**NOTIFICATION UNDER SECTION 18A (9) AND  
(10 OF THE FISHERIES (AMENDMENT) ACT,  
No. 25 OF 1952**

THE Report of the Arbitrator appointed to inquire into the dispute that has arisen between the fishermen of Piyadigama and the fishermen of Kataluwa regarding fishing rights at Kitulawala in Piyadigama West is hereby published for public information.

2. Any person who has made representations in response to the notice under section 18A (3) of the Fisheries (Amendment) Act, No. 25 of 1952, published in the *Ceylon Government Gazette* of June 18, 1954, desiring to make written representations to the Minister of Commerce, Trade and Fisheries, should do so in writing before the expiration of one month from the date of publication of this notification.

S. F. AMERASINGHE,  
Permanent Secretary, Ministry of  
Commerce, Trade and Fisheries.  
Colombo 3, August 4, 1954.

**Report**

The first complaint came from a few fishermen resident at Piyadigama, and I have noted them as petitioners.

The respondents also lodged a later complaint and are resident at Kataluwa, which adjoins Piyadigama

Petitioners claimed exclusive fishing rights in a harbour between the 83rd and the 84th mileposts on the Galle-Matara Road, at Piyadigama, and base their claim on long usage. They led little evidence of such usage, and their own witness deposed that Kataluwa fishermen shared in this fishing, and at a previous date, when their relations were amicable, brought in Piyadigama fisherfolk to join in this fishing. They ply this trade with rod and line. They have no Madels.

Clearly, there is no foundation, either in law or in past custom, for any claim of exclusive right to fish in this harbour

Recently, the Kataluwa fishermen have refrained from using this harbour, since one of their set, a soldier returned from the war in the Middle East exploded dynamite and was gaoled for it. The salutary sentence of imprisonment on this rowdy seems to have scared the other Kataluwa men away.

But their right to fish in this bay and to use the posts, which they and the Piyadigama men have planted there in the sea, remains unaltered.

I have explained this fact to both parties and arranged a division of this bay, which allots two-thirds of the bay, and the posts in that two-thirds portion, to the Piyadigama men, and the other one-third to the Kataluwa men.

I have fixed that proportion because the Kataluwa men have a large number of similar bays available for their use in their own village.

Officers of the Fisheries Department have, at my suggestion and with the concurrence of the parties, set up 2 posts, one on the beach, and another in the sea 20 yards off, to fix the boundaries. I have advised the Piyadigama men to confine their operations to the two-third portion and the Kataluwa men to confine their labours to their one-third portion. That is the simplest way to prevent warfare.

I think that no further action is required.

July 20, 1954.

T. W. ROBERTS.  
Arbitrator.

**NOTIFICATION UNDER SECTION 18A (3) OF THE FISHERIES (AMENDMENT) ACT, No. 25 OF 1952**

**Oluvil Fishing Dispute**

IN terms of section 18A of the Fisheries Ordinance, No 24 of 1940, as amended by the Fisheries (Amendment) Act, No 25 of 1952, the Honourable Minister of Commerce, Trade and Fisheries has referred a dispute which has arisen regarding fishing rights in Oluvil water to me for public inquiry and report

2 The subject matter of the inquiry is as follows —

The dispute is between the beach seine fishermen of Oluvil, Palamunai, Adalachanai and the beach seine fishermen of Kalmunaikudy and Sainthamaruthu regarding fishing rights in Oluvil waters. The former claim exclusive right to fish in these waters on the ground that the space available for beach seine fishing is only sufficient for 3 or 4 nets to operate, and allege that during the fishing season the beach seine fisher-

men of Kalmunaikudy and Sainthamaruthu operate 9 sets of boats and nets in the Oluvil area and thus deprive them of a fair share of the Oluvil beach seine fishery

3 All persons involved in this dispute, who desire so to do, may make written representations relating to the dispute to the Director of Fisheries, to reach his office at Galle Face, Colombo, on or before August 31, 1954

4 I shall commence a public inquiry into the subject matter of the dispute at the Village Committee Office, Nintavur, on Wednesday, September 8, 1954, at 9 30 a m. At the inquiry I shall receive all evidence, whether oral or documentary, which parties to the dispute may wish to place before me

Sole Arbitrator,  
Oluvil Fishing Dispute
