IN terms of section 87 (2) of the Motor Traffic Act, No. 14 of 1951, notice is hereby given of the following applications for Public Carriers' Permits for use of Lorries for Fee or Reward.

An objection may be made under this sub-section on behalf of the Railway by the General Manager of Railways or any other officer of his department authorized by him for the purpose no fee shall be payable in respect of any such objection.”

Objectors are requested to state clearly in their objections the facts entitling them to object, i.e., whether they are already providing transport facilities, &c., and if so, by what means, and if by lorries, the registered numbers of the lorries. If the objection is in respect of a particular lorry or lorries only being specified in the permit — the numbers of those lorries should be indicated in the statement of objections

Objections not conforming to these requirements will be of no avail.
