12. No tender will be entertained from persons whose names appear in the list of defaulting contractors.

13. The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

14. No contract may be assigned or sublet without the authority of the Tender Board, Ministry of Agriculture and Food. The Government reserves to itself the right to refuse to recognise a power of attorney issued by a contractor to any person, authorising him to carry on the contract on the contractor's behalf.

15. No tenderer will be allowed to withdraw his tender. If he does so, his tender deposit is liable to be forfeited and his name submitted to the Tender Board to be included in the list of defaulting contractors.

16. The Deputy Food Controller, Matale, will, for reasons which appear to him sufficient, give notice in writing of his objection to the employment by the contractor of any person specified in such notice and no such person shall be employed by the contractor.

17. The employment of only Ceylonese labourers in carrying out the work tendered for will be a condition of the contract; failure on the part of the successful tenderer to fulfil this condition will be treated as a breach of the terms of the contract and will render the contract liable to cancellation. However, in exceptional circumstances, the Deputy Food Controller, Matale, may permit the contractor to employ any non-Ceylonese labourers previously approved by him in writing with the concurrence of the Permanent Secretary, Ministry of Agriculture and Food. The employment of non-Ceylonese labourers, without such approval and concurrence in writing is forbidden. The term "Ceylonese" shall mean a citizen of Ceylon by descent or registration.

18. A tenderer who has not previously held a Government Contract, when applying for tender forms, should furnish the officer issuing the forms with a written statement giving his full name and permanent address, stating in which district or districts he owns landed property or has other valid interests. The extent of landed property and the nature and extent of other interests should also be given.

A tenderer, who has carried out Government contracts with the department but not in the division or district concerned in the notice calling for tenders, should state in which division or district or divisions or districts he held similar contracts.

A tenderer who has carried out Government contracts with any other department should specify the name of the department for which, and the district in which, the service was rendered.

19. The successful tenderer will be responsible for ascertaining the dates and time of arrival of wagons at the Railway Station and their release within such time as may from time to time be indicated by the Railway. It will also be his responsibility to find out from the Storekeeper of the Supply Station the volume of work that has to be carried out each day. Failure to comply with these requirements will render him liable to pay demurrage charges and other penalties for the delay. The decision of the Deputy Food Controller, Matale, on this question will be final.

The successful tenderer should employ his own escorts for the transport of foodstuffs and be prepared to work on Sundays and Public holidays, if so required.

20. The Government will not be bound to provide regularity of work under this contract and

will not be liable to make any payments by way of compensation to the contractor if work is not available for him.

21. The contractor shall indemnify the Crown against any claim by or in respect of any employee of the contractor under Workmen's Compensation Ordinance.

22. Each supply station, which has a number of stores attached to it, will include all stores in the charge of Storekeeper. The location of the stores under each supply station could be ascertained from this office.

23. The contract shall be entered into by the contractor with the Deputy Food Controller, Matale, acting for and on behalf of Her Majesty the Queen, and the designation of such officer shall mean and include the officer for the time being holding such office and his successors in office for the time being under the Government of Ceylon.

24. Any other particulars can be had from the Deputy Food Controller's office, Matale, during the usual office hours on any working day.
