Colombo, December 7, 1953

Report

We were appointed by the Honourable Mr G. G. Ponnambalam, Minister of Industries and Fisheries under section 18A (1) of the Fisheries (Amendment) Act, No. 25 of 1952, to inquire into the dispute that has arisen between the fishermen of Maruthamunai and Kalmunaikudy with regard to the fishing rights in the Maruthamunai waters

Advocate A Thavarajah assisted by Mudaliyar M S Karapper, Chairman, Town Council, appeared for Kalmunaikudy fishermen

Proctor J. David appeared for Maruthamunai fishermen

The inquiry was held on the 8th and 9th April, 6th May and 17th August, 1953

According to the evidence led on behalf of the Maruthamunai fishermen, the Maruthamunai waters include not only the sea shore adjoining Maruthamunai village but also the sea shore adjoining Pandruppu and Peiyaneelavanai, that is, the sea shore between Pandruppu-Thalawattan Road and the palmyrah tree on the boundary of Peiyaneelavanai and Kallai villages. The Maruthamunai fishermen say that they do not go beyond this area for fishing and want the exclusive use of this sea shore. They state that in the year 1925 there was a dispute between them and the Kalmunaikudy fishermen. A settlement was arrived at and an order was made by Mr Harrison Jones, Government Agent, prohibiting the Kalmunaikudy fishermen from fishing in Maruthamunai waters. The Government Agent then demarcated the boundaries mentioned above and since 1925 no Kalmunaikudy fishermen fished in the demarcated area. It is only from 1950 that Kalmunaikudy men started coming and fishing in this area, and there were disputes.

The Kalmunaikudy fishermen denied such an agreement and order by Mr Harrison Jones, Government Agent. They stated that they have been regularly coming to Maruthamunai waters whenever there was a glut of fish in that area during certain months of the year without any serious disputes.

On August 17, when we re-started the inquiry, both parties expressed a desire to come to a settlement and wanted advice regarding terms and conditions of the agreement.

The Chairman addressed both parties and indicated the lines on which they should come to a settlement

After a great deal of discussion amongst themselves, they came to an agreement, the terms of which are as follows:—

(1) The disputed area is Thalawattan Road on the South and Kallar on the North, a distance of about 2½ miles approximately.

(2) During the fishing season—December to April—the Kalmunaikudy people claimed the right to fish in the Maruthamunai fishing area

(3) It is agreed now that during the period December to April fishing will be started on December 1, by the Maruthamunai people and thereafter on alternate days fishing will be done by the Kalmunaikudy people and Maruthamunai people. It is further agreed that Maruthamunai people will have every Friday of every week as an additional day for fishing

(4) The Maruthamunai people will have the right to fish in Kalmunaikudy waters during the period April, May, June, July and August on alternate days

(5) During the period May to end of November the Kalmunaikudy people will have no right to fish in Maruthamunai waters

They wanted the Committee to report this to the Honourable Minister and request him to frame the necessary regulations to implement the terms of the agreement.

We suggest that Regulations be framed to implement paras 1, 2, 3 and 5 of the agreement. We have no power to make recommendations with regard to para 4. The Maruthamunai fishermen, if they desire

to fish in Kalmunaikudy waters, should make representations to the Honourable Minister and get regulations framed with regard to para 4 of their agreement
