INSTRUCTIONS TO CANDIDATES FOR CADETSHIPS PRIOR TO COMMISSIONING AS PILOT OFFICERS IN THE CEYLON AIR FORCE

EIGHT vacancies are now offered for cadetships prior to commissioning as Pilot Officers in the Ceylon Air Force.

2 The applicants for cadetships will be required to fulfil the conditions set out in paragraph 4 below. A preliminary selection will be made from applications received from those who fulfil these conditions, and a final selection will be made after interview of the selected candidates by a Selection Board appointed by the Minister of Defence and External Affairs.

3 The following are the rules which will apply and the procedure which will be adopted in respect of candidates who are selected for the vacancies:

(a) On being accepted for cadetships, the candidates must enlist in the Ceylon Air Force on a regular engagement for a period of five years as Aircraftmen, 2nd Class, Group "D".

(b) The cadets will be required to undergo training at such places in Ceylon as decided by the Permanent Secretary to the Minister of Defence and External Affairs in consultation with the Commander of the Air Force.

(c) During the period of training, the status of the cadets will be that of Aircraftmen and they will be subject to Air Force Law.

(d) A Cadet, while undergoing training, shall be paid at the rate of Rs 2 per diem during the first six months of his service. Thereafter, until he is appointed to a commission, he shall be paid at the rate of Rs 2.50 per diem provided, however, that a cadet of a recognized Air Force Training establishment in Ceylon shall be paid at the rate of Rs 3.25 per diem on completing twelve months' total service, or on attaining Officer/Cadet status, whichever is later. No cost of living allowance is payable. In addition to the above, the rates of pay will be supplemented by Flying Instructional pay at the rate of 50 cents per diem on commencement of flying training.

(e) During the period of training, the cadets will be accommodated in an Air Force Mess, and provided with free food, free uniform and free medical treatment.

- (f) (i) In the event of a cadet voluntarily terminating his candidature for a commission during training, the parent or guardian will be required to refund to the Ceylon Government all expenses incurred up to that time by the Ceylon Government on account of such cadet
- (ii) If at any time during his course, a cadet is reported on by the authorities as being unsuitable, for reasons of misconduct or due to causes within his own control, for the issue of a commission, his parent or guardian will be required to refund to the Ceylon Government all expenses incurred on his account by the Ceylon Government
- (g) Parents or guardians will sign declarations as given in page 19 of the form of application given in paragraph 14 below in respect of sub paragraph (f) (i) and (ii) above, and forward them together with the application. Parents or guardians of selected candidates will be required to enter into a bond substantially in this form with the Ceylon Government prior to the appointment of these candidates
- (h) After successful completion of training, the cadets will thereupon be commissioned as Pilot Officers in the General Duties Branch of the Ceylon Air Force. On appointment to commissions, the cadets will be discharged from the Air Force engagements into which they had entered as Aircraftmen. They will be expected to serve in the Ceylon Air Force for a minimum period of five years after commissioning. The prospects and conditions of service for an Officer of the Ceylon Air Force are as published in the *Ceylon Government Gazette* No 10,240 of April 27, 1951
- 4 The conditions under which candidates may be accepted for cadetships are as follows —
- (a) *Nationality*—Candidates must be Ceylonese. A "Ceylonese" is—

- (e) *Flying Aptitude Tests*—Candidates will be required to undergo tests for flying aptitude and selection tests before final selection

5 After a period of initial training, a further selection will be made from cadets being trained in Ceylon with a view to sending one cadet for training at the R A F College, Cranwell, in the United Kingdom. The cadet so selected for training will be sent to the United Kingdom at Government expense and will return to Ceylon at Government expense provided he has successfully completed the course of training. There is no guarantee that all Cadet Trainees will be sent to Cranwell even at a later stage of their service

During the period of training at Cranwell, all tuition and maintenance fees will be paid for by the Ceylon Government. However, the cadet will be entitled to 4s per diem as ration allowance during compulsory leave periods (i.e., periods of non attachment to a Mess)

The parent or guardian of the successful trainee selected for Cranwell training will be required to sign—

- (i) a certificate to the effect that he fully understands that he or his son/ward shall not be entitled to claim any compensation or other relief from the Government in respect of any injury which his son/ward may sustain in the course of or as a result of the training to be undergone by him at R A F College, Cranwell, whether due to the negligence of any person or otherwise,
- (ii) an agreement and bond to the effect that, if for any reasons within the control of the candidate he wishes to withdraw before the completion of the course or fails to accept a commission if offered, or if at any time his son/ward is reported on by the authorities at Cranwell as being unsuitable for reasons of misconduct, he will be required to refund the whole or such portion of the cost of tuition, food, clothing, pay and allowances received and cost of passage to the United Kingdom. Such cadet will be required to return to Ceylon at his own expense

The candidates who are not selected for interview by the Selection Board will be so informed

9 Applications will be made substantially in the form given in paragraph 14 below. Application forms will NOT be issued

10 Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection and dismissal if discovered after the selection
