### NOTICE

THE following specifications have been accepted:—  
No. 4,012 of May 22, 1953.

*Martimiano Floro.*

"Machinery for defibering husks and particularly coconut husks

*Abstract*—This invention relates to vegetable defibering machines

In carrying out the invention, a combination of longitudinally extending endless chain conveyors for the husks and a group or series of rotary scrapers which coat with said chain conveyors is made use of for the purpose of scraping out the soft pulpy coir dust from the clean bristle fibres and spinnable coir fibres from coconut husks in their natural form without the necessity of retting

There are 7 claims and 2 sheets of drawings.

No. 4,013 of May 26, 1953 (Convention application under section 48, claiming priority date, May 28, 1952.)

*Marshall's Tea Machinery Company, Limited.*

"Improvements in or relating to tea leaf rolling machines."

*Abstract*.—This invention relates to tea leaf rolling machines.

According to the invention, the tea leaf rolling machine specified comprises a pressure cap which can be moved relative to the container to a position enabling tea leaf to be charged into the machine through the top of the container. To do this it is necessary either to raise and/or tilt the pressure cap while it remains at least partly in the container or to remove the cap completely from the container. Movement of the pressure cap to its leaf charging position may be effected independently of the raising of the loading skip, or the two movements may be performed by the same operating mechanism.

There are 10 claims and 2 sheets of drawings

No. 4,014 of May 30, 1953. (Convention application under section 48, claiming priority date, June 13, 1952)

*Socfin Company, Limited*

"Improvements in the manufacture of rubber"

*Abstract*—This invention relates to the manufacture of rubber.

The process according to the invention consists in the steps of disintegrating the rubber coagulum to small pieces, crumb or powder, bleaching same if required and vulcanising it by a suitable treatment, thereafter subjecting it, if necessary, to a second stage grinding to powder in suitable manner.

There are 12 claims.
