SCHEDULE

General Instructions

1. *Year of Return* : The particulars asked for should be for the calendar year ending December 31, 1951. If for any reason you are unable to give particulars for the calendar year you may furnish returns for your business year ending on any date from April 1, 1951, to March 31, 1952. If you were not in business for one full year, please state the number of months you were in business and give the figures for that period.

2. *Scope of the Census* : This Census of Industry is confined to production only and does not cover any trading operations, such as the purchase and re-sale of goods which undergo no intervening manufacturing process. You should therefore exclude particulars relating to transactions of this nature from your return.

3. *Office, sales and transport organizations* : The office work associated with the production (whether the office is at the same address as the works or not) should be included, but you should exclude the staff and operations of any separate selling organization you may have, whether it is wholesale or retail, for which you keep separate accounts. You should then record the output on the basis of its value when transferred to your selling organization including an appropriate allowance for profit. Also, if you have a separate transport organization, for which separate accounts are kept, you should exclude its operations and staff from the return.

4. *Branch Establishments* : (1) If your undertaking is carried on at more than one establishment, particulars in respect of each branch establishment will be required on a separate schedule to complete the return you are required to make under the Census Ordinance. If you maintain any "Common service" departments (e.g., central office, research) you should include an appropriate proportion of these departments' staff wages and salaries, materials, &c., on each return.

(2) Where two or more distinct industries are carried on in separate departments of a single establishment, these should generally be treated as "separate establishments", and separate returns should be rendered; in such cases, application should be made to the Director of Census and Statistics for additional forms appropriate to their business if these have not already been sent. The information shown on the return for each establishment should be confined to that part of the business; thus the number of persons employed recorded in Part II should relate to that part only, together with an appropriate proportion of any "common service" departments.

(3) If, owing to the system of accounting, it is impossible to make a separate return for each establishment and a return is made on one schedule, in respect of more than one establishment, the schedule addressed to the other establishments included in the return should be forwarded to the Department of Census and Statistics with a signed statement thereon to that effect.

LOCAL LOANS AND DEVELOPMENT FUND

Report for the Year 1950-51

THE Statement of Accounts and the Balance Sheet for the year 1950-51 are submitted, along with this report.

Interest.—The rate of interest on loans to local authorities remains at 4 per cent. per annum, and that for Co-operative Societies and Government officers for building houses at 5 per cent. per annum. Interest on loans to Co-operative Banking Unions is 4½ per cent. per annum and to Co-operative Agricultural Produce Marketing Societies on loans of Rs. 25,000 and over at 3 per cent. The total interest received during the year on loans was Rs. 476,593.37.

Loans.—There has been a big increase in the amount of loans granted during the year, especially in loans to local authorities. Loans to Government officers for building houses continue to be few. Loans are not granted to Co-operative Societies, except in special circumstances, as they can obtain loans from the Co-operative Federal Bank.

Borrowings.—As a result of the large amount of loans granted during the year the cash balance of the Fund was found inadequate and the Fund was obliged to borrow during the year a sum of Rs. 1,500,000 from Government. The total indebtedness at September 30, 1951, is Rs. 9,000,000 to Government and Rs. 750,000 to the Savings Certificate Fund.

Repayments.—Repayments of loans by local authorities continue to be regular.

The balance due from the Town Council, Hikkaduwa, Dodanduwa mentioned in the last report has been settled.

The balance outstanding in respect of Co-operative Societies was Rs. 2,168,829.78 inclusive of Rs. 650,000 granted during the year. Repayments of loans have been very unsatisfactory. Action has been taken by the Registrar of Co-operative Societies with a view to speedier settlement.

Batticaloa Thambankaduwa Tobacco Growers, Co-operative Society was in financial difficulties and a loan of Rs. 150,000 was granted to it in August 1951 with a view to helping the Society; this sum of Rs. 150,000 was to be refunded within six months with interest at 4 per cent.; authority was granted to repay the balance of the loan granted previously within five years by annual instalments of not less than one-fifth of the balance outstanding. The balance due on account of capital in respect of the loans granted previously was Rs. 194,582.88 at September 30, 1951. Treating this amount as arrears at September 30, 1951 for purpose of comparison, the arrears of capital and interest due from all Co-operative Societies at the end of the last 5 years were :—

	Rs.	c.
at September 30, 1947	142,787	33
at September 30, 1948	160,421	59

at September 30, 1950	739,099	35
at September 30, 1951	525,369	1

Repayments by Government Servants continue to be regular.

Bad Debt.—A sum of Rs. 116.31 due from Halpanwila Paddy Hullers' Co-operative Society Ltd., in liquidation was written off as a bad debt.

By order of the Commissioners:

K. V. KATHIRAVELU,
Secretary,
Local Loans and Development Fund.General Treasury,
Colombo, February 14, 1952.

Report of the Auditor-General on the Accounts of the Local Loans and Development Fund for the Year 1950-51

The accounts of the Local Loans and Development Fund created under the Local Loans and Development Fund Ordinance (Cap. 281) as amended by the Local Loans and Development Fund Amendment Act No. 29 of 1949 for the year 1950-51 were audited under my direction and a report is submitted in accordance with Section 13 of the Ordinance.

The following financial statements were furnished to me by the Treasury in accordance with Section 13 of the Ordinance and Rule 27 framed under Section 10 of the said Ordinance.

- (a) Cash Account,
- (b) Income and Expenditure Account,
- (c) Statement of Liabilities and Assets.

These statements were compared with the books of Accounts and found to agree. The Statement of Liabilities and Assets duly certified is returned herewith along with the other two statements.

I.—CASH ACCOUNT

2. *Receipts*.—The receipts of the Fund for the year, excluding a sum of Rs. 1,361·16 recovered as legal and inspection fees and credited to Suspense Account, amounted to Rs. 4,018,031·11. This is made up of:—

Rs. 476,593·37 on account of interest payments,
Rs. 2,041,437·74 capital repayments, and
Rs. 1,500,000·00 loan obtained from the Government.

3. *Payments—Working Expenses*.—The working expenses for the year amounted to Rs. 237,795·78 as against Rs. 124,125·23 in the previous year. The increase in the expenditure was due to the larger amount of interest paid this year than in the previous year on account of borrowings from Government. An additional loan of Rs. 1,500,000 was raised from the Government during the year on which, too, interest was payable. This additional loan from Government was necessitated by the Cash balance of the fund not being adequate to meet the large number of loans granted during the year. Thus the total indebtedness of the Fund to Government at September 30, 1951, has increased to Rs. 9,000,000 while the borrowings from the Savings Certificates Fund remain at Rs. 750,000. Both these amounts are shown as liabilities in the Balance Sheet.

4. *Loans*.—The loans granted during the year amounted to Rs. 6,563,267·95 as compared with Rs. 2,638,034·23 in 1949–50.

5. *Arrears of Loan Repayments and Interest Receivable*.—The following sums were outstanding on September 30, 1951:—

	Rs.	c.
Instalments of Loan due	481,718	96
Interest receivable	43,650	5

These arrears of loan repayments and interest are due from the Co-operative Societies.

II.—INCOME AND EXPENDITURE ACCOUNT

6. The income for the year amounted to Rs. 476,593·37 which was composed entirely of interest. The expenditure amounted to Rs. 237,795·78. A sum of Rs. 116·31 has been written off as an irrecoverable loan. Under Section 27 of the Local Loans and Development Fund Ordinance, the sanction of the Minister of Finance has to be obtained before any sum due by way of loan is written off. In this connection reference is requested to para 6 of my report on the accounts for 1948–49.

7. The years' working of the Fund has resulted in a net profit of Rs. 238,631·28 as compared with a net profit of Rs. 269,122·48 in the previous year, which amount has been transferred to Capital Account. Reference is invited to para 6 of my report for 1946–47 where I have outlined the procedure adopted by Government dealing with the net profit of each year. The Honourable the Minister of Finance has in terms of Section 7 (3) (b) of the Local Loans and Development Fund Ordinance (Cap. 281), approved the transfer to the Consolidated Fund of the sum of Rs. 269,122·48, being the net profit for 1949–50, and this sum has been credited to Revenue under Head XI, Sub-head 7 in the Accounts of the year 1950–51 (Sessional Paper VIII of 1952). The total net profit so credited to the Consolidated Fund from the inception up to the end of 1949–50 amounts to Rs. 3,843,441·51.

III.—STATEMENT OF LIABILITIES AND ASSETS

8. *Liabilities—Capital Account*.—The capital of the Fund on September 30, 1951, was Rs. 16,391,362·77 of which a sum of Rs. 4,193,094·27 represents grants from the Government while Rs. 2,448,268·50 represents accumulated profits and Rs. 9,750,000 represents borrowings from Government and from the Savings Certificates Fund. The sum of Rs. 21 shown against Suspense Account represents the amount lying to the credit of this account pending adjustment by a credit to the Fund or a refund to the parties concerned as the case may be.

9. *Assets*.—The Assets of the Fund at September 30, 1951 amounted Rs. 16,391,383·77 of which Rs. 16,003,360·15 represents loans granted and Rs. 388,023·62 represents the balance to the credit of the Fund in the Treasury Books.
