GENERAL CONDITIONS APPLICABLE TO APPOINTMENTS TO POSTS IN THE LOCAL GOVERNMENT SERVICE ADVERTISED IN PART IV OF THE "CEYLON GOVERNMENT GAZETTE"

1. *Allowances.*—Unless otherwise stated, Rent Allowance, temporary Cost of Living Allowance and temporary Special Living Allowance are payable according to Government Rates and Conditions.

2. *Conditions of Service.*—Appointments will be subject to the provisions of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Transitional Provisions) Ordinance, No. 5 of 1946, any further amendments of Ordinance, No. 43 of 1945, and the Regulations made thereunder, and other conditions of service as laid down by the Commission from time to time.

3. *Terms of Engagement.*—The posts specified in the schedule published in Part IV of the *Ceylon Government Gazette* No. 10,432 of August 8, 1952, and other posts added thereto from time to time while held by members of the Local Government Service other than females are pensionable under the Local Government Service Pension Scheme Regulations, 1952.

(a) The pension rights of officers serving under Government will be conserved if released under Section 21 of the Government Minutes on Pensions, and transferred to pensionable posts in the Local Government Service.

(b) In the case of employees of Local Authorities who hold pensionable posts under the Pension

By-laws or Rules of the Local Authorities, the payment of their pension on ultimate retirement will be governed by the Pension By-laws or Rules of the Local Authority in whose employ they were on the date immediately preceding the date of their transfer to the Local Government Service, in terms of Section 48 of the Local Government Service Ordinance, No. 43 of 1945, as amended by the Local Government Service (Amendment) Act, No. 8 of 1949.

(c) All appointees to pensionable posts other than females, officers above the age of 55 and officers who were holding pensionable posts in Government Service on the date immediately prior to their appointment to the Local Government Service, are required to contribute 4 per cent. of their salary to the Local Government Service Widows' and Orphans' Pension Fund established under the Local Government Service Widows' and Orphans' Pension Fund Regulations, 1952, published in the *Government Gazette Extraordinary* No. 10,429 of July 30, 1952. The Local Authority will contribute 3 per cent. of salary.

(d) Appointees may be required to furnish security either in cash or by Fidelity Guarantee Bond through a Guarantee Association approved by the Local Government Service Commission in a sum which may be decided upon by the Local Authority.

(e) Appointees not holding scheduled posts in the Local Government Service or permanent posts in the Public Service will be required to pass a medical examination by a duly qualified medical practitioner as to their physical fitness to serve in any part of the Island.

(f) The appointment will generally be on probation or subject to confirmation after a period of one year unless otherwise specified.

4. *Qualifications required.*—Every applicant must furnish satisfactory proof that he is a Ceylonese.

A "Ceylonese" is a citizen of Ceylon by descent or by registration.

5. *War Service Concession.*—Provided they are qualified in all other respects, ex-Servicemen of Her Majesty's Fighting Forces and full-time members of the Auxiliary Fire, Air Raid Precautions and Civil Defence Services (excluding those who had left these Services of their own accord), will be allowed to deduct periods of such service (commencing from September 3, 1939, at the earliest and up to December 31, 1949, at the latest), from their ages for purposes of eligibility alone, provided that they joined the Forces before August 15, 1945, and that such service was satisfactory and continuous.

6. *Other Requirements.*—(i) Applications from those in a Local Body should be forwarded through the Municipal Commissioner or Chairman of the Local Authority in which they are serving.

(ii) Applications from officers in the Government Service should be forwarded through the Heads of their respective Departments. In the case of applications from officers holding permanent posts in the Government Service, the Head of the Department concerned should, when forwarding the application, state whether or not he is prepared to release the applicant if selected.

(iii) Candidates may be required to present themselves for interview or test at an appointed time and place. No travelling or other expenses will be paid in this connection.

(iv) Any person who desires to recommend a candidate may do so by giving a testimonial. Any form of direct or indirect canvassing or attempt to influence the selection of candidates will disqualify such candidates.

(v) Any statement in the application which is found to be incorrect will render the applicant liable to disqualification if the inaccuracy is discovered before the selection and to dismissal after the selection.

(vi) Applications not conforming in every respect with the requirements of this advertisement will be rejected.

(vii) Applications should be made substantially in the form appended below and should be addressed to the Chairman, Local Government Service Commission, and NOT personally to him.

(viii) Applications received in this office after the closing date will not ordinarily be entertained.

Form of Application to be used unless otherwise stated

BANDARAWELA URBAN COUNCIL

The Urban Councils Ordinance, No. 61 of 1939

BY-LAWS made by the Bandarawela Urban Council under sections 166 and 170 (12) of the Urban Councils Ordinance, No. 61 of 1939, and approved by the Minister of Local Government by virtue of the powers vested in him by section 167 of that Ordinance as modified by the Proclamation published in *Gazette Extraordinary* No. 9,773 of September 24, 1947.

D. C. R. GUNAWARDANA,
Permanent Secretary,
Ministry of Local Government.

Colombo, March 8, 1954.

BY-LAWS

PRELIMINARY

1. In these by-laws—

"Council" means the Bandarawela Urban Council;

"Chairman" means the Chairman of the Bandarawela Urban Council; and

"domestic purposes" used in relation to a supply of water, does not include a supply of water for horses or cattle or for washing vehicles, where such horses, cattle or vehicles are kept for sale or hire, or a supply for any trade, manufacture, or business, or for fountains, or swimming baths, or for any ornamental or mechanical purposes, or for purposes of irrigation

2 No water shall be drawn from the Council's waterworks except from the public standpipes or fountains or from a private service pipe, or otherwise than in the manner prescribed by these by-laws.

PUBLIC STANDPIPES

3. No person shall take water from a public standpipe—

(a) in a cart, or barrel, or in any vessel other than a bucket or other similar receptacle carried, and capable of being ordinarily carried, by hand, or

(b) in any quantity or in any manner likely to cause any waste of water.

4. No person shall attach any hose-pipe, pipe, tube, shoot or other contrivance of any nature whatsoever either temporarily or permanently to any public standpipe.

5. No person shall interfere with the automatic self-closing valve or other automatic appliance attached to or forming part of any public standpipe, or do any other act likely to prevent either temporarily or permanently the automatic action of such valve or appliance.

6. No person shall take water from a public standpipe for other than domestic purposes.

7. No person who is suffering from any loathsome, contagious, or infectious disease and no person who has recently been in attendance on any such person, shall draw water from any public standpipe.

8 (1) No person shall bathe or wash any part of his body or wash any animal or any clothes, utensil or other article whatsoever, at or near any reservoir, standpipe, fountain, cistern, pipe or other waterworks for the time being vested in or maintained by the Council.

(2) No person shall wash any vehicle at any standpipe other than a standpipe which has been set apart for that purpose by the Council.

REQUIREMENTS AS TO PRIVATE SERVICE PIPES AND FITTINGS

9. Without the written approval of the Chairman first had and obtained on application made to him in Form A set out in the Schedule hereto, no person shall—

(a) construct a new service or lay any new service pipe from the Council's mains or waterworks to any private premises, or commence any work for that purpose; or

(b) alter, extend clean out or renew any existing service pipe connected to the Council's mains or waterworks or commence any work for any such purpose.

10. Any work approved by the Chairman under by-law 9 shall be carried out in accordance with the written instructions of the Chairman and no fittings or appliances shall be used in such work unless approved by him.

11. Not more than one service pipe for the supply of water to any premises within the same curtilage and assessed by the Council as one property shall be connected to the Council's mains or waterworks.

12. (1) All pipes used in the construction of private services shall be either of cast iron coated with a bituminous composition or of galvanized wrought iron and shall be of such thickness and quality as may have been approved by the Chairman or an officer or person authorized by the Chairman in that behalf.

(2) Wrought iron service pipes shall be of the quality known as "best water piping" and of the following weights—

3/8 in. internal diameter 46 lbs. per 100 lineal feet.

1/2 in internal diameter 88 lbs. per 100 lineal feet.

3/4 in. internal diameter 125 lbs per 100 lineal feet.

1 in. internal diameter 181 lbs per 100 lineal feet.

1 1/4 in. internal diameter 256 lbs per 100 lineal feet

1 1/2 in. internal diameter 320 lbs. per 100 lineal feet

2 in. internal diameter 405 lbs per 100 lineal feet

(3) Cast iron pipes shall be substantially jointed with lead and yarn; wrought iron pipes shall have screwed joints and sockets.

13 All draw-off taps fitted on any premises shall be of a pattern and size approved by the Chairman.

14. The Council shall, whilst consulting the wishes of the applicant as far as practicable, determine all matters concerning the construction or the alteration of the service such as the diameter of the pipe to be used, the manner in which it is to be laid, and the number, size, and position of the taps, and such determination shall be final and conclusive.

15. The inlet or supply pipe to every cistern shall be placed so as to have its delivery level above the highest water level of such cistern

16 Every storage tank to which water is supplied from the waterworks shall be provided with an "equilibrium" ball valve of approved pattern, and the ball valve shall be so adjusted as to close the supply when the water level in the tank is two inches below the edge or overflow.

17. The inlet of every bath, lavatory-basin or sink shall be separated and kept distinct from the outlet, and the inlet shall be situated at the top of or above such bath, lavatory-basin, or sink

18. The overflow pipe of every cistern or tank shall be brought to the outside of the building and shall terminate in a conspicuous position, so that any leakage may be easily detected. No overflow from any cistern or tank shall on any account be connected with any drain or sewer or with the waste pipe of any bath, sink, or any other sanitary appliance or with the overflow from any other cistern or tank. Each cistern or tank shall have a separate overflow pipe.

19 After the date on which these by-laws come into force—

(a) no cistern or tank exceeding 400 gallons in capacity shall be installed or constructed on any premises for holding any part of the water supplied for domestic purposes; and

(b) no cistern or bath shall be installed or constructed in any premises unless the size and design thereof and the number that is to be installed or constructed, have received the prior approval of the Chairman.

20. The service pipe, cistern, or other service fittings of any premises shall not be connected with any service pipe, cistern, or other service fittings of any other premises bearing a separate assessment number

21 No pipe forming part of a private water service shall be directly connected with any boiler, condenser, or other mechanical appliance without the express sanction of the Chairman.

22. Every private water service shall be provided—

(a) with a strong brass, gun-metal, or cast iron gland stopcock with a solid bottom, and if the stopcock is of cast iron the plug shall be asbestos packed, or

(b) with a screw down stopcock with a loose key; or

(c) in the case of service by a pipe more than two inches in diameter, with a sluice or a slide valve.

The stopcock or valve shall be fixed under the pavement, if there is any pavement on that street, as near as practicable to the premises served and shall be provided with a cast iron surface box and lid so that the stopcock or valve may at all times be accessible.

23. No pipes, valves, or other fittings forming part of a newly constructed service to any premises shall be covered up until they have been inspected and approved in writing by the Chairman or an officer or person authorised by him in that behalf.

24. Where any special fittings, constructions, appliances, or arrangements of any kind are allowed for the supply of water to any premises for other than domestic purposes (such as taps for building operations, garden taps, tanks, hose, &c.), the owner of such premises shall, whenever a change of occupier occurs, either himself pay the charges previously agreed upon, or procure their payment by the new occupier, or remove at his own expense the said special fittings, constructions, appliances, or arrangements to the satisfaction of the Chairman.

25. The stopcock or valve of each private service and that part of the service pipe between the stopcock or valve and the main shall be deemed to be the property of the Council, and the cost of the maintenance, repair, or renewal of that part shall be borne by the Council :

Provided, however, that where any repair or renewal is necessitated by any damage caused to that part by any wilful act or negligence of the owner or of the occupier of the premises to which the service belongs the cost of such repair or renewal shall be paid to the Council by that owner or occupier, as the case may be, on demand made therefor by the Chairman.

26. No water supplied for any private service shall be used unless an agreement in Form B set out in the Schedule hereto has been previously entered into with the Chairman.

27. In the case of premises within the same curtilage and under same assessment, no person shall be permitted to fix into the pipe of the private water service obtained for domestic purposes more taps than the number enumerated herein below :—

Two taps for premises the annual value of which exceeds Rs. 100 but does not exceed Rs. 150.

Three taps for premises the annual value of which exceeds Rs. 150 but does not exceed Rs. 300.

Four taps for premises the annual value of which exceeds Rs. 300 but does not exceed Rs. 500.

Five taps for premises the annual value of which exceeds Rs 500 ;

Provided that the Chairman may grant taps in excess of the number specified above on payment in advance of an annual fee calculated as follows in addition to the water rate imposed and levied under section 143 (b) of the Urban Councils Ordinance, No. 61 of 1939 :—

Rs. 5 per annum or part thereof for $\frac{1}{2}$ inch connection.

Rs. 7 50 per annum or part thereof for $\frac{3}{4}$ inch connection.

Rs 10 per annum or part thereof for 1 inch connection.

28. For water supplied for other than domestic purposes the charges shall be paid in advance as follows :—

(1) Premises used wholly or in part—

	<i>per quarter</i>
(a) as a hotel the annual value of which—	
(i) does not exceed Rs. 5,000 ..	Rs. 15
(ii) exceeds Rs. 5,000 but is less than Rs. 10,000 ..	Rs. 25
(iii) is not less than 10,000 ..	Rs. 40
(b) as a lodging house ..	Rs. 3
(c) as a restaurant ..	Rs. 12
(d) as a tea kiosk (not including a hotel) ..	Rs. 10
(e) as a tea kiosk and eating-house ..	Rs. 12
(f) as a tea kiosk, eating-house and bakery ..	Rs. 15
(g) as an eating-house ..	Rs. 3
(h) as a bakery ..	Rs. 5
(i) as a guest house ..	Rs. 15
(j) as a place for servicing motor vehicles ..	Rs. 15

(2) Where any special fittings or appliances referred to in by-law 24 are used—

- (a) Rs. 20 per annum or part thereof for $\frac{1}{2}$ inch tap or hose for building construction work and an additional fee for tanks as specified in clauses (c), (d), and (e) hereunder.
- (b) Rs. 3 per annum or part thereof for $\frac{1}{2}$ inch garden tap, and Rs. 3.50 for $\frac{1}{2}$ inch hose.
- (c) Rs. 6 per annum or part thereof for storage tank for distribution the capacity of which does not exceed 100 cubic feet.
- (d) Rs. 7 per annum or part thereof for storage tank for distribution the capacity of which exceeds 100 cubic feet but does not exceed 200 cubic feet.
- (e) Rs. 10 per annum or part thereof for storage tank for distribution the capacity of which exceeds 200 cubic feet but does not exceed 300 cubic feet.

EARTHING CONNECTIONS

29. No person making any earthing connection from the casings of transformers dealing with electric current of a pressure of 500 volts or more, shall do so except by means of a proper and efficient earthplate fixed not less than two feet from any pipe or apparatus forming part of the Council's waterworks or of any private service connected to the Council's waterworks.

30. Where any earthing connection is necessary for a wireless set supplied with electric current from the electric lighting system, such earthing connection shall made by means of an earthplate fixed not less than two feet from any pipe or apparatus forming part of the Council's waterworks or of any private service connected to the Council's waterworks.

PREVENTION OF WASTE AND CONTAMINATION

31. (1) The Chairman may, whenever he has reason to believe that the arrangement, size, position, nature, or condition of any pipe, tap, valve, or other fittings forming part of the private water service on any premises connected with the Council's waterworks is likely to lead to waste, misuse, undue consumption, or contamination of the water supplied from the waterworks for public or private use, or is likely to be prejudicial to the

proper control and distribution of water from the waterworks, serve a notice in Form C set out in the Schedule hereto upon the owner of the premises.

(2) Every such notice must specify the alterations which the Chairman considers necessary, and such alterations shall be made by the owner to the satisfaction of the Chairman within such period as may be specified in the notice.

(3) In the event of the name or residence of the owner being unknown, the notice shall be deemed to have been duly served on the owner if it is affixed in a conspicuous place upon the premises to which it relates.

32 The Chairman may withhold, suspend, or diminish the supply of water to any premises or disconnect the private service pipe on those premises from the Council's mains or waterworks—

- (a) at the request of the owner or occupier of such premises ; or
- (b) if default be made in the payment of any money due under the provisions of these by-laws from the owner or the occupier of such premises ; or
- (c) if the construction or laying of any such service pipe by the owner or occupier of such premises is not carried out or altered in accordance with the provisions of these by-laws ; or
- (d) if any act or thing is done or omitted to be done by the owner or by the occupier of such premises contrary to the provisions of these by-laws relating to damage to or pollution of the waterworks or waste or abuse of the water.

33. No person who is supplied with water from the waterworks, shall wilfully or negligently cause or suffer any pipe, valve, cock, cistern or other apparatus or receptacle to be out of repair or to be so used or contrived that the water supplied to him from the waterworks is or is likely to be wasted, misused, unduly consumed or contaminated or so as to occasion or allow the return of foul air or other noisome or impure matter into any pipe belonging to or connected with the pipes of the waterworks.

34. The occupier of a house or premises to which a private water service has been laid down from the Council's waterworks shall immediately notify the Chairman whenever water is running to waste from any tap, pipe or other fittings forming part of such service. Whenever a change of occupier takes place in such house or premises, the incoming occupier shall notify such change to the Chairman within 48 hours after the change takes place.

35. Whenever water is found running to waste from any tap, pipe or other fittings forming part of the private water service on any premises, the Chairman or any person authorized by him in that behalf may at once disconnect the service from the Council's main and such service shall not be reconnected until the cause of the waste is eliminated by the owner or occupier of the premises.

36. The amount estimated by the Chairman as the cost of reconnecting to the Council's main or waterworks, any private service pipe disconnected on any of the grounds set out in by-laws 32 and 35 shall be paid by the owner or occupier of such premises in advance to the Council. The unexpended balance, if any, shall be returned to the owner or occupier on the completion of the work.

In the event of the actual cost exceeding the estimated cost, the amount of the excess shall be paid by the owner or occupier forthwith on the completion of the work.

GENERAL

37. The Chairman may, without prejudice to any water rate or other sum which may be or become due under the Ordinance or these by-laws, withhold, suspend, diminish or divert the supply of water through any mains, public fountain, service pipes or other appliances connected to the Council's waterworks either wholly or in part whenever the Chairman is satisfied—

- (a) that the water available in the waterworks is insufficient ; or
- (b) that such action is expedient or necessary for the purpose of extending, altering or repairing the mains or waterworks or for the purpose of the connection of service pipes to mains ; or
- (c) that such action is expedient or necessary by reason of any damage caused to a public standpipe or any pollution or waste of water thereof ; or
- (d) that damage is caused or likely to be caused to the waterworks by an outbreak of fire.

38. The approval of any private water service pipe or fittings under by-law 23 or the grant of any permission or concession under any of these by-laws to the owner or occupier of the premises on which a service pipe is laid, shall not be deemed for any purpose to attach to the Council any liability for any damage caused by the bursting of any part of the pipe or the over-flow of water from any part of pipe or fittings.

39. The Council shall not be liable in damages for failure on its part to supply water, whether under a contract or agreement or otherwise, if such failure is due to unusual drought, or to any temporary interference with the supply caused by carrying out any work, or to any other unavoidable cause or accident.

40. (1) The Chairman, or any officer of the Council authorised in that behalf by him in writing, may, after giving not less than one hour's notice of his intention to the occupier of any premises served by a private water service connected to the waterworks, enter such premises at any time between sunrise and sunset for the purpose of examining the condition of the pipes and other fittings relating to such service and of ascertaining if there is any waste of water supplied by such service.

(2) When such notice cannot for any reason be given or served personally on the occupier of the premises, the affixing of such notice in a conspicuous place upon the premises shall be sufficient service of such notice for the purpose of this by-law.

41 All moneys payable to the Council under these by-laws shall be paid at the Office of the Council to the Chairman or the officer of the Council authorised to receive such payment

42 Every contravention of any of the provisions of these by-laws shall be punishable with a fine not exceeding fifty rupees and, in the case of a continuing offence, with an additional fine not exceeding ten rupees for every day during which the offence is continued after conviction or service of written notice from the Chairman of such contravention.
