bottles, to the extent required before issuing the full ration.

If such further sum is not paid or empty bottles not supplied within 24 hours of the demand having been made, the Warehouse Officer shall be entitled to refuse to issue to the grantee any arrack, whether in bottles or in bulk or in both. (9) The exercise of the discretion of the Warehouse Officer in pursuance of the powers vested in him under para-

graphs (7) and (8) of this condition will be liable to appeal to the Superintendent of Excise in charge of the warehouse, and the Superintendent's decision shall be final and conclusive and binding on the grantee.

(10) At the end of the period of the privilege the said additional security deposit together with the further sum deposited, if any, will be refunded in full, or in part after the deduction of the value at the rate set out in paragraph (2) above of the balance gallonages of the respective kinds of bottles shown in the register referred to in paragraph (4) above as left in the hands of the grantee.

(11) The additional security and the further sum, if any, so paid by the grantee as deposit will be dealt with as in condition 9 (2) above, and the grantee shall also enter into a bond with the Government Agent, hypothecating it as security for deficit in or loss of bottles.
