No. P D. 17

THE REGISTERED STOCK AND SECURITIES ORDINANCE

BY virtue of the powers vested in me by section 4 of the Registered Stock and Securities Ordinance (Chapter 289), as modified by the Proclamation published in *Gazette Extraordinary* No 9,773 of September 24, 1947, I, Junius Richard Jayewardene, Minister of Finance, do by this Order direct that, of the sum of four hundred million rupees for the raising of which by way of loan authority has been given by the National Development Loan Act, No 3 of 1950, a further sum specified in the Schedule hereto shall be raised in Ceylon in the mode and upon the terms and conditions specified in that Schedule

Colombo, July 23, 1953

J R. JAYEWARDENE,
Minister of Finance.

Schedule

1. The sum of money to be raised shall be eighty million rupees, and it shall be raised by way of—
 - (a) a 2½ year loan issued at par ; and
 - (b) a 6–8 year loan issued at 99
2. Each of the loans shall be raised in either or both of the following modes :—
 - (a) by the creation and issue of registered stock ,
 - (b) by the issue of securities in the form of Government promissory notes
3. The rate of interest payable on the loans shall—
 - (a) in the case of the 2½ year loan, be 3 per centum per annum , and
 - (b) in the case of the 6–8 year loan, be 3½ per centum per annum
4. The dates in each year, on which the half-yearly interest on each of the loans shall be payable, shall be the first day of February and the first day of August
5. The date of redemption of the registered stock or securities issued for the purpose of raising each of the two loans shall—
 - (a) in the case of the 2½ year loan, be the first day of February, 1956, and
 - (b) in the case of the 6–8 year loan, be the first day of August, 1961 :

Provided, however, that in the case of the 6–8 year loan, the Government shall have the option of redeeming any such registered stock or securities at par on such date subsequent to the first day of August, 1959, as may be appointed by the Minister of Finance by notification published, not less than six months prior to that date, in the *Gazette* and in at least two Ceylon Newspapers.

PROSPECTUS

The Lists will be opened on August 1, 1953, and will be closed on August 31, 1953, or earlier if the loans are fully subscribed.

CEYLON GOVERNMENT LOANS

Issue of Rs. 80,000,000

3% 1956—issued at par—repayable at par
3½% 1959/61—issued at 99—repayable at par

THE Central Bank of Ceylon, on behalf of the Government of Ceylon, invites applications for the following loans—

- (a) 3 per cent. loan repayable at par on February 1, 1956.
(b) 3½ per cent loan repayable at par on August 1, 1961, but the Government will have the option of repayment at par on or after August 1, 1959, on giving six months' notice

The allocation between the two loans will not be fixed, but the total amount to be subscribed will not exceed Rs. 80,000,000

Authority.—The loan is raised on the authority of the National Development Loan Act, No. 3 of 1950, and under the provisions of the Registered Stock and Securities Ordinance, 1937 (Chapter 289).

Purpose.—The loan is raised by the Government of Ceylon to meet expenditure on any work connected with or incidental to national development

Form of Issue.—The loan will be issued at the option of the applicant in the form of Registered Stock or Promissory Notes (Leaflets containing the general conditions applicable to Registered Stock and Promissory Notes are available on application to the Department of Public Debt, Central Bank of Ceylon—see page 2 for a summary of these conditions.)

Issue Price.—The issue price is—

- (a) for the 3% Loan 1956—Rs. 100 per Rs. 100 stock.
(b) for the 3½% Loan 1959/61—Rs. 99 per Rs. 100 stock.

The issue price is payable in full at the time of application. The minimum holding is Rs. 100

Applications.—Applications will be received by the Registrar, Department of Public Debt, Central Bank of Ceylon, Echelon Square, P. O. Box 1149, Colombo 1, from August 1, 1953, and until the lists are closed. Applications must be on the proper form and must be accompanied by a remittance in full. Depositors of the Ceylon Savings Bank and Post Office Savings Bank may by arrangement with these institutions forward their applications through these institutions.

A commission of 1/16 per cent. on the nominal amount of subscription will be allowed to bankers (including the Ceylon Savings Bank and the Post Office Savings Bank), recognized stock-brokers and brokers in respect of applications bearing their stamp. A negotiating fee of the same percentage will be allowed to Proctors in respect of applications bearing their stamp

Payment for stock.—Payment may be made—

- (a) by cheque drawn in favour of the Central Bank of Ceylon and crossed "on account of Ceylon Government Loans";
(b) by surrender at par on August 1, 1953 of stock of the 3 per cent. National Loan, 1953 repayable on August 1, 1953;
(c) by surrender on August 1, 1953 of Ceylon Government Treasury Bills at the following surrender values—

Bills repayable on 1	8.53 at Rs. 100%	of face value
Bills repayable on 15	8.53 at Rs. 99.905763%	of face value
Bills repayable on 1	9.53 at Rs. 99.791332%	of face value
Bills repayable on 15	9.53 at Rs. 99.697095%	of face value
Bills repayable on 1	10.53 at Rs. 99.589396%	of face value
Bills repayable on 15	10.53 at Rs. 99.495159%	of face value

Scrip.—Stock Certificates or Promissory Notes will be issued after receipt and acceptance of the application.

Interest.—Interest at the appropriate rate will be payable half-yearly on the 1st day of February and the 1st day of August in each year. The first payment will be on the 1st day of February, 1954, and will be for the amount of interest due for the period commencing on the date on which the application is accepted up to and including the 31st day of January, 1954, and a warrant for this amount payable on the 1st day of February, 1954, will be attached to the scrip

Taxation.—All documents used in the issue, exchange, transfer or redemption of the loans will be free from stamp duty. Interest to resident holders will be paid without deduction of income tax, but resident holders liable to income tax should include such interest in their income tax returns. Deductions of tax at source will be made from holdings of non-residents, other than Governments of Her Majesty's dominions (Current rate of income tax is 30 per cent. in the case of non-resident individuals and 36 per cent. in the case of non-resident companies). Persons who are exempt from Ceylon income tax will be entitled to claim repayment of the tax deducted. Holdings of charities and of Governments of Her Majesty's dominions are exempt from Ceylon Income Tax.

Public Debt.—The present funded public debt of Ceylon is Rs. 808,915,133 (exclusive of Rs. 63,943,700 war loans issued on behalf of the United Kingdom Government). The approximate market value of the accumulated sinking funds amounts to Rs. 197,814,700. The net funded public debt is thus Rs. 611,100,433.

Application forms.—Application forms may be obtained at the Department of Public Debt, or at any Commercial Bank, Kachcheri, Post Office or at the Office of the Commissioner, National Savings Movement.

Department of Public Debt, Central Bank of Ceylon,
Echelon Square, P. O. Box 1149.

C. L. B. PERERA,
Registrar.
Colombo 1 : July 24, 1953.

DEPARTMENT OF GOVERNMENT ELECTRICAL UNDERTAKINGS, CEYLON

Charges for Electrical Energy

IT is hereby notified for general information that the following scales of charges for electrical energy supplied to consumers from the Departmental Mains System, other than those connected to the Bandarawela-Diyatalawa-Haputale and Jaffna Peninsula Systems, have been approved with effect from August 1, 1953, except in the case of Tariffs Nos. 9 and 11 which would be effective from September 1, 1953. All previous *Gazette* Notifications with regard to charges are hereby cancelled save as provided hereunder. The revised charges will be applied automatically to the accounts of consumers now supplied at scheduled rates except where otherwise specified herein, existing special contracts for power and lighting with guaranteed minimum annual consumption shall remain in force until their expiration. On the expiration of such contracts the appropriate revised Tariffs will be applicable.

C. B. P. PERRERA,
Permanent Secretary,
Ministry of Transport and Works.

Colombo, July 22, 1953.

Tariff No. 1

- Lights and fans and general purposes .. (1) For installations of lights and fans and general purposes.
(2) Monthly consumption—
First 250 B.O.T. units 50 cents per unit.
Next 250 B.O.T. units 44 cents per unit.
Next 250 B.O.T. units 38 cents per unit.
All units in excess of 750 B.O.T. units 32 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 7 per mensem.
(4) Meter rental Re. 1 per mensem.

Tariff No. 2

- Power .. (1) For power installations.
(2) Monthly consumption—
First 500 B.O.T. units 17 cents per unit.
Next 500 B.O.T. units 15 cents per unit.
All units in excess of 1,000 B.O.T. units 13 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 7 per mensem or Rs. 1.25 per mensem per kVA or B.H.P., or part thereof installed, whichever is greater.
(4) Meter rental Re. 1 per mensem.

Tariff No. 3

- Outside lighting, signs, shop-window lighting, cinemas and theatres (1) For installations of outside lighting, signs, shop-window lighting and Cinemas and Theatres.
(2) Monthly consumption—
First 1,000 B.O.T. units 25 cents per unit.
Next 1,000 B.O.T. units 23 cents per unit.
Next 1,000 B.O.T. units 21 cents per unit.
All units in excess of 3,000 B.O.T. units 18 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 7 per mensem or Rs. 1.25 per mensem per kVA or B.H.P., or part thereof installed, whichever is greater.
(4) Meter rental Re. 1 per mensem.

Tariff No. 4

- Restricted Hour Supply .. (1) For installations of Baker's Ovens, and industrial process heating only. Supply to be given through a two-rate meter at 8 cents per unit for power consumed between the hours of 10 p.m., and 4 p.m., and 11 cents per unit between 4 p.m. and 10 p.m.
(2) Minimum charge, Rs. 7 per mensem or Rs. 1.25 per mensem per kVA, installed, whichever is greater.
(3) Meter rental Re. 1 per mensem.
(4) Supply for lights, fans, motors and all other purposes at such installations will be separately metered and charged under the appropriate tariff.

Tariff No. 5

- Battery charging .. (1) For Battery charging installations.
(2) Monthly consumption—
First 5,000 B.O.T. units 6 cents per unit.
All units in excess of 5,000 B.O.T. units 5 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 50 per mensem.
(4) Meter rental Re. 1 per mensem.
(5) Supply will be available for use between 10 p.m. and 6 a.m. Consumers to provide the necessary separate circuit, time switch and circuit breaker to Department's specification.

Tariff No. 6

Domestic Two-part tariff

- (1) For domestic installations—
The supply will be metered and charged on a two-part tariff comprising an unit charge and a fixed charge in accordance with the following schedules—
- (2) Unit charge schedule—
Monthly consumption—
First 100 B.O.T. units 10 cents per unit.
Next 100 B.O.T. units 8 cents per unit.
Next 500 B.O.T. units 7 cents per unit.
All units in excess of 700 B.O.T. units 6 cents per unit.
- (3) Fixed charge schedule (inclusive of meter rent)—
- | | | | |
|---------------|----------------|--------|------------|
| Not exceeding | 2,500 sq. ft. | Rs. 5 | per mensem |
| Do. | 2,750 sq. ft. | Rs. 6 | do. |
| Do. | 3,000 sq. ft. | Rs. 7 | do. |
| Do. | 3,500 sq. ft. | Rs. 8 | do. |
| Do. | 4,000 sq. ft. | Rs. 9 | do. |
| Do. | 4,500 sq. ft. | Rs. 10 | do. |
| Do. | 5,000 sq. ft. | Rs. 11 | do. |
| Do. | 5,500 sq. ft. | Rs. 12 | do. |
| Do. | 6,000 sq. ft. | Rs. 13 | do. |
| Do. | 6,500 sq. ft. | Rs. 14 | do. |
| Do. | 7,000 sq. ft. | Rs. 15 | do. |
| Do. | 8,000 sq. ft. | Rs. 16 | do. |
| Do. | 9,000 sq. ft. | Rs. 17 | do. |
| Do. | 10,000 sq. ft. | Rs. 18 | do. |
| Do. | 11,000 sq. ft. | Rs. 19 | do. |
| Do. | 12,000 sq. ft. | Rs. 20 | do. |
| Do. | 14,000 sq. ft. | Rs. 21 | do. |
| Do. | 16,000 sq. ft. | Rs. 22 | do. |

Each additional 2,000 sq. ft. or part thereof Re. 1 per mensem.

- (4) The minimum charge for any month will be Rs. 8 or the fixed charge as scheduled in para 3 above, whichever is greater.
- (5) In approved domestic installations in which less than 25 per cent. of the area is used for professional or business purposes the fixed charge will be assessed in terms of Paragraph 3 above in respect of the area used for domestic purposes and on the basis of tariff 8 paragraph 3 (a) in respect of the connected load in the area used for professional or business purposes.

Tariff No. 7

Industrial Two-part tariff

- (1) For low tension industrial installations of not less than 2 B.H.P., or 2 kVA, installed where the demand is principally for power purposes and where the lighting and fan load does not exceed 25 per cent. of the power load. The supply for all purposes will be metered and charged on a two-part tariff comprising an unit charge and a demand charge in accordance with the following schedules—
- (2) Unit charge schedule—
Monthly consumption—
First 10,000 B.O.T. units 10 cents per unit.
Next 20,000 B.O.T. units 9 cents per unit.
All units in excess of 30,000 B.O.T. units 8 cents per unit.
- (3) Demand charge schedule (inclusive of meter rent)—
- (a) For installations not exceeding 10 B.H.P., or 10 kVA., installed Rs. 4 per mensem per B.H.P., or kVA, or part thereof.
- (b) For installations exceeding 10 B.H.P. or 10 kVA., installed—
First 100 kVA. of maximum demand Rs. 4 per mensem per kVA., or part thereof.
All in excess of 100 kVA., of maximum demand Rs. 3.50 per mensem per kVA., or part thereof.
- (4) Minimum charge—
- (a) For installations under 3 (a)—
The Minimum charge in any month will be based on the maximum installed kVA., or B.H.P., subject to a minimum demand charge of Rs. 16 per mensem.
- (b) For installations under 3 (b)—
The Minimum charge in any month will be the demand charge in respect of the maximum demand in the previous 12 months subject to a minimum demand charge of Rs. 52 per mensem.
- (5) The kVA., of maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage.
- (6) The maximum overall charge for installations above 10 B.H.P., or 10 kVA., monthly demand, under this tariff shall be 14 cents per B.O.T. unit, without prejudice to the Minimum monthly charge as defined in paragraph 4 (b).

Tariff No. 8

Commercial Two-part tariff

- (1) For low tension commercial installations where the demand is principally for lighting and fans and general purposes.
The supply will be metered and charged on a two-part tariff comprising an unit charge and a demand charge in accordance with the following schedules :—
- (2) Unit charge schedule—
Monthly consumption—
First 10,000 B.O.T. units 11 cents per unit.
Next 10,000 B.O.T. units 10 cents per unit.
Next 10,000 B.O.T. units 9 cents per unit.
Next 20,000 B.O.T. units 8 cents per unit.
All units in excess of 50,000 B.O.T. units 5 cents per unit.
- (3) Demand charge schedule inclusive of meter rent—
(a) For installations not exceeding 10 kVA. Rs. 12 per mensem per kVA., or part thereof of lighting, fans and motors installed.
(b) For installations exceeding 10 kVA., installed—
First 25 kVA., maximum demand Rs. 12 per mensem per kVA., or part thereof. Next 25 kVA., maximum demand Rs. 10 per mensem per kVA., or part thereof. All in excess of 50 kVA., maximum demand Rs. 8 per mensem per kVA., or part thereof.
- (4) Minimum charge—
(a) For installations under 3 (a)
The minimum charge in any month will be based on the maximum installed kVA., subject to a minimum demand charge of Rs. 60 per mensem.
(b) For installations under 3 (b)—
The minimum charge in any month will be the demand charge in respect of the maximum demand in the previous 12 months subject to a minimum demand charge of Rs. 120 per mensem.
- (5) The kVA. maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage.
- (6) The demand charge schedule is subject to an assessment of not less than 25 watts of lighting load for each standard lampholder.
- (7) Ceiling fans will be assessed at 50 watts each.
- (8) Portable desk fans are exempt from assessment.
- (9) Approved domestic cooking and heating appliances and professional apparatus appropriate to and used for business purposes will be exempt from assessment under Paragraph 3 (a) subject to a maximum of 5 times the assessed connected lighting and fan load.

Tariff No. 9

Low tension Bulk Supply to Licensees

- (1) For low tension bulk supplies to licensees—The supplies will be metered and charged on a two-part tariff comprising an unit charge and a demand charge in accordance with the following schedules :—
- (2) Unit charge schedule—
Monthly consumption—
First 5,000 B.O.T. units 11 cents per unit.
Next 5,000 B.O.T. units 10 cents per unit.
All units in excess of 10,000 B.O.T. units 9 cents per unit.
- (3) Demand charge schedule inclusive of meter rent—
First 25 kVA., Rs. 14 per mensem per kVA., or part thereof.
Next 25 kVA. Rs. 12 per mensem per kVA., or part thereof.
All in excess of 50 kVA. Rs. 10 per mensem per kVA., or part thereof.
- (4) The kVA., maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage.
- (5) The minimum demand charge in any month will be the demand charge corresponding to the basic demand. The basic demand will be declared to the Department by the licensee. This demand should not be less than 50 per cent. of the Contract Demand and may be varied by the licensee at intervals of not less than one year.
- (6) 10 per cent. of the basic demand subject to a maximum of 50 kVA. will be supplied free of demand charge for temporary illuminations in the licensee's area. The concession will be limited in any calendar year to three occasions not exceeding three days each to be notified by the licensee.

Tariff No. 10

- Supply at high or extra high pressure to industrial installations
- (1) Contracts for the supply of power at high or extra high pressure will be subject to a special agreement for a period of not less than 5 years. The supply will be metered at high pressure and charged on a two-part tariff comprising an unit charge and a demand charge in accordance with the following schedules—
 - (2) Unit charge schedule—
Monthly consumption—
First 250,000 B.O.T. units 8 cents per unit.
Next 250,000 B.O.T. units 7½ cents per unit.
All units in excess of 500,000 B.O.T. units 7 cents per unit.
 - (3) Demand charge schedule inclusive of meter rent—
First 250 kVA. Rs. 3·50 per mensem per kVA., or part thereof.
Next 250 kVA. Rs. 3 per mensem per kVA., or part thereof.
All in excess of 500 kVA., Rs. 2·50 per mensem per kVA., or part thereof
 - (4) The kVA., maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage.
 - (5) The minimum charge in any month will be the demand charge in respect of the maximum demand in the previous 12 months or 150 kVA., demand, whichever is greater.
 - (6) The maximum overall charge under this tariff shall be 10 cents per unit without prejudice to the minimum charge as defined in paragraph (5).
 - (7) This tariff is applicable to industrial loads of not less than 150 kVA., demand with load conditions which do not produce abnormal peaks during the system peak load hours.
 - (8) When the supply is required at a distance from the existing E.H.T. supply system the consumer will be required to pay a proportion of the extension charges.

Tariff No. 11

- Bulk supply to Licensees at high or extra high pressure
- (1) Supplies at high or extra high pressure given to licensees having maximum demands of not less than 250 kVA.—
The supply will be metered at high pressure or extra high pressure and charged on a two-part tariff comprising an unit charge and a demand charge in accordance with the following schedules—
 - (2) Unit charge schedule—
Monthly consumption—
First 200,000 B.O.T. units 9 cents per unit.
Next 200,000 B.O.T. units 8 cents per unit.
All units in excess of 400,000 B.O.T. units 7 cents per unit.
 - (3) Demand charge schedule inclusive of meter rent—
First 1,000 kVA. Rs. 12 per mensem per kVA., or part thereof.
All in excess of 1,000 kVA. Rs. 10 per mensem per kVA., or part thereof.
 - (4) The maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage.
 - (5) The minimum demand charge in any month will be the demand charge corresponding to the basic demand. This demand should not be less than 50 per cent. of the contract demand and may be varied by the licensee at intervals of not less than one year.
 - (6) 50 kVA. will be supplied free of demand charge for temporary illuminations in the licensee's area. This concession will be limited in any calendar year to three occasions not exceeding three days each to be notified by the licensee.

Tariff No. 12

- Traction supply at high or extra high pressure for electricity propelled Tram Cars and Trolley Buses
- (1) Contracts for the supply of power at high or extra high pressure for Traction supply will be subject to a special agreement for a period of not less than five years.
The supply will be metered at high pressure and charged on a unit rate of 10 cents per B.O.T. unit consumed.
 - (2) The minimum charge in any month will be Re. 1·25 per mensem per kVA. or B.H.P., or part thereof installed.
 - (3) The meter rental will be Re. 1 per mensem.
 - (4) This tariff is applicable to Traction loads of not less than 500 kVA. demand with load conditions which do not produce abnormal peaks during the system peak load hours.
 - (5) When the supply is required at a distance from the existing Extra High Tension supply system, the consumer will be required to pay a proportion of the extension charges.

NOTES

- (1) *Tariff No. 3.*—Cinemas and theatres—The whole of the consumption will be charged under tariff No. 3 or, at option of the consumer, the lighting load may be charged under tariff No. 1 and the power load under tariff No. 2.
- (2) *Tariff No. 6.*—The floor area referred to in the tariff will include all floors under a permanent roof and include passages, verandahs, pantries, store rooms, bathrooms and outhouses irrespective of whether the floor is lit or not.
- (3) *Tariff No. 8.*—(a) In making assessment in respect of the professional or business load in terms of tariff No. 6, paragraph (5), the fixed charge will be determined on a *pro rata* basis to the next nearest whole rupee. The minimum demand charge under tariff No. 8, paragraph 4 (a), shall not apply.
- (b) Domestic cooking and heating appliances and professional apparatus referred to in tariff No. 8, paragraph (9), will include all cooking and heating appliances and all apparatus including motors which are appropriate to and used for the business connected with the installation.
- (4) *Tariffs Nos. 9 and 11.*—(a) *Contract demand* is the maximum amount of Power in kVA., the consumer requires and the Supply Authority agrees to make available for the period of the contract. This contract demand shall not be exceeded without the written consent of the Supply Authority.
- (b) *Basic Demand* is the demand in kVA., which the licensee would reasonably expect to use during the year and declared by him to the Supply Authority. This demand should not be less than 50 per cent. of the contract demand.
- (5) *Two-part tariffs.*—Any installation taking supply under a two-part tariff must take the whole of its supply under that tariff, except as specifically provided for under tariff No. 6, paragraph (5). Existing installations that do not conform to this requirement may continue to take supply in accordance with the existing agreements during the pendency of such agreements only.
- (6) *Fixed charges etc.*—When supply is taken for a part of a month the fixed charge and meter rental will be computed on a *pro rata* basis.
- (7) Existing consumers—
- (a) Pre-payment meter consumers under tariff No. 1 (e) as published in *Ceylon Government Gazette* No. 9,872 dated June 1, 1948, which has now been withdrawn, may at their option or in any case up to November 1, 1955, only, either remain under their existing agreements or make an application to come under any of the new tariffs for which they are eligible.
- (b) Consumers taking supply on the domestic two-part tariff No. 2 as published in *Ceylon Government Gazette* No. 9,872 dated June 1, 1948, may during the pendency of their existing agreements at their option or in any case up to November 1, 1955, only either continue under that tariff in so far as the determination of the fixed charge only is concerned or make an application to come under the corresponding new tariff. The revised unit charge schedule under tariff No. 6, paragraph 2, and the minimum charge under tariff No. 6, paragraph 4, shall apply in all cases.
- (8) Supply for Temporary Illuminations—
- (a) Existing consumers will be charged at the normal unit rate of their respective tariffs.
- (b) Where maximum demand indicators are installed the temporary illumination will be separately metered except in the case of tariffs Nos. 9 and 11.
- (c) Temporary consumers will be charged under tariff No. 1. Meter and service charges will be recovered in addition.

Miscellaneous Charges

	<i>Rs. c.</i>
(1) Installation testing—	
(a) First test of new installation and extensions to existing installations	free
(b) Each additional test if first test is unsatisfactory—	
Complete installations	10 0
Extensions	5 0
(c) Tests and inspections at request of consumers, depending on size of installations, from	5 0
(2) Meter testing—	
Testing meter at consumer's request	5 0
If the inaccuracy of the meter exceeds plus or minus 2½ per cent. the fee will be refunded.	
(3) Reconnection fee—	
(a) Reconnecting the supply after disconnecting for non-payment of account	10 0
(b) Reconnecting the supply after disconnecting for breach of regulations from	10 0
(c) Special reconnection fee at less than 48 hours' notice	2 0
(4) Failure of supply—	
(a) Fee for attendance of fuseman	2 0
(b) Fee for restoring supply after failure, where such failure of supply has been proved to be due to faults on a consumer's premises from	10 0
(5) Temporary Illuminations—	
Supply for temporary illuminations to existing consumers will be given when possible for which the following charges will be made in addition to the cost of current—	
(a) When supply is given through an existing service and meter	5 0
(b) When supply is given through a special meter	10 0
(6) The temporary surcharge as notified in <i>Ceylon Government Gazette</i> No. 10,328 of December 7, 1951, is withdrawn except in the case of existing consumers on special contracts until their expiration.	
(7) Special concession to places of public religious worship—	
Supply to places of public religious worship including approved residences attached to the place of worship and occupied by the priests associated with the place of worship, will be on the scheduled tariffs but subject to a 50 per cent. rebate. Application for such concession should be made in writing and, if granted, the concession will become applicable from the date of such application.	

DEPARTMENT OF GOVERNMENT ELECTRICAL UNDERTAKINGS

Charges for Electrical Energy in Diyatalawa-Bandarawela and Haputale

IT is hereby notified for general information that the following scales of charges for electrical energy supplied to consumers in Diyatalawa, Bandarawela and Haputale and adjacent Districts, have been approved with effect from August 1, 1953. All previous *Gazette* Notifications with regard to charges are hereby cancelled save as provided hereunder. The revised charges will be applied automatically to the accounts of consumers now supplied at scheduled rates except where otherwise specified herein; existing special contracts for power and lighting with guaranteed minimum annual consumption shall remain in force until their expiration. On the expiration of such contracts the appropriate revised Tariffs will be made applicable.

Colombo, July 22, 1953.

C. B. P. PERRERA,
Permanent Secretary,
Ministry of Transport and Works.

Tariff No. 1

- Lights and fans and general purposes .. (1) For installations of lights and fans and general purposes
(2) Monthly consumption—
First 250 B.O.T. units 55 cents per unit
Next 250 B.O.T. units 50 cents per unit
Next 250 B.O.T. units 45 cents per unit
All units in excess of 750 B.O.T. units 40 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 7 per mensem.
(4) Meter rental Re. 1 per mensem.
(5) All contracts will be for a minimum period of 12 months and thereafter for similar periods of 12 months.

Tariff No. 2

- Power .. (1) For power installations—
(2) Monthly consumption—
First 500 B.O.T. units 18 cents per unit
Next 500 B.O.T. units 17 cents per unit
Next 500 B.O.T. units 16 cents per unit
Next 500 B.O.T. units 15 cents per unit
All units in excess of 2,000 B.O.T. units 14 cents per unit.
(3) Minimum charge (exclusive of meter rent) Rs. 7 per mensem or Re. 1.25 per kVA., or B.H.P., or part thereof installed, whichever is greater.

The supply will be metered and charged on a Two-Part-Tariff, comprising an unit charge of 12 cents per unit and a fixed charge in accordance with the following schedule—
(2) Fixed charge schedule (inclusive of meter rent)—
Not exceeding 500 watts. Rs. 6 per mensem
- | | | |
|-------|----|----|
| 600 | 7 | .. |
| 700 | 8 | .. |
| 800 | 9 | .. |
| 900 | 10 | .. |
| 1,000 | 11 | .. |
| 1,100 | 12 | .. |
| 1,200 | 13 | .. |
| 1,300 | 14 | .. |
| 1,400 | 15 | .. |
| 1,500 | 16 | .. |
| 1,600 | 17 | .. |

Not exceeding 1,700 watts Rs. 18 per mensem		
1,800	„	19 „
1,900	„	20 „
2,000	„	21 „
2,200	„	22 „
2,400	„	23 „
2,600	„	24 „
2,800	„	25 „
3,000	„	26 „

Rs. 1 per mensem for each additional 400 watts.

- (3) The minimum charge for any month will be Rs. 8 or the Fixed Charge scheduled above, whichever is greater.
- (4) The Fixed charge schedule is subject to an assessment of not less than watts. of lighting load for each standard lampholder.
- (5) Ceiling fans will be assessed at 50 watts each.
- (6) Portable table fans are exempt from assessment.
- (7) Commuted assessments may be determined for any installation, at request of the consumer, or if in the opinion of the Department the ment under paragraph 2 is inappropriate. The commuted assessm will be determined on the floor area basis of 60 watts. per 100 sq. ft., living room and 20 watts. per 100 sq. ft. for bedrooms, ba kitchens, storerooms, porches, &c.
- (8) In the approved domestic installations in which part of the install. is used for professional or business purposes, the fixed charge will be assessed under paragraph 2 above in respect of the domestic load on the basis of Tariff No. 6 paragraph 2 (a) in respect of the or business load.
- (9) All contracts will be for a minimum period of 12 months and thereafter similar periods of 12 months.

Tariff No. 5

Industrial Two-part tariff

- (1) For Low Tension Industrial Installations of not less than 2 B.H.P. or 2 kW installed where the demand is principally for power purposes and w the lighting and fan load does not exceed 20 per cent. of the power The supply for all purposes will be metered and charged on a two tariff comprising an unit charge of 12 cents per unit and a demand ct in accordance with the following schedule :—
- (2) Demand charge schedule (inclusive of meter rent)—
 - (a) For installations not exceeding 10 B.H.P., or 10 kVA installed Rs. per mensem per B.H.P. or kVA or part thereof
 - (b) For installations exceeding 10 B.H.P. or 10 kVA in talled—
 - First 100 kW of maximum demand Rs. 5 per mensem per kW part thereof
 - All in excess of 100 kW Rs. 4.50 per mensem per kW or thereof.
- (3) Minimum charge—
 - (a) For installations under 2 (a)—

The minimum charge in any month will be based on the r installed B.H.P. or kVA subject to a minimum demand of Rs. 15 per mensem.
 - (b) For installations under 2 (b)—

The minimum charge in any month will be the demand charge respect of the maximum demand in the previous 12 mor. subject to a Minimum Demand charge of Rs. 50 per mensem.
- (4) The kW of maximum demand will be the sustained load over a period 15 minutes calculated at the declared voltage and at .8 Power Factor Alternating Current Supply.
- (5) The maximum overall charge for installations above 10 B.H.P. or 10 kW monthly demand under this tariff shall be 14 cents per B.O.T. without prejudice to the minimum montly charge as defined in paragrs 3 (b).
- (6) All contracts will be for a minimum period of 12 months and thereafter similar periods of 12 months

Tariff No. 6

Commercial Two-part tariff

- (1) For Low Tension commercial installations where the demand is princ for lighting and fans and general purposes—

The supply will be metered and charged on a two-part tariff, con an unit charge of 14 cents per unit and a demand charge in with the following schedule—
- (2) Demand charge schedule (inclusive of meter rent)
 - (a) For installations not exceeding 10 kW Rs. 16 per mensem per kW part thereof of lighting, fans and motors installed.

- (b) For installations exceeding 10 kW installed—
 First 25 kW maximum demand Rs. 16 per mensem per kW or part thereof
 Next 25 kW maximum demand Rs. 14 per mensem per kW or part thereof
 All in excess of 50 kW maximum demand Rs. 12 per mensem per kW or part thereof.
- (3) Minimum charge—
- (a) For installations under 2 (a)—
 The minimum charge in any month will be based on the maximum installed kW subject to a minimum demand charge of Rs. 64 per mensem.
- (b) For installations under 2 (b)—
 The minimum charge in any month will be the demand charge in respect of the maximum demand in the previous 12 months subject to a Minimum Demand Charge of Rs. 160 per mensem.
- (4) The kW of maximum demand will be the sustained load over a period of 15 minutes calculated at the declared voltage and at .8 Power Factor on Alternating Current Supply.
- (5) The Demand Charge schedule is subject to an assessment of not less than 25 watts of lighting load for each standard lampholder.
- (6) Ceiling fans will be assessed at 50 watts each.
- (7) Portable table fans are exempt from assessment.
- (8) Approved domestic cooking and heating appliances and professional apparatus, appropriate to and used for business purposes will be exempt from assessment under paragraph 2 (a) subject to a maximum of 5 times the assessed connected load.
