Colombo, January 7, 1954.

**BY-LAW**

The general by-laws relating to licences made by the Wattagama Urban Council and published in *Gazette* No. 9,410 of May 25, 1945, as amended from time to time, are hereby further amended as follows:—

- (1) In by-law 1 under the heading "Interpretation of Terms", in the definition of "Offensive or dangerous trade", by the substitution for the words "icing of fish", of the words "icing of fish; storing of cotton, kapok or straw; storing coconut oil (in quantity over 20 gallons); manufacturing gingely oil or any vegetable oil; manufacturing safety matches; spinning or weaving cotton otherwise than by handloom; storing gunny bags in excess of 500 bags; keeping an electrical workshop; keeping a printing press; keeping an establishment to manufacture jewellery; keeping a forge; curing or drying fish, curing or drying meat; manufacturing chilly powder by mill or factory; manufacturing brushes; curing rubber; charring wood or coconut shells for charcoal; keeping a shed or yard for more than five goats; manufacturing

beedies; manufacturing cigars; manufacturing cigarettes; storing old metal; storing charcoal over 5 cwt.; keeping a workshop for welding or work in which a lathe is used; keeping an establishment for vulcanizing tyres and tubes; smoking and manufacturing sheet rubber or crepe rubber, storing acetic acid (in quantity over 12 gallons); storing firewood in excess of three tons; storing brick, cabook, tiles, metal; curing mica; blasting rock or road metal, manufacturing pottery, keeping a foundry; storing rubber in excess of 5 cwt.; keeping a workshop for repairing push bicycles; keeping a workshop for repairing motor vehicles";

- (2) by the insertion immediately after by-law 216 of the following new by-laws:—

**" DANGEROUS AND OFFENSIVE TRADES**

217. No person shall be entitled to a licence to carry on any dangerous or offensive trade unless the premises to be licensed are in conformity with the following conditions.—

- (1) the premises must be in good repair, well ventilated and well lighted, and every room must be provided with windows capable of being opened, the area of which when open must be not less than one-fifteenth of the superficial floor space;
- (2) the walls of every room in every part must be not less than seven feet in height and must be built of brick, stone or cabook, and the lower internal surface of each such wall must be plastered in cement up to a height of four feet from the ground, and the rest of the internal surface must be limeplastered or limewashed;
- (3) all the eaves must be at least six feet from the ground;
- (4) the roof must be made of some permanent material;
- (5) all the woodwork must be oil-painted or limewashed;
- (6) the floor must be cemented throughout; and
- (7) the premises must be provided with adequate drainage, a sanitary dust bin and with sufficient latrine accommodation.

218. Every licensee shall store all materials required for the purpose of carrying on his licensed trade in such a way as to prevent effluvia or other nuisance.

219. Every licensee when carrying along any public place or thoroughfare any materials which are likely to be offensive or to give off effluvia shall carry them in non absorbent and covered receptacles so as to obviate the creation of any nuisance.

220. Every licensee shall cause any offensive vapours or gases emitted during any process or manufacture to be discharged into the external air in such a manner and at such a height as to admit of their diffusion without injurious or offensive effects or to be passed directly through a fire or into a condensing apparatus.

221. Every licensee shall provide adequate drains for the premises in which his licensed trade is carried on, and cause such drains to be kept in efficient order and to be washed daily.

222. Every licensee shall cause the floors of the premises in which his licensed trade is carried on to be constructed of some impermeable material and to be maintained in a proper state of repair and to be cleaned daily.

223. Every licensee shall keep the walls of the premises in which his licensed trade is carried on, in good order, so as to prevent absorption of filth and shall whitewash them annually.

224. Every licensee shall cause all apparatus including implements and vessels used in his licensed trade to be kept clean.

225. Every licensee shall cause all refuse, sweepings and scrapings together with waste and by-products to be removed daily from the premises in which his licensed trade is carried on, in covered receptacles unless intended to be forthwith subjected to further trade processes on the premises.

226. Every licensee shall cause the tanks used for washing or soaking skins or other material to be emptied and cleaned as often as may be necessary to prevent effluvia.

227. No licensee shall pollute any river, stream, canal, channel, well, tank or any open piece of water by discharging or suffering to flow thereinto any foul, ill-smelling or offensive water or other fluid or by throwing thereinto, or suffering to be washed therein any offensive substance, or in any other way pollute or contaminate such river, stream, canal, channel, well, tank or open piece of water.

228. Every holder of a licence for the manufacture of bricks or tiles shall cause any pits or trenches cut to be filled so that water cannot stagnate therein."
